

17.140.01	Abatement • Acoustic measurements and noise abatement in general
25.100.70	Abrasives • Abrasives
17.080	Acceleration • Measurement of time, velocity, acceleration, angular velocity
33.040.50	Access • Including access networks and network elements
13.200	Accident • Accident and disaster control
43.040.80	Accident • Including airbags, safety belts, traffic accident issues and safety enhancement matters
47.020.80	Accommodation • Accommodation spaces
03.100.60	Accountancy • Accountancy
03.120.20	Accreditation • Including laboratory accreditation and audit programmes and auditing
29.220.20	Acid • Acid secondary cells and batteries
71.060.30	Acids • Acids
71.080.40	Acids • Organic acids
17.140	Acoustic • Acoustics and acoustic measurements
17.140.01	Acoustic • Acoustic measurements and noise abatement in general
17.140	Acoustics • Acoustics and acoustic measurements
17.140.99	Acoustics • Other standards related to acoustics
91.120.20	Acoustics • Acoustics in building. Sound insulation
33.200	Acquisition • Including Supervising, Control and Data Acquisition System (SCADA)
11.180.10	Adaptation • Aids and adaptation for moving
67.220	Additives • Spices and condiments. Food additives
67.220.20	Additives • Food additives
83.040.30	Additives • Auxiliary materials and additives for plastics
35.260	Addressing • Including typewriters, dictation equipment, addressing machines, letter opening machines, letter folding machines, postal franking machines, their ribbons and other accessories, etc.
83.180	Adhesive • Including adhesive tapes
29.035.20	Adhesive • Including adhesive tapes
83.180	Adhesives • Adhesives
49.025.50	Adhesives • Adhesives
03	Administration • Services. Company organization, management and quality. Administration. Transport. Sociology
03.160	Administration • Law. Administration
01.040.03	Administration • Services. Company organization, management and quality. Administration. Transport. Sociology. (Vocabularies)
01.140.30	Administration • Documents in administration, commerce and industry
03.160	Administrative • Including flags and associated symbols (emblems) of political and administrative entities, military flags, flags of organizations, etc.
91.100.30	Admixtures • Including admixtures
81.060.30	Advanced • Advanced ceramics
03.080.20	Advertising • Including publicity, advertising, etc.
33.120.40	Aerials • Aerials
55.130	Aerosol • Aerosol containers
49.025	Aerospace • Materials for aerospace construction
49.030	Aerospace • Fasteners for aerospace construction
49.035	Aerospace • Components for aerospace construction
49.040	Aerospace • Coatings and related processes used in aerospace industry
49.050	Aerospace • Aerospace engines and propulsion systems
49.060	Aerospace • Aerospace electric equipment and systems
49.080	Aerospace • Aerospace fluid systems and components
49.025.01	Aerospace • Materials for aerospace construction in general
71.100.40	Agents • Surface active agents
65.060	Agricultural • Agricultural machines, implements and equipment
13.080.99	Agricultural • Including agricultural aspects related to soils and re-use of soil materials
65.040.20	Agricultural • Buildings and installations for processing and storage of agricultural produce
65.060.01	Agricultural • Agricultural machines and equipment in general
65.060.10	Agricultural • Agricultural tractors and trailed vehicles
65.060.99	Agricultural • Other agricultural machines and equipment
83.160.30	Agricultural • Tyres for agricultural machinery
65	Agriculture • Agriculture
01.040.65	Agriculture • Agriculture (Vocabularies)
65.100	Agrochemicals • Pesticides and other agrochemicals
65.100.01	Agrochemicals • Pesticides and other agrochemicals in general
65.100.99	Agrochemicals • Other pesticides and agrochemicals
11.160	Aid • First aid
11.180	Aids • Aids for disabled or handicapped persons
11.180.01	Aids • Aids for disabled and handicapped persons in general
11.180.10	Aids • Aids and adaptation for moving
11.180.15	Aids • Aids for deaf and hearing impaired people
11.180.20	Aids • Aids for incontinence and ostomy
11.180.30	Aids • Aids for blind or partially sighted people
11.180.40	Aids • Aids for drinking and eating
11.180.99	Aids • Other standards related to aids for disabled and handicapped people
13.340.70	Aids • Lifejackets, buoyancy aids and flotation devices
13.040	Air • Air quality
93.120	Air • Including air transport control equipment and installations
03.220.50	Air • Air transport
11.080.01	Air • Including sterilization methods, air quality of surgery rooms, etc.
13.040.01	Air • Air quality in general
13.040.20	Air • Including indoor air
13.040.99	Air • Other standards related to air quality
43.060.20	Air • Pressure charging and air/exhaust gas ducting systems
47.020.90	Air • Marine ventilation, air conditioning and heating systems
55.180.30	Air • Air mode containers, pallets and nets
71.100.20	Air • Including compressed air and hydrogen
43.040.80	Airbags • Including airbags, safety belts, traffic accident issues and safety enhancement matters
23.120	Air-conditioners • Ventilators. Fans. Air-conditioners
43.040.60	Air-conditioning • Including vehicle frame and structure, heating devices, air-conditioning systems for passenger/driver compartments, roof load carriers, etc.
73.100.20	Air-conditioning • Ventilation, air-conditioning and illumination equipment

- 91.140.30 **Air-conditioning** • Ventilation and air-conditioning systems
49 **Aircraft** • Aircraft and space vehicle engineering
49.020 **Aircraft** • Aircraft and space vehicles in general
01.040.49 **Aircraft** • Aircraft and space vehicle engineering (Vocabularies)
83.160.20 **Aircraft** • Aircraft tyres
17.140.30 **Airport** • Including road noise, railway noise, harbour noise and airport noise
93.120 **Airports** • Construction of airports
13.310 **Alarm** • Including security services, security procedures, burglar alarm devices, burglary resisting materials and equipment, bullet resisting materials and equipment, anti-theft devices for vehicles, safes, strong rooms, etc.
13.320 **Alarm** • Alarm and warning systems
67.160.10 **Alcoholic** • Alcoholic beverages
71.040.10 **Alcoholometers** • Including hydrometers, alcoholometers, etc.
71.080.60 **Alcohols** • Alcohols. Ethers
71.080.80 **Aldehydes** • Aldehydes and ketones
71.080.10 **Aliphatic** • Aliphatic hydrocarbons
29.220.30 **Alkaline** • Alkaline secondary cells and batteries
77.140.20 **Alloyed** • Including alloyed steels, corrosion-resistant steels, heat-resisting steels, etc.
77.150 **Alloys** • Including products of non-ferrous metal alloys
25.160.50 **Alloys** • Including brazing and soldering alloys and equipment
49.025.05 **Alloys** • Ferrous alloys in general
49.025.15 **Alloys** • Non-ferrous alloys in general
77.120.10 **Alloys** • Aluminium and aluminium alloys
77.120.20 **Alloys** • Magnesium and magnesium alloys
77.120.30 **Alloys** • Copper and copper alloys
77.120.40 **Alloys** • Nickel, chromium and their alloys
77.120.50 **Alloys** • Titanium and titanium alloys
77.120.60 **Alloys** • Lead, zinc, tin and their alloys
77.120.70 **Alloys** • Cadmium, cobalt and their alloys
77.120.99 **Alloys** • Other non-ferrous metals and their alloys
27.190 **Alternative** • Biological sources and alternativesources of energy
31.060.50 **Aluminium** • Aluminium electrolytic capacitors
49.025.20 **Aluminium** • Aluminium
71.100.10 **Aluminium** • Materials for aluminium production
73.060.40 **Aluminium** • Aluminium ores
77.120.10 **Aluminium** • Aluminium and aluminium alloys
77.150.10 **Aluminium** • Aluminium products
13.040.20 **Ambient** • Ambient atmospheres
33.160.10 **Amplifiers** • Amplifiers
33.180.30 **Amplifiers** • Optic amplifiers
97.200.40 **Amusement** • Including amusement rides and devices
11.040.10 **Anaesthetic** • Anaesthetic, respiratory and reanimation equipment
31.200 **Analogue** • Including electronic chips, logical and analogue microstructures
19.120 **Analysis** • Particle size analysis. Sieving
67.050 **Analysis** • General methods of tests and analysis for food products
67.240 **Analysis** • Sensory analysis
77.080 **Analysis** • Including classification, designation, sampling, chemical analysis, etc.
77.100 **Analysis** • Including classification, designation, sampling, chemical analysis, etc.
77.120 **Analysis** • Including classification, designation, sampling, chemical analysis, etc.
03.100.40 **Analysis** • Including project management, value analysis, etc.
11.100.30 **Analysis** • Analysis of blood and urine
71.040.40 **Analysis** • Chemical analysis
71.040.50 **Analysis** • Physicochemical methods of analysis
77.040.30 **Analysis** • Chemical analysis of metals
71.040 **Analytical** • Analytical chemistry
71.040.01 **Analytical** • Analytical chemistry in general
71.040.99 **Analytical** • Other standards related to analytical chemistry
17.040 **Angular** • Linear and angular measurements
17.080 **Angular** • Measurement of time, velocity, acceleration, angular velocity
17.040.01 **Angular** • Linear and angular measurements in general
17.040.99 **Angular** • Other standards related to linear and angular measurements
71.080.50 **Anhydrides** • Anhydrides
65.120 **Animal** • Animal feeding stuffs
67.120 **Animal** • Meat, meat products and other animal produce
07.100.30 **Animal** • Including microbiology of animal feeding stuffs
65.020.30 **Animal** • Animal husbandry and breeding
67.120.01 **Animal** • Animal produce in general
67.120.99 **Animal** • Other animal produce
67.200.10 **Animal** • Animal and vegetable fats and oils
97.180 **Animals** • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
25.220.20 **Anodization** • Including anodization, conversion coating, thermal spraying, etc.
71.100.45 **Antifreezes** • Refrigerants and antifreezes
11.080.20 **Antiseptics** • Disinfectants and antiseptics
13.310 **Anti-theft** • Including security services, security procedures, burglar alarm devices, burglary resisting materials and equipment, bullet resisting materials and equipment, anti-theft devices for vehicles, safes, strong rooms, etc.
97.180 **Aquarium** • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
65.150 **Aquatic** • Including hunting of marine mammals and reptiles, collection and breeding of aquatic molluscs and other marine products, equipment and installations for fishing and fish breeding, etc.
67.120.30 **Aquatic** • Including aquatic molluscs and other marine products
59.100.30 **Aramide** • Aramide materials
91.090 **Arches** • Including fences, gates, arches, sheds, garages, etc.
35.240.20 **Architecture** • Including text processing systems, text communication, text presentation, Office Document Architecture (ODA), etc.
01.140.20 **Archive** • Including documentation, librarianship and archive systems
35.110 **Area** • Including local area networks (LAN), metropolitan area networks (MAN), wide area networks (WAN), etc.
13.340.40 **Arm** • Hand and arm protection

71.080.15	Aromatic • Aromatic hydrocarbons
29.240.10	Arresters • Substations. Surge arresters
13.340.60	Arrestors • Including safety ropes, harnesses and fall arrestors
97.195	Art • Items of art and handicrafts
67.250	Articles • Materials and articles in contact with foodstuffs
97.180	Articles • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
21.080	Articulated • Hinges, eyelets and other articulated joints
91.100.50	Asphalts • Including geomembranes, asphalts for buildings, etc.
93.080.20	Asphalts • Including asphalts, road pavements, etc.
31.190	Assemblies • Electronic component assemblies
23.040.70	Assemblies • Hoses and hose assemblies
23.040.80	Assemblies • Seals for pipe and hose assemblies
29.130.20	Assemblies • Including switchgear and controlgear assemblies
43.040.70	Assemblies • Including towing attachments and fifth wheel assemblies
03.120.20	Assessment • Product and company certification. Conformity assessment
13.020.30	Assessment • Environmental impact assessment
03.120.10	Assurance • Quality management and quality assurance
07.040	Astronomy • Astronomy. Geodesy. Geography
13.040.20	Atmospheres • Ambient atmospheres
13.040.30	Atmospheres • Workplace atmospheres
29.260.20	Atmospheres • Electrical apparatus for explosive atmospheres
43.040.70	Attachments • Including towing attachments and fifth wheel assemblies
33	Audio • Telecommunications. Audio and video engineering
33.160	Audio • Audio, video and audiovisual engineering
35.040	Audio • Including coding of audio, picture, multimedia and hypermedia information, IT security techniques, encryption, bar coding, electronic signatures, etc.
01.040.33	Audio • Telecommunications. Audio and video engineering (Vocabularies)
33.160.01	Audio • Audio, video and audiovisual systems in general
33.160.30	Audio • Audio systems
33.160.99	Audio • Other audio, video and audiovisual equipment
13.140	Audiometry • Including audiometry
33.160	Audiovisual • Audio, video and audiovisual engineering
33.160.01	Audiovisual • Audio, video and audiovisual systems in general
33.160.99	Audiovisual • Other audio, video and audiovisual equipment
03.120.20	Audit • Including laboratory accreditation and audit programmes and auditing
13.020.10	Audit • Including Environmental Management Systems (EMS), certification and audit
03.120.20	Auditing • Including laboratory accreditation and audit programmes and auditing
25.220.40	Autocatalytic • Including electrolytic depositions, cathodic coatings, autocatalytic coatings, etc.
97.120	Automatic • Automatic controls for household use
35.240.30	Automatic • Including Standard Generalized Markup Language (SGML), automatic translation machines, etc.
35.240.40	Automatic • Including automatic banking facilities
25.040	Automation • Industrial automation systems
25.040.01	Automation • Industrial automation systems in general
25.040.99	Automation • Other industrial automation systems
35.240.50	Automation • Including design automation
49.060	Avionics • Including Avionics
67.230	Baby • Including baby food
55.080	Bags • Sacks. Bags
67.060	Baked • Including grains, corn, flours, baked products, etc.
21.120.40	Balancing • Balancing and balancing machines
23.060.20	Ball • Ball and plug valves
59.120.20	Balling • Including machines and equipment for reeling, balling, warping, sizing, beaming, etc. of yarns
59.080.50	Bands • Including strings, straps, bands
03.060	Banking • Finances. Banking. Monetary systems. Insurance
35.240.15	Banking • Including application of cards for banking, trade, telecommunications, transport, etc.
35.240.40	Banking • IT applications in banking
35.040	Bar • Including coding of audio, picture, multimedia and hypermedia information, IT security techniques, encryption, bar coding, electronic signatures, etc.
55.140	Barrels • Barrels. Drums. Canisters
77.140.60	Bars • Steel bars and rods
77.140.75	Bars • Including hollow steel bars and sections for construction
71.060.40	Bases • Bases
97.220.30	Basketball • Including equipment for gymnastics, volleyball, basketball, handball, home sports trainers, etc.
97.130.30	Baskets • Including baskets
91.140.70	Baths • Including bidets, kitchen sinks, baths, waste chutes, etc.
29.220	Batteries • Galvanic cells and batteries
29.220.01	Batteries • Galvanic cells and batteries in general
29.220.10	Batteries • Primary cells and batteries
29.220.20	Batteries • Acid secondary cells and batteries
29.220.30	Batteries • Alkaline secondary cells and batteries
29.220.99	Batteries • Other cells and batteries
97.180	Battery • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
25.160	Beam • Including gas welding, electric welding, plasma welding, electron beam welding, plasma cutting, etc.
59.120.20	Beaming • Including machines and equipment for reeling, balling, warping, sizing, beaming, etc. of yarns
21.100	Bearings • Bearings
21.100.01	Bearings • Bearings in general
21.100.10	Bearings • Plain bearings
21.100.20	Bearings • Rolling bearings
97.160	Bedding • Including duvets, blankets, bedding
11.140	Beds • Including hospital beds, surgical tables, medical garments, medical gloves, containers for sharp disposal, etc.
65.140	Beekeeping • Beekeeping
67.160.10	Beer • Including beer, wine, spirits, etc.
67.160.20	Beer • Including juices, nectars, mineral waters, lemonades, root beer, cola drinks, etc.
13.220.40	Behaviour • Ignitability and burning behaviour of materials and products

13.140	Beings • Noise with respect to human beings
13.160	Beings • Vibration and shock with respect to human beings
91.190	Bells • Including locks, buzzers, bells, bolts, door and window hardware, etc.
21.220.10	Belt • Belt drives and their components
61.040	Belts • Including ties, gloves, scarves, handkerchiefs, belts, braces, buttons, zip-fasteners, umbrellas, etc.
43.040.80	Belts • Including airbags, safety belts, traffic accident issues and safety enhancement matters
53.040.20	Belts • Including conveyor belts, chains, chain wheels, etc.
55.230	Beverages • Including distribution of tickets, food, beverages, tobacco products, etc.
67.160	Beverages • Beverages
67.160.01	Beverages • Beverages in general
67.160.10	Beverages • Alcoholic beverages
67.160.20	Beverages • Non-alcoholic beverages
91.140.70	Bidets • Including bidets, kitchen sinks, baths, waste chutes, etc.
33.040.30	Billing • Including telecommunication call charging and billing aspects
87.060.20	Binders • Binders
91.100.50	Binders • Binders. Sealing materials
37.020	Binoculars • Including microscopes, telescopes, binoculars, optical materials, optical components and optical systems
13.060	Biodegradability • Including toxicity, biodegradability, protection against pollution, related installations and equipment
27.190	Biological • Biological sources and alternative sources of energy
11.100.20	Biological • Biological evaluation of medical devices
13.060.70	Biological • Examination of biological properties of water
13.080.30	Biological • Biological properties of soils
07.080	Biology • Biology. Botany. Zoology
07.080	Biotechnology • Including biotechnology
11.200	Birth • Birth control. Mechanical contraceptives
75.140	Bituminous • Waxes, bituminous materials and other petroleum products
83.040.20	Black • Including carbon black, kaolin clay, etc.
97.030	Blankets • Including water-bed heaters and electric blankets
97.160	Blankets • Including duvets, blankets, bedding
25.220.10	Blasting • Including surface preparation for painting, cleaning, scouring, blasting, etc.
11.180.30	Blind • Aids for blind or partially sighted people
91.060.50	Blinds • Including doorsets, their components, blinds, shutters
43.060.10	Block • Engine block and internal components
11.040.20	Blood • Including blood packs
11.100.30	Blood • Analysis of blood and urine
85.060	Board • Paper and board
29.035.10	Board • Paper and board insulating materials
43.040.15	Board • Car informatics. On board computer systems
31.180	Boards • Printed circuits and boards
79.060.20	Boards • Fibre and particle boards
55.060	Bobbins • Spools. Bobbins
43.040.60	Bodies • Bodies and body components
97.170	Body • Body care equipment
43.040.60	Body • Bodies and body components
27.060	Boilers • Burners. Boilers
27.060.01	Boilers • Burners and boilers in general
27.060.30	Boilers • Boilers and heat exchangers
91.140.10	Boilers • Including burners and boilers for central heating systems
91.190	Bolts • Including locks, buzzers, bells, bolts, door and window hardware, etc.
21.060.10	Bolts • Bolts, screws, studs
49.030.20	Bolts • Bolts, screws, studs
37.100.10	Bookbinding • Including printing, copying and duplicating machines, bookbinding equipment, etc.
13.340.50	Boots • Including safety boots and shoes
25.080.20	Boring • Boring and milling machines
07.080	Botany • Biology. Botany. Zoology
55.100	Bottles • Bottles. Pots. Jars
55.160	Boxes • Cases. Boxes. Crates
61.040	Braces • Including ties, gloves, scarves, handkerchiefs, belts, braces, buttons, zip-fasteners, umbrellas, etc.
11.180.30	Braille • Including Braille
43.040.40	Braking • Braking systems
55.200	Branding • Including labelling, marking, branding, filling, sealing machines, etc.
25.160	Brazing • Welding, brazing and soldering
25.160.01	Brazing • Welding, brazing and soldering in general
25.160.50	Brazing • Brazing and soldering
65.150	Breeding • Fishing and fish breeding
13.060.25	Breeding • Including water for commercial use: for swimming pools, fish breeding, etc.
65.020.30	Breeding • Animal husbandry and breeding
91.100.25	Bricks • Including roofing tiles, bricks, etc.
93.040	Bridge • Bridge construction
53.020.20	Bridge • Including mobile cranes, tower cranes, jib cranes, bridge cranes, etc.
25.080.30	Broaching • Broaching machines
25.100.25	Broaching • Tools for planing and broaching machines
33.170	Broadcasting • Television and radio broadcasting
65.060.80	Brush-saws • Including chain- and brush-saws
91	Building • Construction materials and building
91.190	Building • Building accessories
01.040.91	Building • Construction materials and building (Vocabularies)
13.220.50	Building • Fire-resistance of building materials and elements
81.040.20	Building • Glass in building
91.040.01	Building • Including building environment design
91.100.25	Building • Terracotta building products
91.120.20	Building • Acoustics in building. Sound insulation
91.160.20	Building • Exterior building lighting
65.040	Buildings • Farm buildings, structures and installations
91.040	Buildings • Buildings
91.060	Buildings • Elements of buildings

91.080	Buildings • Structures of buildings
91.120	Buildings • Protection of and in buildings
91.140	Buildings • Installations in buildings
65.040.01	Buildings • Farm buildings and installations in general
65.040.10	Buildings • Livestock buildings, installations and equipment
65.040.20	Buildings • Buildings and installations for processing and storage of agricultural produce
65.040.99	Buildings • Other standards related to farm buildings and installations
91.040.01	Buildings • Buildings in general
91.040.10	Buildings • Public buildings
91.040.20	Buildings • Buildings for commerce and industry
91.040.30	Buildings • Residential buildings
91.040.99	Buildings • Other buildings
91.060.01	Buildings • Elements of buildings in general
91.060.99	Buildings • Other elements of buildings
91.080.01	Buildings • Structures of buildings in general
91.100.50	Buildings • Including geomembranes, asphalts for buildings, etc.
91.120.01	Buildings • Protection of and in buildings in general
91.120.10	Buildings • Thermal insulation of buildings
91.120.99	Buildings • Other standards related to protection of and in buildings
91.140.01	Buildings • Installations in buildings in general
91.140.40	Buildings • Including gas meters in buildings
91.140.50	Buildings • Including electric energy meters in buildings, emergency electrical supplies, etc.
91.140.60	Buildings • Including water meters in buildings
91.140.99	Buildings • Other installations in buildings
13.310	Bullet • Including security services, security procedures, burglar alarm devices, burglary resisting materials and equipment, bullet resisting materials and equipment, anti-theft devices for vehicles, safes, strong rooms, etc.
13.340.70	Buoyancy • Lifejackets, buoyancy aids and flotation devices
13.310	Burglar • Including security services, security procedures, burglar alarm devices, burglary resisting materials and equipment, bullet resisting materials and equipment, anti-theft devices for vehicles, safes, strong rooms, etc.
13.310	Burglary • Including security services, security procedures, burglar alarm devices, burglary resisting materials and equipment, bullet resisting materials and equipment, anti-theft devices for vehicles, safes, strong rooms, etc.
93.025	Buried • Including buried and above ground installations
27.060	Burners • Burners. Boilers
27.060.01	Burners • Burners and boilers in general
27.060.10	Burners • Liquid and solid fuel burners
27.060.20	Burners • Gas fuel burners
91.140.10	Burners • Including burners and boilers for central heating systems
13.220.40	Burning • Ignitability and burning behaviour of materials and products
13.240	Bursting • Including safety valves, bursting disc devices, etc.
29.060.10	Busbars • Including electric rods, busbars, etc.
43.080.20	Buses • Buses
21.060.60	Bushes • Rings, bushes, sleeves, collars
29.080.20	Bushings • Bushings
67.100.20	Butter • Butter
61.040	Buttons • Including ties, gloves, scarves, handkerchiefs, belts, braces, buttons, zip-fasteners, umbrellas, etc.
91.190	Buzzers • Including locks, buzzers, bells, bolts, door and window hardware, etc.
49.095	Cabin • Passenger and cabin equipment
97.130.20	Cabinets • Including refrigerated display cabinets, cold rooms, etc.
21.220.20	Cable • Cable or rope drives and their components
33.040.20	Cable • Including synchronization, cable systems, integrated cabling, pathways and multiplexing
33.060.40	Cabled • Cabled distribution systems
29.060	Cables • Electrical wires and cables
29.060.01	Cables • Electrical wires and cables in general
29.060.20	Cables • Cables
33.120.10	Cables • Coaxial cables. Waveguides
33.120.20	Cables • Wires and symmetrical cables
33.180.10	Cables • Fibres and cables
45.100	Cableway • Cableway equipment
45.120	Cableway • Equipment for railway/cableway construction and maintenance
93.100	Cableways • Including the construction of tramways, funicular railways, cableways, rail traffic control equipment and installations, etc.
33.040.20	Cabling • Including synchronization, cable systems, integrated cabling, pathways and multiplexing
35.240.10	CAD • Computer-aided design (CAD)
77.120.70	Cadmium • Cadmium, cobalt and their alloys
77.150.70	Cadmium • Cadmium and cobalt products
91.080	Calculation • Including design, loading on and calculation of structures
35.160	Calculators • Including PCs, calculators, etc.
33.040.30	Call • Including telecommunication call charging and billing aspects
17.200.10	Calorimetry • Heat. Calorimetry
33.160.40	Cameras • Including video tape recorders, cameras, cassettes, laser disks, etc.
97.200.30	Camping • Camping equipment and camp-sites
97.200.30	Camp-sites • Camping equipment and camp-sites
55.140	Canisters • Barrels. Drums. Canisters
67.080	Canned • Including canned, dried and quick-frozen fruits and vegetables
55.120	Cans • Cans. Tins. Tubes
55.140	Cans • Containers mainly for transportation of fluids, including also casks, pails, large tin cans for shipping materials, etc.
31.060	Capacitors • Capacitors
29.240.99	Capacitors • Including capacitors for power networks
31.060.01	Capacitors • Capacitors in general
31.060.10	Capacitors • Fixed capacitors
31.060.20	Capacitors • Ceramic and mica capacitors
31.060.30	Capacitors • Paper and plastics capacitors
31.060.40	Capacitors • Tantalum electrolytic capacitors
31.060.50	Capacitors • Aluminium electrolytic capacitors
31.060.60	Capacitors • Variable capacitors
31.060.70	Capacitors • Power capacitors
31.060.99	Capacitors • Other capacitors

29.140.10	Caps • Lamp caps and holders
43.040.15	Car • Car informatics. On board computer systems
43.100	Caravans • Passenger cars. Caravans and light trailers
59.100.20	Carbon • Carbon materials
83.040.20	Carbon • Including carbon black, kaolin clay, etc.
13.030.30	Carcasses • Including radioactive wastes, hospital wastes, carcasses, and other hazardous wastes
43.040.50	Cardan • Including clutches, gearboxes, power-steering systems, cardan shafts, differentials, wheels, rims, etc.
85.080.30	Cardboard • Cardboard
35.220.10	Cards • Paper cards and tapes
35.240.15	Cards • Identification cards and related devices
11	Care • Health care technology
11.020	Care • Medical sciences and health care facilities in general
97.170	Care • Body care equipment
01.040.11	Care • Health care technology (Vocabularies)
35.240.80	Care • IT applications in health care technology
65.060.40	Care • Plant care equipment
49.120	Cargo • Cargo equipment
47.020.40	Cargo • Lifting and cargo handling equipment
47.020.85	Cargo • Cargo spaces
59.080.60	Carpets • Including carpets, rugs, floor mats, etc.
43.040.60	Carriers • Including vehicle frame and structure, heating devices, air-conditioning systems for passenger/driver compartments, roof load carriers, etc.
43.100	Cars • Passenger cars. Caravans and light trailers
35.220.21	Cartridges • Including flexible disks, diskettes, disk packs, disk cartridges, etc.
35.220.23	Cartridges • Cassettes and cartridges for magnetic tapes
37.040.20	Cartridges • Photographic paper, films and plates. Cartridges
37.060.20	Cartridges • Motion picture films. Cartridges
55.160	Cases • Cases. Boxes. Crates
55.140	Casks • Containers mainly for transportation of fluids, including also casks, pails, large tin cans for shipping materials, etc.
33.160.30	Cassettes • Including tape recorders, records, magnetic tapes, cassettes, CDs, etc.
33.160.40	Cassettes • Including video tape recorders, cameras, cassettes, laser disks, etc.
35.220.23	Cassettes • Cassettes and cartridges for magnetic tapes
77.140.80	Castings • Iron and steel castings
01.120	Catalogues • Including rules for the preparation of standards catalogues and management of technical documents
67.250	Catering • Including catering containers, and materials and articles in contact with drinking water
11.040.25	Catheters • Syringes, needles and catheters
25.220.40	Cathodic • Including electrolytic depositions, cathodic coatings, autocatalytic coatings, etc.
35.220.30	CD • Including CD and magneto-optical devices (MO)
33.160.30	CDs • Including tape recorders, records, magnetic tapes, cassettes, CDs, etc.
91.060.30	Ceilings • Ceilings. Floors. Stairs
27.070	Cells • Fuel cells
29.220	Cells • Galvanic cells and batteries
31.260	Cells • Including photoelectric tubes and cells
29.220.01	Cells • Galvanic cells and batteries in general
29.220.10	Cells • Primary cells and batteries
29.220.20	Cells • Acid secondary cells and batteries
29.220.30	Cells • Alkaline secondary cells and batteries
29.220.99	Cells • Other cells and batteries
83.100	Cellular • Cellular materials
91.100.10	Cement • Cement. Gypsum. Lime. Mortar
91.100.40	Cement • Products in fibre-reinforced cement
91.140.10	Central • Central heating systems
25.040.10	Centres • Machining centres
81.080	Ceramic • Including ceramic refractories
29.035.30	Ceramic • Glass and ceramic insulating materials
31.060.20	Ceramic • Ceramic and mica capacitors
81.060.20	Ceramic • Ceramic products
91.100.23	Ceramic • Ceramic tiles
81	Ceramics • Glass and ceramics industries
81.020	Ceramics • Processes in the glass and ceramics industries
81.060	Ceramics • Ceramics
81.100	Ceramics • Equipment for the glass and ceramics industries
01.040.81	Ceramics • Glass and ceramics industries (Vocabularies)
81.060.01	Ceramics • Ceramics in general
81.060.30	Ceramics • Advanced ceramics
81.060.99	Ceramics • Other standards related to ceramics
67.060	Cereals • Cereals, pulses and derived products
03.100.30	Certification • Including staff training, staff responsibilities, staff qualifications and certification
03.120.20	Certification • Product and company certification. Conformity assessment
13.020.10	Certification • Including Environmental Management Systems (EMS), certification and audit
21.220.30	Chain • Chain drives and their components
53.040.20	Chain • Including conveyor belts, chains, chain wheels, etc.
65.060.80	Chain • Including chain- and brush-saws
53.020.30	Chains • Including lifting hooks, shackles, link chains, wire ropes, etc.
53.040.20	Chains • Including conveyor belts, chains, chain wheels, etc.
77.140.65	Chains • Steel wire, wire ropes and link chains
17.120.20	Channels • Flow in open channels
01.075	Character • Character symbols
35.040	Character • Character sets and information coding
97.180	Chargers • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
33.040.30	Charging • Including telecommunication call charging and billing aspects
43.060.20	Charging • Pressure charging and air/exhaust gas ducting systems
01.080.40	Charts • Graphical symbols for use on electrical and electronics engineering drawings, diagrams, charts and in relevant technical product documentation
01.100.25	Charts • Including electrical tables, diagrams and charts

23.060.50	Check • Check valves
67.100.30	Cheese • Cheese
71.060	Chemicals • Inorganic chemicals
71.080	Chemicals • Organic chemicals
37.040.30	Chemicals • Photographic chemicals
71.060.01	Chemicals • Inorganic chemicals in general
71.060.99	Chemicals • Other inorganic chemicals
71.080.01	Chemicals • Organic chemicals in general
71.080.99	Chemicals • Other organic chemicals
71.100.35	Chemicals • Chemicals for industrial and domestic disinfection purposes
71.100.50	Chemicals • Wood-protecting chemicals
71.100.80	Chemicals • Chemicals for purification of water
07.030	Chemistry • Physics. Chemistry
71.040	Chemistry • Analytical chemistry
71.040.01	Chemistry • Analytical chemistry in general
71.040.99	Chemistry • Other standards related to analytical chemistry
97.190	Child • Including child safety requirements for other household equipment
97.190	Children • Equipment for children
91.060.40	Chimneys • Chimneys, shafts, ducts
25.120	Chipless • Chipless working equipment
25.120.01	Chipless • Chipless working equipment in general
25.120.99	Chipless • Other chipless working equipment
31.200	Chips • Including electronic chips, logical and analogue microstructures
67.190	Chocolate • Chocolate
71.040.50	Chromatographic • Including spectrophotometric and chromatographic analysis
73.060.30	Chromium • Chromium ores
77.120.40	Chromium • Nickel, chromium and their alloys
77.150.40	Chromium • Nickel and chromium products
91.140.70	Chutes • Including bidets, kitchen sinks, baths, waste chutes, etc.
37.060	Cinematography • Cinematography
37.060.01	Cinematography • Cinematography in general
37.060.99	Cinematography • Other standards related to cinematography
31.180	Circuits • Printed circuits and boards
31.200	Circuits • Integrated circuits. Microelectronics
33.040.50	Circuits • Lines, connections and circuits
93	Civil • Civil engineering
93.010	Civil • Civil engineering in general
01.040.93	Civil • Civil engineering (Vocabularies)
01.100.30	Civil • Including civil engineering drawings
25.160.10	Cladding • Including thermal cutting and cladding
21.060.70	Clamps • Clamps and staples
77.080	Classification • Including classification, designation, sampling, chemical analysis, etc.
77.100	Classification • Including classification, designation, sampling, chemical analysis, etc.
77.120	Classification • Including classification, designation, sampling, chemical analysis, etc.
83.040.20	Clay • Including carbon black, kaolin clay, etc.
91.100.15	Clay • Including earth, sands, clay, slates, stones, etc.
97.080	Cleaners • Including vacuum cleaners, floor-cleaning machines, floor polishers, steam cleaners, pressure cleaners, hand operated cleaners, etc.
97.080	Cleaning • Cleaning appliances
03.080.10	Cleaning • Including maintenance, cleaning, etc.
03.080.30	Cleaning • Including hotels, restaurants, washing, cleaning, removals, funerals, etc.
11.040.70	Cleaning • Including ophthalmic implants, glasses, contact lenses and their cleaning products
13.030.40	Cleaning • Including street cleaning equipment, waste containers, incineration and compaction equipment, equipment for dumping of refuse, landfill sites, etc.
25.220.10	Cleaning • Including surface preparation for painting, cleaning, scouring, blasting, etc.
43.040.65	Cleaning • Including cleaning, defrosting and demisting devices, mirrors, etc.
13.040.35	Cleanrooms • Cleanrooms and associated controlled environments
97.180	Clips • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
39.040.20	Clocks • Clocks
17.120.10	Closed • Flow in closed conduits
55.100	Closures • Small containers for liquids and their closures
61.020	Clothes • Clothes
61	Clothing • Clothing industry
61.020	Clothing • Including underwear, nightwear, knitwear, military clothing, hosiery, etc. and their labelling and size coding schemes
61.040	Clothing • Headgear. Clothing accessories. Fastening of clothing
61.080	Clothing • Sewing machines and other equipment for the clothing industry
01.040.61	Clothing • Clothing industry (Vocabularies)
13.340.10	Clothing • Protective clothing
43.040.50	Clutches • Including clutches, gearboxes, power-steering systems, cardan shafts, differentials, wheels, rims, etc.
75.160.10	Coal • Including coal products, coke, peat, wood, derivatives of coal pyrolysis, etc.
73.040	Coals • Coals
49.025.60	Coated • Including textile glass and coated fabrics
59.080.40	Coated • Coated fabrics
25.220	Coating • Surface treatment and coating
87.020	Coating • Paint coating processes
87.040	Coating • Including coating powders, paint coatings and protective paint systems
87.100	Coating • Paint coating equipment
25.220.01	Coating • Surface treatment and coating in general
25.220.20	Coating • Including anodization, conversion coating, thermal spraying, etc.
49.040	Coatings • Coatings and related processes used in aerospace industry
87.040	Coatings • Including coating powders, paint coatings and protective paint systems
25.220.40	Coatings • Metallic coatings
25.220.60	Coatings • Organic coatings
25.220.99	Coatings • Other treatments and coatings
33.120.10	Coaxial • Coaxial cables. Waveguides

77.120.70	Cobalt • Cadmium, cobalt and their alloys
77.150.70	Cobalt • Cadmium and cobalt products
67.140	Cocoa • Tea. Coffee. Cocoa
67.140.30	Cocoa • Cocoa
01.070	Coding • Colour coding
35.040	Coding • Character sets and information coding
61.020	Coding • Including underwear, nightwear, knitwear, military clothing, hosiery, etc. and their labelling and size coding schemes
67.140	Coffee • Tea. Coffee. Cocoa
67.140.20	Coffee • Coffee and coffee substitutes
75.160.10	Coke • Including coal products, coke, peat, wood, derivatives of coal pyrolysis, etc.
67.160.20	Cola • Including juices, nectars, mineral waters, lemonades, root beer, cola drinks, etc.
97.130.20	Cold • Including refrigerated display cabinets, cold rooms, etc.
21.060.60	Collars • Rings, bushes, sleeves, collars
43.160	Collection • Including waste collection vehicles and components and systems for special purpose vehicles
65.150	Collection • Including hunting of marine mammals and reptiles, collection and breeding of aquatic molluscs and other marine products, equipment and installations for fishing and fish breeding, etc.
87	Colour • Paint and colour industries
01.070	Colour • Colour coding
01.040.87	Colour • Paint and colour industries (Vocabularies)
59.080.01	Colour • Including colour fastness of textiles
17.180.20	Colours • Colours and measurement of light
71.120.20	Columns • Columns
27.020	Combustion • Internal combustion engines
43.060	Combustion • Internal combustion engines for road vehicles
43.060.01	Combustion • Internal combustion engines for road vehicles in general
43.060.99	Combustion • Other components and systems of internal combustion engines
01.140.30	Commerce • Documents in administration, commerce and industry
91.040.20	Commerce • Buildings for commerce and industry
97	Commercial • Domestic and commercial equipment. Entertainment. Sports
43.080	Commercial • Commercial vehicles
97.100	Commercial • Domestic, commercial and industrial heating appliances
97.180	Commercial • Miscellaneous domestic and commercial equipment
01.040.97	Commercial • Domestic and commercial equipment. Entertainment. Sports (Vocabularies)
03.100.20	Commercial • Trade. Commercial function. Marketing
13.060.25	Commercial • Including water for commercial use: for swimming pools, fish breeding, etc.
43.080.01	Commercial • Commercial vehicles in general
43.080.99	Commercial • Other commercial vehicles
97.130.20	Commercial • Commercial refrigerating appliances
33.040.40	Communication • Data communication networks
33.070.50	Communication • Global System for Mobile Communication (GSM)
35.240.20	Communication • Including text processing systems, text communication, text presentation, Office Document Architecture (ODA), etc.
33.180	Communications • Fibre optic communications
33.060.30	Communications • Radio relay and fixed satellite communications systems
13.030.40	Compaction • Including street cleaning equipment, waste containers, incineration and compaction equipment, equipment for dumping of refuse, landfill sites, etc.
03.080.20	Companies • Services for companies
03	Company • Services. Company organization, management and quality. Administration. Transport. Sociology
03.100	Company • Company organization and management
01.040.03	Company • Services. Company organization, management and quality. Administration. Transport. Sociology. (Vocabularies)
03.100.01	Company • Company organization and management in general
03.100.99	Company • Other standards related to company organization and management
03.120.20	Company • Product and company certification. Conformity assessment
43.040.60	Compartments • Including vehicle frame and structure, heating devices, air-conditioning systems for passenger/driver compartments, roof load carriers, etc.
43.080.10	Compartments • Including tanker trucks and loading compartments
33.100	Compatibility • Electromagnetic compatibility (EMC)
33.100.01	Compatibility • Electromagnetic compatibility in general
59.100	Composites • Materials for the reinforcement of composites
59.100.01	Composites • Materials for the reinforcement of composites in general
59.100.99	Composites • Other materials for the reinforcement of composites
83.040.20	Compounding • Rubber compounding ingredients
71.080.30	Compounds • Organic nitrogen compounds
71.100.20	Compressed • Including compressed air and hydrogen
11.120.20	Compresses • Wound dressings and compresses
23.140	Compressors • Compressors and pneumatic machines
35.140	Computer • Computer graphics
35.240.80	Computer • Including computer tomography
43.040.15	Computer • Car informatics. On board computer systems
35.240.10	Computer-aided • Computer-aided design (CAD)
73.060	Concentrates • Metalliferous minerals and their concentrates
67.080.20	Concentrates • Including tomato concentrates, ketchup, etc.
73.120	Concentration • Including equipment for milling, sizing, separation, flotation, concentration, etc.
91.220	Concrete • Including scaffolding, mixers for concrete and mortar, etc.
77.140.15	Concrete • Steels for reinforcement of concrete
91.080.40	Concrete • Concrete structures
91.100.30	Concrete • Concrete and concrete products
67.100.10	Condensed • Including dried milk, condensed milk and evaporated milk
67.220	Condiments • Spices and condiments. Food additives
67.220.10	Condiments • Spices and condiments
65.080	Conditioners • Including soil conditioners and culture medium
47.020.90	Conditioning • Marine ventilation, air conditioning and heating systems
19.020	Conditions • Test conditions and procedures in general
29.260	Conditions • Electrical equipment for working in special conditions
29.260.01	Conditions • Electrical equipment for working in special conditions in general
29.260.99	Conditions • Other electrical equipment for working in special conditions

29.050	Conducting • Superconductivity and conducting materials
17.120.10	Conduits • Flow in closed conduits
29.120.10	Conduits • Conduits for electrical purposes
67.180.10	Confectionary • Including molasses, sweets, sugar confectionary, honey, etc.
67.100.40	Confectionery • Ice cream and ice confectionery
03.120.20	Conformity • Product and company certification. Conformity assessment
29.120.20	Connecting • Connecting devices
33.040.50	Connections • Lines, connections and circuits
31.220.10	Connectors • Plug-and-socket devices. Connectors
33.120.30	Connectors • RF connectors
13.020.40	Conservation • Pollution, pollution control and conservation
91	Construction • Construction materials and building
45.120	Construction • Equipment for railway/cableway construction and maintenance
49.025	Construction • Materials for aerospace construction
49.030	Construction • Fasteners for aerospace construction
49.035	Construction • Components for aerospace construction
73.020	Construction • Including exploration, opening-up, development, working of mineral deposits, drilling, construction of mines, mining operations, processing of minerals, etc.
91.010	Construction • Construction industry
91.100	Construction • Construction materials
91.200	Construction • Construction technology
91.220	Construction • Construction equipment
93.020	Construction • Earthworks. Excavations. Foundation construction. Underground works
93.040	Construction • Bridge construction
93.060	Construction • Tunnel construction
93.100	Construction • Construction of railways
93.110	Construction • Construction of ropeway
93.120	Construction • Construction of airports
93.140	Construction • Construction of waterways, ports and dykes
93.160	Construction • Hydraulic construction
01.040.91	Construction • Construction materials and building (Vocabularies)
01.080.30	Construction • Graphical symbols for use on mechanical engineering and construction drawings, diagrams, plans, maps and in relevant technical product documentation
01.100.30	Construction • Construction drawings
49.025.01	Construction • Materials for aerospace construction in general
77.140.75	Construction • Including hollow steel bars and sections for construction
91.010.01	Construction • Construction industry in general
91.100.01	Construction • Construction materials in general
91.100.99	Construction • Other construction materials
93.080.10	Construction • Road construction
93.080.20	Construction • Road construction materials
25.160.20	Consumables • Welding consumables
97.020	Consumer • Including consumer information
03.080.30	Consumers • Services for consumers
67.250	Contact • Materials and articles in contact with foodstuffs
11.040.70	Contact • Including ophthalmic implants, glasses, contact lenses and their cleaning products
11.140	Containers • Including hospital beds, surgical tables, medical garments, medical gloves, containers for sharp disposal, etc.
55.100	Containers • Small containers for liquids and their closures
55.120	Containers • Light gauge metal and plastics containers
55.130	Containers • Aerosol containers
55.140	Containers • Containers mainly for transportation of fluids, including also casks, pails, large tin cans for shipping materials, etc.
55.160	Containers • Containers for solid goods or objects and bulk materials
67.250	Containers • Including catering containers, and materials and articles in contact with drinking water
13.030.40	Containers • Including street cleaning equipment, waste containers, incineration and compaction equipment, equipment for dumping of refuse, landfill sites, etc.
23.020.10	Containers • Stationary containers and tanks
23.020.20	Containers • Vessels and containers mounted on vehicles
55.180.10	Containers • General purpose containers
55.180.30	Containers • Air mode containers, pallets and nets
55.180.99	Containers • Including intermediate bulk containers
23.100.60	Contamination • Filters, seals and contamination of fluids
53.040	Continuous • Continuous handling equipment
53.040.01	Continuous • Continuous handling equipment in general
53.040.99	Continuous • Other continuous handling equipment
11.200	Contraceptives • Birth control. Mechanical contraceptives
91.010.20	Contractual • Contractual aspects
11.200	Control • Birth control. Mechanical contraceptives
13.200	Control • Accident and disaster control
33.200	Control • Including Supervising, Control and Data Acquisition System (SCADA)
71.020	Control • Including plant layout and services, process design and control, processing operations, security measures, etc.
93.100	Control • Including the construction of tramways, funicular railways, cableways, rail traffic control equipment and installations, etc.
93.120	Control • Including air transport control equipment and installations
93.140	Control • Including river embankments, water transport control equipment and installations, etc.
11.100.30	Control • Including doping control
13.020.40	Control • Pollution, pollution control and conservation
23.100.50	Control • Control components
25.040.40	Control • Industrial process measurement and control
29.240.30	Control • Control equipment for electric power systems
43.040.30	Control • Indicating and control devices
43.060.50	Control • Electrical and electronic equipment. Control systems
47.020.70	Control • Navigation and control equipment
93.080.30	Control • Including road traffic warning and control systems, devices and installations (speed controls, traffic signal installations, vehicle loop detectors, pavement markers, manholes, etc.)
29.130	Controlgear • Switchgear and controlgear
29.130.01	Controlgear • Switchgear and controlgear in general
29.130.10	Controlgear • High voltage switchgear and controlgear

29.130.20	Controlgear • Low voltage switchgear and controlgear
29.130.99	Controlgear • Other switchgear and controlgear
13.040.35	Controlled • Cleanrooms and associated controlled environments
25.040.20	Controlled • Numerically controlled machines
97.120	Controls • Automatic controls for household use
93.080.30	Controls • Including road traffic warning and control systems, devices and installations (speed controls, traffic signal installations, vehicle loop detectors, pavement markers, manholes, etc.)
25.220.20	Conversion • Including anodization, conversion coating, thermal spraying, etc.
29.200	Converters • Rectifiers. Converters. Stabilized power supply
93.025	Conveyance • External water conveyance systems
53.040.20	Conveyor • Including conveyor belts, chains, chain wheels, etc.
53.040.10	Conveyors • Conveyors
53.040.20	Conveyors • Components for conveyors
97.040.20	Cooking • Cooking ranges, working tables, ovens and similar appliances
97.040.60	Cookware • Cookware, cutlery and flatware
43.060.30	Cooling • Cooling systems. Lubricating systems
01.020	Coordination • Terminology (principles and coordination)
91.010.30	Coordination • Including tolerances, modular coordination, etc.
77.120.30	Copper • Copper and copper alloys
77.150.30	Copper • Copper products
37.100.10	Copying • Including printing, copying and duplicating machines, bookbinding equipment, etc.
33.070.30	Cordless • Digital Enhanced Cordless Telecommunications (DECT)
55.040	Cords • Including wrappers, paper, films, foils, cords, sealing devices, cushioning, etc.
79.100	Cork • Cork and cork products
67.060	Corn • Including grains, corn, flours, baked products, etc.
37.100.01	Corrections • Including proof corrections
75.100	Corrosion • Including mineral oils, fluids for metal working and for temporary protection against corrosion
77.060	Corrosion • Corrosion of metals
77.140.20	Corrosion-resistant • Including alloyed steels, corrosion-resistant steels, heat-resisting steels, etc.
71.100.70	Cosmetics • Cosmetics. Toiletries
67.100.30	Cottage • Including cottage cheese, whey cheese
25.100.30	Countersinks • Drills, countersinks, reamers
29.120.30	Couplers • Plugs, socket -outlets, couplers
21.120	Couplings • Shafts and couplings
21.120.01	Couplings • Shafts and couplings in general
21.120.20	Couplings • Couplings
21.120.99	Couplings • Other standards related to shafts and couplings
23.040.60	Couplings • Flanges, couplings and joints
23.100.40	Couplings • Piping and couplings
43.040.70	Couplings • Couplings
97.150	Coverings • Non-textile floor coverings
59.080.60	Coverings • Textile floor coverings
47.080	Craft • Small craft
53.020.20	Cranes • Cranes
21.240	Crankshafts • Including pistons, piston-rings, crankshafts, etc. for general engineering
43.040.80	Crash • Crash protection and restraint systems
55.160	Crates • Cases. Boxes. Crates
67.100.40	Cream • Ice cream and ice confectionery
97.195	Creating • Including equipment and materials for creating items of art and handicrafts
13.310	Crime • Protection against crime
53.120	Crowbars • Including shovels, spades, crowbars, picks, etc.
75.040	Crude • Crude petroleum
23.020.40	Cryogenic • Cryogenic vessels
31.120	Crystal • Including liquid crystal displays
65.060.70	Cultivation • Including lawnmowers, equipment for olive cultivation and olive production
65.080	Culture • Including soil conditioners and culture medium
55.040	Cushioning • Including wrappers, paper, films, foils, cords, sealing devices, cushioning, etc.
97.040.60	Cutlery • Cookware, cutlery and flatware
25.100	Cutting • Cutting tools
25.160	Cutting • Including gas welding, electric welding, plasma welding, electron beam welding, plasma cutting, etc.
25.100.01	Cutting • Cutting tools in general
25.100.99	Cutting • Other cutting tools
25.160.10	Cutting • Including thermal cutting and cladding
25.160.30	Cutting • Including thermal cutting equipment
83.160.10	Cycle • Including cycle tyres, and tyre retreading and repair processes
43.150	Cycles • Cycles
23.020.30	Cylinders • Gas pressure vessels, gas cylinders
23.100.20	Cylinders • Cylinders
13.300	Dangerous • Protection against dangerous goods
33.200	Data • Including Supervising, Control and Data Acquisition System (SCADA)
35.220	Data • Data storage devices
49.140	Data • Including space data and information transfer systems, and ground support equipment for launch site operations
33.040.40	Data • Data communication networks
35.100.20	Data • Data link layer
35.220.01	Data • Data storage devices in general
35.220.99	Data • Other data storage devices
11.180.15	Deaf • Aids for deaf and hearing impaired people
47.020.50	Deck • Deck equipment and installations
33.070.30	DECT • Digital Enhanced Cordless Telecommunications (DECT)
43.040.65	Defrosting • Including cleaning, defrosting and demisting devices, mirrors, etc.
13.080.01	Degradation • Including pollution, erosion, degradation, etc.
43.040.65	Demisting • Including cleaning, defrosting and demisting devices, mirrors, etc.
03.020	Demography • Sociology. Demography
91.200	Demolition • Including measuring methods, construction sites, demolition of structures, etc.
17.060	Density • Measurement of volume, mass, density, viscosity
11.060.10	Dental • Dental materials

11.060.15	Dental • Dental implants
11.060.20	Dental • Dental equipment
11.060.25	Dental • Dental instruments
37.040.25	Dental • Including dental, medical and industrial radiographic films
11.060	Dentistry • Dentistry
11.060.01	Dentistry • Dentistry in general
11.060.15	Dentures • Including dentures
21.020	Dependability • Including reliability, dependability, maintainability, durability, etc.
25.220.40	Depositions • Including electrolytic depositions, cathodic coatings, autocatalytic coatings, etc.
73.020	Deposits • Including exploration, opening-up, development, working of mineral deposits, drilling, construction of mines, mining operations, processing of minerals, etc.
75.160.10	Derivatives • Including coal products, coke, peat, wood, derivatives of coal pyrolysis, etc.
21.020	Design • Characteristics and design of machines, apparatus, equipment
71.020	Design • Including plant layout and services, process design and control, processing operations, security measures, etc.
91.080	Design • Including design, loading on and calculation of structures
35.240.10	Design • Computer-aided design (CAD)
35.240.50	Design • Including design automation
91.040.01	Design • Including building environment design
19.100	Detectors • Including testing equipment: industrial apparatus for Xray and gamma radiography, penetrant flaw detectors, etc.
93.080.30	Detectors • Including road traffic warning and control systems, devices and installations (speed controls, traffic signal installations, vehicle loop detectors, pavement markers, manholes, etc.)
17.120.20	Determinations • Including hydrometric determinations
35.080	Development • Including software development, documentation, internet applications and use
73.020	Development • Including exploration, opening-up, development, working of mineral deposits, drilling, construction of mines, mining operations, processing of minerals, etc.
03.100.40	Development • Research and development
13.020.20	Development • Including sustainable development
43.180	Diagnostic • Diagnostic, maintenance and test equipment
11.040.50	Diagnostic • Including radiographic diagnostic and therapy equipment
11.040.55	Diagnostic • Diagnostic equipment
11.100.10	Diagnostic • In vitro diagnostic test systems
01.080.30	Diagrams • Graphical symbols for use on mechanical engineering and construction drawings, diagrams, plans, maps and in relevant technical product documentation
01.080.40	Diagrams • Graphical symbols for use on electrical and electronics engineering drawings, diagrams, charts and in relevant technical product documentation
01.100.25	Diagrams • Including electrical tables, diagrams and charts
25.100	Diamonds • Including industrial diamonds
35.260	Dictation • Including typewriters, dictation equipment, addressing machines, letter opening machines, letter folding machines, postal franking machines, their ribbons and other accessories, etc.
25.100.50	Dies • Taps and threading dies
75.160.20	Diesel • Including gasoline, diesel, kerosene, etc.
43.040.50	Differentials • Including clutches, gearboxes, power-steering systems, cardan shafts, differentials, wheels, rims, etc.
33.080	Digital • Integrated Services Digital Network (ISDN)
33.070.30	Digital • Digital Enhanced Cordless Telecommunications (DECT)
35.240.70	Digital • Including digital geographic information
31.080.10	Diodes • Diodes
71.060.20	Dioxides • Including dioxides, peroxides, etc.
11.180	Disabled • Aids for disabled or handicapped persons
11.180.01	Disabled • Aids for disabled and handicapped persons in general
11.180.99	Disabled • Other standards related to aids for disabled and handicapped people
13.200	Disaster • Accident and disaster control
13.240	Disc • Including safety valves, bursting disc devices, etc.
29.140.30	Discharge • Fluorescent lamps. Discharge lamps
65.020.20	Diseases • Including horticulture, floriculture, seeds, plant diseases
97.040.40	Dishwashers • Dishwashers
11.080.20	Disinfectants • Disinfectants and antiseptics
11.080	Disinfection • Sterilization and disinfection
11.080.01	Disinfection • Sterilization and disinfection in general
11.080.99	Disinfection • Other standards related to sterilization and disinfection
71.100.35	Disinfection • Chemicals for industrial and domestic disinfection purposes
35.220.21	Disk • Including flexible disks, diskettes, disk packs, disk cartridges, etc.
35.220.21	Diskettes • Including flexible disks, diskettes, disk packs, disk cartridges, etc.
33.160.40	Disks • Including video tape recorders, cameras, cassettes, laser disks, etc.
35.220.21	Disks • Magnetic disks
75.200	Dispensing • Including petroleum and natural gas storage devices, distribution systems, pipelines, petrol stations, dispensing devices, etc.
31.120	Display • Electronic display devices
97.130.20	Display • Including refrigerated display cabinets, cold rooms, etc.
31.120	Displays • Including liquid crystal displays
11.140	Disposal • Including hospital beds, surgical tables, medical garments, medical gloves, containers for sharp disposal, etc.
13.030.40	Disposal • Installations and equipment for waste disposal and treatment
13.060.30	Disposal • Including sewage water disposal and treatment
97.040.50	Disposal • Including food waste disposal units
55	Distribution • Packaging and distribution of goods
29.240	Distribution • Power transmission and distribution networks
55.020	Distribution • Packaging and distribution of goods in general
55.180	Distribution • Freight distribution of goods
55.230	Distribution • Distribution and vending machines
75.200	Distribution • Including petroleum and natural gas storage devices, distribution systems, pipelines, petrol stations, dispensing devices, etc.
01.040.55	Distribution • Packaging and distribution of goods (Vocabularies)
29.240.01	Distribution • Power transmission and distribution networks in general
29.240.20	Distribution • Power transmission and distribution lines
29.240.99	Distribution • Other equipment related to power transmission and distribution networks
33.060.40	Distribution • Cabled distribution systems
55.180.01	Distribution • Freight distribution of goods in general

55.180.99	Distribution • Other standards related to freight distribution of goods
65.060.25	Distribution • Equipment for storage, preparation and distribution of fertilizers
25.060.20	Dividing • Dividing and tool-workpiece holding devices
97.220.40	Diving • Including equipment for mountaineering, football, tennis, swimming, diving, etc.
37.080	Document • Document imaging applications
35.240.20	Document • Including text processing systems, text communication, text presentation, Office Document Architecture (ODA), etc.
01	Documentation • Generalities. Terminology. Standardization. Documentation
01.110	Documentation • Technical product documentation
29.020	Documentation • Including voltages, general electrical terminology, electrical documentation, electrical tables, safety, fire hazard testing, etc.
35.080	Documentation • Including software development, documentation, internet applications and use
01.040.01	Documentation • Generalities. Terminology. Standardization. Documentation (Vocabularies)
01.080.30	Documentation • Graphical symbols for use on mechanical engineering and construction drawings, diagrams, plans, maps and in relevant technical product documentation
01.080.40	Documentation • Graphical symbols for use on electrical and electronics engineering drawings, diagrams, charts and in relevant technical product documentation
01.080.50	Documentation • Graphical symbols for use on information technology and telecommunications technical drawings and in relevant technical product documentation
01.140.20	Documentation • Including documentation, librarianship and archive systems
35.240.30	Documentation • IT applications in information, documentation and publishing
01.120	Documents • Including rules for the preparation of standards catalogues and management of technical documents
01.140.30	Documents • Documents in administration, commerce and industry
59.140.35	Dog-collars • Including trunks, suitcases, handbags, purses, wallets, dog-collars, etc. made of materials other than leather
97	Domestic • Domestic and commercial equipment. Entertainment. Sports
13.120	Domestic • Domestic safety
97.030	Domestic • Domestic electrical appliances in general
97.100	Domestic • Domestic, commercial and industrial heating appliances
97.180	Domestic • Miscellaneous domestic and commercial equipment
01.040.97	Domestic • Domestic and commercial equipment. Entertainment. Sports (Vocabularies)
71.100.35	Domestic • Chemicals for industrial and domestic disinfection purposes
97.040.30	Domestic • Domestic refrigerating appliances
91.190	Door • Including locks, buzzers, bells, bolts, door and window hardware, etc.
91.060.50	Doors • Doors and windows
91.060.50	Doorsets • Including doorsets, their components, blinds, shutters
11.100.30	Doping • Including doping control
17.240	Dosimetry • Including dosimetry
59.040	Down • Including feathers and down
65.060.35	Drainage • Irrigation and drainage equipment
91.140.80	Drainage • Drainage systems
01.100.40	Drawing • Drawing equipment
25.120.20	Drawing • Rolling, extruding and drawing equipment
01.100	Drawings • Technical drawings
01.080.30	Drawings • Graphical symbols for use on mechanical engineering and construction drawings, diagrams, plans, maps and in relevant technical product documentation
01.080.40	Drawings • Graphical symbols for use on electrical and electronics engineering drawings, diagrams, charts and in relevant technical product documentation
01.080.50	Drawings • Graphical symbols for use on information technology and telecommunications technical drawings and in relevant technical product documentation
01.100.01	Drawings • Technical drawings in general
01.100.20	Drawings • Mechanical engineering drawings
01.100.25	Drawings • Electrical and electronics engineering drawings
01.100.27	Drawings • Technical drawings for telecommunications and information technology fields
01.100.30	Drawings • Construction drawings
01.100.99	Drawings • Other standards related to technical drawings
11.040.30	Dressings • Including surgical dressings, sutures, etc.
11.120.20	Dressings • Wound dressings and compresses
67.080	Dried • Including canned, dried and quick-frozen fruits and vegetables
67.100.10	Dried • Including dried milk, condensed milk and evaporated milk
97.060	Driers • Including washing-machines, dry-cleaners, driers, ironing and pressing appliances, etc.
73.020	Drilling • Including exploration, opening-up, development, working of mineral deposits, drilling, construction of mines, mining operations, processing of minerals, etc.
25.080.40	Drilling • Drilling machines
73.100.30	Drilling • Equipment for drilling and mine excavation
75.180.10	Drilling • Exploratory, drilling and extraction equipment
25.100.30	Drills • Drills, countersinks, reamers
67.250	Drinking • Including catering containers, and materials and articles in contact with drinking water
11.180.40	Drinking • Aids for drinking and eating
13.060.20	Drinking • Drinking water
67.160.20	Drinks • Including juices, nectars, mineral waters, lemonades, root beer, cola drinks, etc.
43.040.60	Driver • Including vehicle frame and structure, heating devices, air-conditioning systems for passenger/driver compartments, roof load carriers, etc.
21.220	Drives • Flexible drives and transmissions
21.220.01	Drives • Flexible drives and transmissions in general
21.220.10	Drives • Belt drives and their components
21.220.20	Drives • Cable or rope drives and their components
21.220.30	Drives • Chain drives and their components
21.220.99	Drives • Other flexible drives and transmissions
55.140	Drums • Barrels. Drums. Canisters
97.060	Dry-cleaners • Including washing-machines, dry-cleaners, driers, ironing and pressing appliances, etc.
43.060.20	Ducting • Pressure charging and air/exhaust gas ducting systems
91.060.40	Ducts • Chimneys, shafts, ducts
91.140.30	Ducts • Including ventilation ducts
13.030.40	Dumping • Including street cleaning equipment, waste containers, incineration and compaction equipment, equipment for dumping of refuse, landfill sites, etc.
37.100.10	Duplicating • Including printing, copying and duplicating machines, bookbinding equipment, etc.
21.020	Durability • Including reliability, dependability, maintainability, durability, etc.

97.160	Duvets • Including duvets, blankets, bedding
59.120.50	Dyeing • Dyeing and finishing equipment
93.140	Dykes • Construction of waterways, ports and dykes
49.020	Dynamics • Including aircraft performance, flight dynamics, etc.
13.340.20	Ear • Including helmets, eye-protectors, hearing protectors, ear muffs, teeth protectors and hoods.
91.100.15	Earth • Including earth, sands, clay, slates, stones, etc.
53.100	Earth-moving • Earth-moving machinery
93.020	Earthworks • Earthworks. Excavations. Foundation construction. Underground works
11.180.40	Eating • Aids for drinking and eating
83.080.10	Ebonite • Including ebonite
91.040.10	Ecclesiastical • Including ecclesiastical buildings and hospitals
13.020.50	Ecolabelling • Ecolabelling
35.240.60	E-commerce • Including EDIFACT and e-commerce
97.020	Economics • Home economics in general
13.020.20	Economics • Environmental economics
13.020.40	Ecotoxicology • Including ecotoxicology
67.200	Edible • Edible oils and fats. Oilseeds
35.240.60	EDIFACT • Including EDIFACT and e-commerce
03.180	Education • Education
67.120.20	Eggs • Poultry and eggs
11.180	Elderly • Including aids for elderly people
35.240.99	E-learning • Including e-learning
13.260	Electric • Protection against electric shock. Live working
25.160	Electric • Including gas welding, electric welding, plasma welding, electron beam welding, plasma cutting, etc.
29.280	Electric • Electric traction equipment
31.160	Electric • Electric filters
43.120	Electric • Electric road vehicles
45.060	Electric • Including materials, components, electric and electronic equipment for railway rolling stock
49.060	Electric • Aerospace electric equipment and systems
97.030	Electric • Including water-bed heaters and electric blankets
25.140.20	Electric • Electric tools
25.180.10	Electric • Electric furnaces
29.060.10	Electric • Including electric rods, busbars, etc.
29.100.20	Electric • Electric and electromechanical components
29.240.30	Electric • Control equipment for electric power systems
91.140.50	Electric • Including electric energy meters in buildings, emergency electrical supplies, etc.
97.100.10	Electric • Electric heaters
29	Electrical • Electrical engineering
17.220	Electrical • Electricity. Magnetism. Electrical and magnetic measurements
19.080	Electrical • Electrical and electronic testing
27.180	Electrical • Including generation of electrical energy
29.020	Electrical • Electrical engineering in general
29.060	Electrical • Electrical wires and cables
29.100	Electrical • Components for electrical equipment
29.120	Electrical • Electrical accessories
29.260	Electrical • Electrical equipment for working in special conditions
97.030	Electrical • Domestic electrical appliances in general
01.040.29	Electrical • Electrical engineering (Vocabularies)
01.080.40	Electrical • Graphical symbols for use on electrical and electronics engineering drawings, diagrams, charts and in relevant technical product documentation
01.100.25	Electrical • Electrical and electronics engineering drawings
17.220.20	Electrical • Measurement of electrical and magnetic quantities
29.060.01	Electrical • Electrical wires and cables in general
29.080.01	Electrical • Electrical insulation in general
29.100.01	Electrical • Components for electrical equipment in general
29.100.99	Electrical • Other components for electrical equipment
29.120.01	Electrical • Electrical accessories in general
29.120.10	Electrical • Conduits for electrical purposes
29.120.99	Electrical • Other electrical accessories
29.260.01	Electrical • Electrical equipment for working in special conditions in general
29.260.10	Electrical • Electrical installations for outdoor use
29.260.20	Electrical • Electrical apparatus for explosive atmospheres
29.260.99	Electrical • Other electrical equipment for working in special conditions
43.040.10	Electrical • Electrical and electronic equipment
43.060.50	Electrical • Electrical and electronic equipment. Control systems
47.020.60	Electrical • Electrical equipment of ships and of marine structures
91.140.50	Electrical • Including electric energy meters in buildings, emergency electrical supplies, etc.
17.220	Electricity • Electricity. Magnetism. Electrical and magnetic measurements
17.220.01	Electricity • Electricity. Magnetism. General aspects
17.220.99	Electricity • Other standards related to electricity and magnetism
91.140.50	Electricity • Electricity supply systems
17.140.50	Electroacoustics • Electroacoustics
25.120.40	Electrochemical • Electrochemical machines
97.180	Electrocutors • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
25.160.20	Electrodes • Including electrodes, filler metals, gases, etc.
25.220.40	Electrolytic • Including electrolytic depositions, cathodic coatings, autocatalytic coatings, etc.
31.060.40	Electrolytic • Tantalum electrolytic capacitors
31.060.50	Electrolytic • Aluminium electrolytic capacitors
33.100	Electromagnetic • Electromagnetic compatibility (EMC)
33.100.01	Electromagnetic • Electromagnetic compatibility in general
17.220.01	Electromagnetism • Including electromagnetism
31.220	Electromechanical • Electromechanical components for electronic and telecommunications equipment
29.100.20	Electromechanical • Electric and electromechanical components
31.220.01	Electromechanical • Electromechanical components in general
31.220.99	Electromechanical • Other electromechanical components

25.160	Electron • Including gas welding, electric welding, plasma welding, electron beam welding, plasma cutting, etc.
19.080	Electronic • Electrical and electronic testing
31.020	Electronic • Electronic components in general
31.100	Electronic • Electronic tubes
31.120	Electronic • Electronic display devices
31.190	Electronic • Electronic component assemblies
31.200	Electronic • Including electronic chips, logical and analogue microstructures
31.220	Electronic • Electromechanical components for electronic and telecommunications equipment
31.240	Electronic • Mechanical structures for electronic equipment
35.040	Electronic • Including coding of audio, picture, multimedia and hypermedia information, IT security techniques, encryption, bar coding, electronic signatures, etc.
37.080	Electronic • Including micrographic, electronic and optical applications
45.060	Electronic • Including materials, components, electric and electronic equipment for railway rolling stock
43.040.10	Electronic • Electrical and electronic equipment
43.060.50	Electronic • Electrical and electronic equipment. Control systems
31	Electronics • Electronics
01.040.31	Electronics • Electronics (Vocabularies)
01.080.40	Electronics • Graphical symbols for use on electrical and electronics engineering drawings, diagrams, charts and in relevant technical product documentation
01.100.25	Electronics • Electrical and electronics engineering drawings
53.020.99	Elevating • Including elevating work platforms
93.140	Embankments • Including river embankments, water transport control equipment and installations, etc.
03.160	Emblems • Including flags and associated symbols (emblems) of political and administrative entities, military flags, flags of organizations, etc.
33.100	EMC • Electromagnetic compatibility (EMC)
33.100.99	EMC • Other aspects related to EMC
13.200	Emergency • Including emergency evacuations and emergency control systems
91.140.50	Emergency • Including electric energy meters in buildings, emergency electrical supplies, etc.
91.160.10	Emergency • Including workplace lighting, emergency and safety lighting
33.100.10	Emission • Emission
13.040.40	Emissions • Stationary source emissions
13.040.50	Emissions • Transport exhaust emissions
03.040	Employment • Labour. Employment
13.020.10	EMS • Including Environmental Management Systems (EMS), certification and audit
25.220.50	Enamels • Enamels
29.130.10	Enclosed • Including enclosed switchgear and controlgear
21.180	Enclosures • Housings, enclosures, other machine parts
35.040	Encryption • Including coding of audio, picture, multimedia and hypermedia information, IT security techniques, encryption, bar coding, electronic signatures, etc.
27	Energy • Energy and heat transfer engineering
27.010	Energy • Energy and heat transfer engineering in general
27.120	Energy • Nuclear energy engineering
27.140	Energy • Hydraulic energy engineering
27.160	Energy • Solar energy engineering
27.180	Energy • Wind turbine energy systems
27.190	Energy • Biological sources and alternative sources of energy
01.040.27	Energy • Energy and heat transfer engineering (Vocabularies)
27.120.01	Energy • Nuclear energy in general
27.120.99	Energy • Other standards related to nuclear energy
91.140.50	Energy • Including electric energy meters in buildings, emergency electrical supplies, etc.
97.100.99	Energy • Heaters using other sources of energy
43.060.10	Engine • Engine block and internal components
27.020	Engines • Internal combustion engines
27.040	Engines • Gas and steam turbines. Steam engines
43.060	Engines • Internal combustion engines for road vehicles
49.050	Engines • Aerospace engines and propulsion systems
43.060.01	Engines • Internal combustion engines for road vehicles in general
43.060.99	Engines • Other components and systems of internal combustion engines
47.020.20	Engines • Marine engines and propulsion systems
33.070.30	Enhanced • Digital Enhanced Cordless Telecommunications (DECT)
43.040.80	Enhancement • Including airbags, safety belts, traffic accident issues and safety enhancement matters
97	Entertainment • Domestic and commercial equipment. Entertainment. Sports
97.200	Entertainment • Equipment for entertainment
01.040.97	Entertainment • Domestic and commercial equipment. Entertainment. Sports (Vocabularies)
97.200.01	Entertainment • Equipment for entertainment in general
97.200.99	Entertainment • Other equipment for entertainment
03.160	Entities • Including flags and associated symbols (emblems) of political and administrative entities, military flags, flags of organizations, etc.
55.080	Envelopes • Including sachets, envelopes
13	Environment • Environment. Health protection. Safety
01.040.13	Environment • Environment. Health protection. Safety (Vocabularies)
13.020.01	Environment • Environment and environmental protection in general
91.040.01	Environment • Including building environment design
11.020	Environmental • Including quality and environmental management in health care technology
13.020	Environmental • Environmental protection
19.040	Environmental • Environmental testing
13.020.01	Environmental • Environment and environmental protection in general
13.020.10	Environmental • Environmental management
13.020.20	Environmental • Environmental economics
13.020.30	Environmental • Environmental impact assessment
13.020.70	Environmental • Environmental projects
13.020.99	Environmental • Other standards related to environmental protection
13.040.35	Environments • Cleanrooms and associated controlled environments
13.180	Ergonomics • Ergonomics
33.070.20	ERMES • Including European Radio Message System (ERMES)
13.080.01	Erosion • Including pollution, erosion, degradation, etc.

91.140.90	Escalators • Lifts. Escalators
71.100.60	Essential • Essential oils
71.080.70	Esters • Esters
33.040.40	Ethernet • Including Packet Switched Public Data Networks (PSPDN) and Ethernet
71.080.60	Ethers • Alcohols. Ethers
33.070.20	European • Including European Radio Message System (ERMES)
13.200	Evacuations • Including emergency evacuations and emergency control systems
11.100.20	Evaluation • Biological evaluation of medical devices
67.100.10	Evaporated • Including dried milk, condensed milk and evaporated milk
73.100.30	Excavation • Equipment for drilling and mine excavation
93.020	Excavations • Earthworks. Excavations. Foundation construction. Underground works
53.100	Excavators • Including tractors, excavators, loaders, graders, etc.
27.060.30	Exchangers • Boilers and heat exchangers
71.120.30	Exchangers • Heat exchangers
13.040.50	Exhaust • Transport exhaust emissions
43.060.20	Exhaust • Pressure charging and air/exhaust gas ducting systems
73.020	Exploration • Including exploration, opening-up, development, working of mineral deposits, drilling, construction of mines, mining operations, processing of minerals, etc.
75.180.10	Exploratory • Exploratory, drilling and extraction equipment
13.230	Explosion • Explosion protection
29.260.20	Explosive • Electrical apparatus for explosive atmospheres
71.100.30	Explosives • Explosives. Pyrotechnics and fireworks
83.040.30	Extenders • Including fillers, extenders, hardeners, pigments, plasticizers, etc.
87.060.10	Extenders • Pigments and extenders
91.160.20	Exterior • Exterior building lighting
75.020	Extraction • Extraction and processing of petroleum and natural gas
75.180.10	Extraction • Exploratory, drilling and extraction equipment
25.120.20	Extruding • Rolling, extruding and drawing equipment
21.080	Eyelets • Hinges, eyelets and other articulated joints
13.340.20	Eye-protectors • Including helmets, eye-protectors, hearing protectors, ear muffs, teeth protectors and hoods.
29.035.60	Fabrics • Varnished fabrics
49.025.60	Fabrics • Including textile glass and coated fabrics
59.080.30	Fabrics • Textile fabrics
59.080.40	Fabrics • Coated fabrics
91.060.10	Façades • Walls. Partitions. Façades
13.340.60	Fall • Including safety ropes, harnesses and fall arrestors
13.340.60	Falling • Protection against falling and slipping
23.120	Fans • Ventilators. Fans. Air-conditioners
65.040	Farm • Farm buildings, structures and installations
65.040.01	Farm • Farm buildings and installations in general
65.040.99	Farm • Other standards related to farm buildings and installations
65.020	Farming • Farming and forestry
65.020.01	Farming • Farming and forestry in general
65.020.99	Farming • Other standards related to farming and forestry
21.060	Fasteners • Fasteners
49.030	Fasteners • Fasteners for aerospace construction
21.060.01	Fasteners • Fasteners in general
21.060.99	Fasteners • Other fasteners
49.030.01	Fasteners • Fasteners in general
49.030.99	Fasteners • Other fasteners
61.040	Fastening • Headgear. Clothing accessories. Fastening of clothing
59.080.01	Fastness • Including colour fastness of textiles
67.200	Fats • Edible oils and fats. Oilseeds
67.200.10	Fats • Animal and vegetable fats and oils
59.040	Feathers • Including feathers and down
65.120	Feeding • Animal feeding stuffs
07.100.30	Feeding • Including microbiology of animal feeding stuffs
59.080.30	Felts • Including nonwovens, felts, lace, etc.
91.090	Fences • Including fences, gates, arches, sheds, garages, etc.
77.100	Ferroalloys • Ferroalloys
77.080	Ferrous • Ferrous metals
49.025.05	Ferrous • Ferrous alloys in general
77.080.01	Ferrous • Ferrous metals in general
65.080	Fertilizers • Fertilizers
65.060.25	Fertilizers • Equipment for storage, preparation and distribution of fertilizers
33.180	Fibre • Fibre optic communications
33.180.01	Fibre • Fibre optic systems in general
33.180.20	Fibre • Fibre optic interconnecting devices
33.180.99	Fibre • Other fibre optic equipment
79.060.20	Fibre • Fibre and particle boards
91.100.40	Fibre-reinforced • Products in fibre-reinforced cement
59.060	Fibres • Textile fibres
33.180.10	Fibres • Fibres and cables
59.060.01	Fibres • Textile fibres in general
59.060.10	Fibres • Natural fibres
59.060.20	Fibres • Man-made fibres
59.060.30	Fibres • Mineral and metal fibres
59.060.99	Fibres • Other textile fibres
59.120.10	Fibres • Including machines and equipment for manufacturing man-made filaments and fibres and for preparing fibres for spinning
43.040.70	Fifth • Including towing attachments and fifth wheel assemblies
59.120.10	Filaments • Including machines and equipment for manufacturing man-made filaments and fibres and for preparing fibres for spinning
25.100.60	Files • Files
25.160.20	Filler • Including electrodes, filler metals, gases, etc.
83.040.30	Fillers • Including fillers, extenders, hardeners, pigments, plasticizers, etc.
55.200	Filling • Including labelling, marking, branding, filling, sealing machines, etc.

55.040	Films • Including wrappers, paper, films, foils, cords, sealing devices, cushioning, etc.
37.040.20	Films • Photographic paper, films and plates. Cartridges
37.040.25	Films • Radiographic films
37.060.20	Films • Motion picture films. Cartridges
83.140.10	Films • Films and sheets
31.160	Filters • Electric filters
23.100.60	Filters • Filters, seals and contamination of fluids
03.060	Finances • Finances. Banking. Monetary systems. Insurance
03.060	Financial • Including personal financial planning
91.180	Finishing • Interior finishing
59.120.50	Finishing • Dyeing and finishing equipment
13.220	Fire • Protection against fire
29.020	Fire • Including voltages, general electrical terminology, electrical documentation, electrical tables, safety, fire hazard testing, etc.
13.220.01	Fire • Protection against fire in general
13.220.20	Fire • Fire protection
13.220.99	Fire • Other standards related to protection against fire
13.220.10	Fire-fighting • Fire-fighting
13.220.50	Fire-resistance • Fire-resistance of building materials and elements
71.100.30	Fireworks • Explosives. Pyrotechnics and fireworks
11.160	First • First aid
65.150	Fish • Fishing and fish breeding
13.060.25	Fish • Including water for commercial use: for swimming pools, fish breeding, etc.
67.120.30	Fish • Fish and fishery products
67.120.30	Fishery • Fish and fishery products
65.150	Fishing • Fishing and fish breeding
27.120.30	Fissile • Fissile materials and nuclear fuel technology
17.040.10	Fits • Limits and fits
97.130	Fittings • Shop fittings
23.040.40	Fittings • Metal fittings
23.040.45	Fittings • Plastics fittings
23.040.50	Fittings • Pipes and fittings of other materials
29.080.10	Fittings • Including fittings and other components for insulators
83.140.30	Fittings • Plastics pipes and fittings for non fluid use
97.130.01	Fittings • Shop fittings in general
97.130.99	Fittings • Other shop fittings
03.160	Flags • Including flags and associated symbols (emblems) of political and administrative entities, military flags, flags of organizations, etc.
13.340.10	Flameproof • Including flameproof clothing
23.040.60	Flanges • Flanges, couplings and joints
97.040.60	Flatware • Cookware, cutlery and flatware
19.100	Flaw • Including testing equipment: industrial apparatus for X-ray and gamma radiography, penetrant flaw detectors, etc.
21.220	Flexible • Flexible drives and transmissions
21.220.01	Flexible • Flexible drives and transmissions in general
21.220.99	Flexible • Other flexible drives and transmissions
35.220.21	Flexible • Including flexible disks, diskettes, disk packs, disk cartridges, etc.
49.020	Flight • Including aircraft performance, flight dynamics, etc.
91.160.20	Flood • Including flood lighting
97.080	Floor • Including vacuum cleaners, floor-cleaning machines, floor polishers, steam cleaners, pressure cleaners, hand operated cleaners, etc.
97.150	Floor • Non-textile floor coverings
59.080.60	Floor • Textile floor coverings
97.080	Floor-cleaning • Including vacuum cleaners, floor-cleaning machines, floor polishers, steam cleaners, pressure cleaners, hand operated cleaners, etc.
91.060.30	Floors • Ceilings. Floors. Stairs
65.020.20	Floriculture • Including horticulture, floriculture, seeds, plant diseases
73.120	Flotation • Including equipment for milling, sizing, separation, flotation, concentration, etc.
13.340.70	Flotation • Lifejackets, buoyancy aids and flotation devices
67.060	Flours • Including grains, corn, flours, baked products, etc.
17.120	Flow • Measurement of fluid flow
17.120.01	Flow • Measurement of fluid flow in general
17.120.10	Flow • Flow in closed conduits
17.120.20	Flow • Flow in open channels
91.060.40	Flue • Including flues and flue pipes
91.060.40	Flues • Including flues and flue pipes
23	Fluid • Fluid systems and components for general use
17.120	Fluid • Measurement of fluid flow
23.020	Fluid • Fluid storage devices
23.100	Fluid • Fluid power systems
49.080	Fluid • Aerospace fluid systems and components
01.040.23	Fluid • Fluid systems and components for general use (Vocabularies)
17.120.01	Fluid • Measurement of fluid flow in general
23.020.01	Fluid • Fluid storage devices in general
23.020.99	Fluid • Other fluid storage devices
23.100.01	Fluid • Fluid power systems in general
23.100.99	Fluid • Other fluid power system components
83.140.30	Fluid • Plastics pipes and fittings for non fluid use
29.040	Fluids • Insulating fluids
55.140	Fluids • Containers mainly for transportation of fluids, including also casks, pails, large tin cans for shipping materials, etc.
75.100	Fluids • Including mineral oils, fluids for metal working and for temporary protection against corrosion
75.120	Fluids • Hydraulic fluids
23.100.60	Fluids • Filters, seals and contamination of fluids
29.040.01	Fluids • Insulating fluids in general
29.040.99	Fluids • Other insulating fluids
29.140.30	Fluorescent • Fluorescent lamps. Discharge lamps
73.080	Fluorspar • Including mica, fluorspar, etc.
55.040	Foils • Including wrappers, paper, films, foils, cords, sealing devices, cushioning, etc.

- 35.260 **Folding** • Including typewriters, dictation equipment, addressing machines, letter opening machines, letter folding machines, postal franking machines, their ribbons and other accessories, etc.
- 67 **Food** • Food technology
- 55.230 **Food** • Including distribution of tickets, food, beverages, tobacco products, etc.
- 67.020 **Food** • Processes in the food industry
- 67.040 **Food** • Food products in general
- 67.050 **Food** • General methods of tests and analysis for food products
- 67.220 **Food** • Spices and condiments. Food additives
- 67.230 **Food** • Including baby food
- 67.260 **Food** • Plants and equipment for the food industry
- 01.040.67 **Food** • Food technology (Vocabularies)
- 07.100.30 **Food** • Food microbiology
- 67.220.20 **Food** • Food additives
- 97.040.50 **Food** • Including food waste disposal units
- 67.230 **Foods** • Prepackaged and prepared foods
- 67.250 **Foodstuffs** • Materials and articles in contact with foodstuffs
- 13.340.50 **Foot** • Leg and foot protection
- 97.220.40 **Football** • Including equipment for mountaineering, football, tennis, swimming, diving, etc.
- 61.060 **Footwear** • Footwear
- 17.100 **Force** • Measurement of force, weight and pressure
- 65.020 **Forestry** • Farming and forestry
- 65.020.01 **Forestry** • Farming and forestry in general
- 65.020.99 **Forestry** • Other standards related to farming and forestry
- 65.060.80 **Forestry** • Forestry equipment
- 25.120.10 **Forging** • Forging equipment. Presses. Shears
- 77.140.85 **Forgings** • Iron and steel forgings
- 53.060 **Fork-lift** • Including fork-lift trucks, sliding platforms, etc.
- 25.020 **Forming** • Manufacturing forming processes
- 03.220.99 **Forms** • Other forms of transport
- 93.020 **Foundation** • Earthworks. Excavations. Foundation construction. Underground works
- 43.040.60 **Frame** • Including vehicle frame and structure, heating devices, air-conditioning systems for passenger/driver compartments, roof load carriers, etc.
- 35.260 **Franking** • Including typewriters, dictation equipment, addressing machines, letter opening machines, letter folding machines, postal franking machines, their ribbons and other accessories, etc.
- 55.180 **Freight** • Freight distribution of goods
- 55.180.01 **Freight** • Freight distribution of goods in general
- 55.180.99 **Freight** • Other standards related to freight distribution of goods
- 67.120 **Frozen** • Including frozen products
- 67.080 **Fruits** • Fruits. Vegetables
- 67.080.01 **Fruits** • Fruits, vegetables and derived products in general
- 67.080.10 **Fruits** • Fruits and derived products
- 27.070 **Fuel** • Fuel cells
- 49.050 **Fuel** • Including fuel systems
- 25.180.20 **Fuel** • Fuel furnaces
- 27.060.10 **Fuel** • Liquid and solid fuel burners
- 27.060.20 **Fuel** • Gas fuel burners
- 27.120.30 **Fuel** • Fissile materials and nuclear fuel technology
- 43.060.40 **Fuel** • Fuel systems
- 97.100.30 **Fuel** • Solid fuel heaters
- 97.100.40 **Fuel** • Liquid fuel heaters
- 75.160 **Fuels** • Fuels
- 75.160.01 **Fuels** • Fuels in general
- 75.160.10 **Fuels** • Solid fuels
- 75.160.20 **Fuels** • Liquid fuels
- 75.160.30 **Fuels** • Gaseous fuels
- 03.100.20 **Function** • Trade. Commercial function. Marketing
- 03.080.30 **Funerals** • Including hotels, restaurants, washing, cleaning, removals, funerals, etc.
- 65.100.30 **Fungicides** • Fungicides
- 93.100 **Funicular** • Including the construction of tramways, funicular railways, cableways, rail traffic control equipment and installations, etc.
- 59.140 **Fur** • Including fur and imitation leather
- 59.140.40 **Fur** • Machines and equipment for leather and fur production
- 25.180 **Furnaces** • Industrial furnaces
- 25.180.01 **Furnaces** • Industrial furnaces in general
- 25.180.10 **Furnaces** • Electric furnaces
- 25.180.20 **Furnaces** • Fuel furnaces
- 97.140 **Furniture** • Furniture
- 97.040.10 **Furniture** • Kitchen furniture
- 59.140.30 **Furs** • Leather and furs
- 29.120.50 **Fuses** • Fuses and other overcurrent protection devices
- 29.220 **Galvanic** • Galvanic cells and batteries
- 29.220.01 **Galvanic** • Galvanic cells and batteries in general
- 19.100 **Gamma** • Including testing equipment: industrial apparatus for X-ray and gamma radiography, penetrant flaw detectors, etc.
- 91.090 **Garages** • Including fences, gates, arches, sheds, garages, etc.
- 11.140 **Garments** • Including hospital beds, surgical tables, medical garments, medical gloves, containers for sharp disposal, etc.
- 25.160 **Gas** • Including gas welding, electric welding, plasma welding, electron beam welding, plasma cutting, etc.
- 27.040 **Gas** • Gas and steam turbines. Steam engines
- 47.020 **Gas** • Including offshore structures, except offshore structures for petroleum and natural gas industries, and seabed mining
- 75.020 **Gas** • Extraction and processing of petroleum and natural gas
- 75.060 **Gas** • Natural gas
- 75.180 **Gas** • Equipment for petroleum and natural gas industries
- 75.200 **Gas** • Petroleum products and natural gas handling equipment
- 91.160 **Gas** • Including oil and gas lamps
- 11.040.10 **Gas** • Including medical gas installations
- 23.020.30 **Gas** • Gas pressure vessels, gas cylinders
- 27.060.20 **Gas** • Gas fuel burners
- 43.060.20 **Gas** • Pressure charging and air/exhaust gas ducting systems

75.180.01	Gas • Equipment for petroleum and natural gas industries in general
75.180.99	Gas • Other equipment for petroleum and natural gas industries
91.140.40	Gas • Gas supply systems
97.100.20	Gas • Gas heaters
75.160.30	Gaseous • Gaseous fuels
25.160.20	Gases • Including electrodes, filler metals, gases, etc.
29.040.20	Gases • Insulating gases
71.040.40	Gases • Including analysis of gases and surface chemical analysis
71.100.20	Gases • Gases for industrial application
75.160.30	Gases • Including liquefied petroleum gases
75.160.20	Gasoline • Including gasoline, diesel, kerosene, etc.
23.060.30	Gate • Gate valves
91.090	Gates • Including fences, gates, arches, sheds, garages, etc.
55.120	Gauge • Light gauge metal and plastics containers
43.040.50	Gearboxes • Including clutches, gearboxes, power-steering systems, cardan shafts, differentials, wheels, rims, etc.
21.200	Gears • Gears
35.240.30	Generalized • Including Standard Generalized Markup Language (SGML), automatic translation machines, etc.
29.160.40	Generating • Generating sets
27.180	Generation • Including generation of electrical energy
29.160.20	Generators • Generators
07.040	Geodesy • Astronomy. Geodesy. Geography
17.180.30	Geodetic • Including spectrometers, geodetic instruments, etc.
35.240.70	Geographic • Including digital geographic information
07.040	Geography • Astronomy. Geodesy. Geography
07.060	Geology • Geology. Meteorology. Hydrology
91.100.50	Geomembranes • Including geomembranes, asphalts for buildings, etc.
17.040	Geometrical • Including Geometrical Product Specification (GPS)
59.080.70	Geosynthetics • Including geosynthetics
93.020	Geotechnics • Including geotechnics
59.080.70	Geotextiles • Geotextiles
21.140	Glands • Seals, glands
81	Glass • Glass and ceramics industries
81.020	Glass • Processes in the glass and ceramics industries
81.040	Glass • Glass
81.100	Glass • Equipment for the glass and ceramics industries
01.040.81	Glass • Glass and ceramics industries (Vocabularies)
29.035.30	Glass • Glass and ceramic insulating materials
49.025.60	Glass • Including textile glass and coated fabrics
59.100.10	Glass • Textile glass materials
81.040.01	Glass • Glass in general
81.040.10	Glass • Raw materials and raw glass
81.040.20	Glass • Glass in building
81.040.30	Glass • Glass products
81.060	Glass-ceramics • Including glass-ceramics
11.040.70	Glasses • Including ophthalmic implants, glasses, contact lenses and their cleaning products
43.040.65	Glazing • Glazing and wiper systems
33.070.40	Global • Including Global Positioning System (GPS)
33.070.50	Global • Global System for Mobile Communication (GSM)
23.060.10	Globe • Globe valves
11.140	Gloves • Including hospital beds, surgical tables, medical garments, medical gloves, containers for sharp disposal, etc.
61.040	Gloves • Including ties, gloves, scarves, handkerchiefs, belts, braces, buttons, zip-fasteners, umbrellas, etc.
13.340.40	Gloves • Including protective gloves, sleeves and mits
67.180.20	Glucose • Including glucose syrups, etc.
55	Goods • Packaging and distribution of goods
13.300	Goods • Protection against dangerous goods
55.020	Goods • Packaging and distribution of goods in general
55.160	Goods • Containers for solid goods or objects and bulk materials
55.180	Goods • Freight distribution of goods
01.040.55	Goods • Packaging and distribution of goods (Vocabularies)
55.180.01	Goods • Freight distribution of goods in general
55.180.99	Goods • Other standards related to freight distribution of goods
17.040	GPS • Including Geometrical Product Specification (GPS)
33.070.40	GPS • Including Global Positioning System (GPS)
53.100	Graders • Including tractors, excavators, loaders, graders, etc.
67.060	Grains • Including grains, corn, flours, baked products, etc.
37.100	Graphic • Graphic technology
37.100.01	Graphic • Graphic technology in general
37.100.20	Graphic • Materials for graphic technology
37.100.99	Graphic • Other standards related to graphic technology
01.080	Graphical • Graphical symbols
01.080.01	Graphical • Graphical symbols in general
01.080.20	Graphical • Graphical symbols for use on specific equipment
01.080.30	Graphical • Graphical symbols for use on mechanical engineering and construction drawings, diagrams, plans, maps and in relevant technical product documentation
01.080.40	Graphical • Graphical symbols for use on electrical and electronics engineering drawings, diagrams, charts and in relevant technical product documentation
01.080.50	Graphical • Graphical symbols for use on information technology and telecommunications technical drawings and in relevant technical product documentation
01.080.99	Graphical • Other graphical symbols
35.140	Graphics • Computer graphics
65.040.30	Greenhouses • Greenhouses and other installations
25.080.50	Grinding • Grinding and polishing machines
49.100	Ground • Ground service and maintenance equipment
49.140	Ground • Including space data and information transfer systems, and ground support equipment for launch site operations
93.025	Ground • Including buried and above ground installations
65.020.20	Growing • Plant growing

33.070.50	GSM • Global System for Mobile Communication (GSM)
01.110	Guides • Including rules for preparation of user guides, manuals, product specifications, etc.
91.060.20	Gutters • Including related elements (gutters, etc.)
97.220.30	Gymnastics • Including equipment for gymnastics, volleyball, basketball, handball, home sports trainers, etc.
91.100.10	Gypsum • Cement. Gypsum. Lime. Mortar
97.170	Hair-driers • Including hair-driers, razors, shavers, toothbrushes, massage appliances, radiation skin treatment appliances, etc.
71.080.20	Halogenated • Halogenated hydrocarbons
25.140.30	Hammers • Including wrenches, screwdrivers, pliers, nippers, hammers, etc.
97.080	Hand • Including vacuum cleaners, floor-cleaning machines, floor polishers, steam cleaners, pressure cleaners, hand operated cleaners, etc.
13.340.40	Hand • Hand and arm protection
59.140.35	Handbags • Including trunks, suitcases, handbags, purses, wallets, dog-collars, etc. made of materials other than leather
97.220.30	Handball • Including equipment for gymnastics, volleyball, basketball, handball, home sports trainers, etc.
25.140	Hand-held • Hand-held tools
25.140.01	Hand-held • Hand-held tools in general
25.140.99	Hand-held • Other hand-held tools
11.180	Handicapped • Aids for disabled or handicapped persons
11.180.01	Handicapped • Aids for disabled and handicapped persons in general
11.180.99	Handicapped • Other standards related to aids for disabled and handicapped people
97.195	Handicrafts • Items of art and handicrafts
61.040	Handkerchiefs • Including ties, gloves, scarves, handkerchiefs, belts, braces, buttons, zip-fasteners, umbrellas, etc.
79.080	Handles • Including parquet, wood paving, handles, etc.
53	Handling • Materials handling equipment
13.300	Handling • Including performance requirements for dangerous goods, their handling, storage, transportation, marking, labelling, etc.
53.040	Handling • Continuous handling equipment
53.120	Handling • Equipment for manual handling
75.200	Handling • Petroleum products and natural gas handling equipment
01.040.53	Handling • Materials handling equipment (Vocabularies)
47.020.40	Handling • Lifting and cargo handling equipment
53.040.01	Handling • Continuous handling equipment in general
53.040.99	Handling • Other continuous handling equipment
25.140.30	Hand-operated • Hand-operated tools
17.140.30	Harbour • Including road noise, railway noise, harbour noise and airport noise
83.040.30	Hardeners • Including fillers, extenders, hardeners, pigments, plasticizers, etc.
77.160	Hardmetals • Including sintered metal materials and hardmetals
91.190	Hardware • Including locks, buzzers, bells, bolts, door and window hardware, etc.
13.340.60	Harnesses • Including safety ropes, harnesses and fall arrestors
65.060.50	Harvesting • Harvesting equipment
73.100.40	Haulage • Haulage and hoisting equipment
29.020	Hazard • Including voltages, general electrical terminology, electrical documentation, electrical tables, safety, fire hazard testing, etc.
13.030.30	Hazardous • Including radioactive wastes, hospital wastes, carcasses, and other hazardous wastes
13.340.20	Head • Head protective equipment
61.040	Headgear • Headgear. Clothing accessories. Fastening of clothing
33.160.50	Headphones • Including headphones, loudspeakers, microphones, etc.
11	Health • Health care technology
13	Health • Environment. Health protection. Safety
11.020	Health • Medical sciences and health care facilities in general
01.040.11	Health • Health care technology (Vocabularies)
01.040.13	Health • Environment. Health protection. Safety (Vocabularies)
35.240.80	Health • IT applications in health care technology
11.180.15	Hearing • Aids for deaf and hearing impaired people
13.340.20	Hearing • Including helmets, eye-protectors, hearing protectors, ear muffs, teeth protectors and hoods.
27	Heat • Energy and heat transfer engineering
25.200	Heat • Heat treatment
27.010	Heat • Energy and heat transfer engineering in general
27.080	Heat • Heat pumps
27.220	Heat • Heat recovery. Thermal insulation
01.040.27	Heat • Energy and heat transfer engineering (Vocabularies)
17.200.10	Heat • Heat. Calorimetry
27.060.30	Heat • Boilers and heat exchangers
71.120.30	Heat • Heat exchangers
97.030	Heaters • Including water-bed heaters and electric blankets
97.100.10	Heaters • Electric heaters
97.100.20	Heaters • Gas heaters
97.100.30	Heaters • Solid fuel heaters
97.100.40	Heaters • Liquid fuel heaters
97.100.99	Heaters • Heaters using other sources of energy
97.100	Heating • Domestic, commercial and industrial heating appliances
43.040.60	Heating • Including vehicle frame and structure, heating devices, heating devices, air-conditioning systems for passenger/driver compartments, roof load carriers, etc.
47.020.90	Heating • Marine ventilation, air conditioning and heating systems
91.140.10	Heating • Central heating systems
91.140.65	Heating • Water heating equipment
97.100.01	Heating • Heating appliances in general
77.140.20	Heat-resisting • Including alloyed steels, corrosion-resistant steels, heat-resisting steels, etc.
77.140.10	Heat-treatable • Heat-treatable steels
13.340.20	Helmets • Including helmets, eye-protectors, hearing protectors, ear muffs, teeth protectors and hoods.
67.140.10	Herb • Including herb teas
65.100.20	Herbicides • Herbicides
11.120.10	Herbs • Including medical prescriptions and medicinal herbs
59.140.20	Hides • Raw skins, hides and pelts
21.080	Hinges • Hinges, eyelets and other articulated joints
97.220.20	Hockey • Including ice hockey, snowboard, and ski equipment
73.100.40	Hoisting • Haulage and hoisting equipment
55.060	Holders • Including holders, supports, etc. for externally wound or mounted material
29.140.10	Holders • Lamp caps and holders

77.140.75	Hollow • Including hollow steel bars and sections for construction
97.020	Home • Home economics in general
97.160	Home • Home textiles. Linen
97.220.30	Home • Including equipment for gymnastics, volleyball, basketball, handball, home sports trainers, etc.
67.180.10	Honey • Including molasses, sweets, sugar confectionary, honey, etc.
13.340.20	Hoods • Including helmets, eye-protectors, hearing protectors, ear muffs, teeth protectors and hoods.
97.040.20	Hoods • Including microwave ovens and stove hoods
53.020.30	Hooks • Including lifting hooks, shackles, link chains, wire ropes, etc.
39.040	Horology • Horology
39.040.01	Horology • Horology in general
65.060.70	Horticultural • Horticultural equipment
65.020.20	Horticulture • Including horticulture, floriculture, seeds, plant diseases
23.040.70	Hose • Hoses and hose assemblies
23.040.80	Hose • Seals for pipe and hose assemblies
23.040.70	Hoses • Hoses and hose assemblies
83.140.40	Hoses • Hoses
61.020	Hosiery • Including underwear, nightwear, knitwear, military clothing, hosiery, etc. and their labelling and size coding schemes
11.140	Hospital • Hospital equipment
13.030.30	Hospital • Including radioactive wastes, hospital wastes, carcasses, and other hazardous wastes
91.040.10	Hospitals • Including ecclesiastical buildings and hospitals
03.080.30	Hotels • Including hotels, restaurants, washing, cleaning, removals, funerals, etc.
61.080	Household • Including household sewing machines
97.120	Household • Automatic controls for household use
97.190	Household • Including child safety requirements for other household equipment
59.120.40	Household • Including household knitting machines
21.180	Housings • Housings, enclosures, other machine parts
47.020.10	Hulls • Hulls and their structure elements
13.140	Human • Noise with respect to human beings
13.160	Human • Vibration and shock with respect to human beings
03.100.30	Human • Management of human resources
65.145	Hunting • Hunting
65.150	Hunting • Including hunting of marine mammals and reptiles, collection and breeding of aquatic molluscs and other marine products, equipment and installations for fishing and fish breeding, etc.
65.020.30	Husbandry • Animal husbandry and breeding
27.140	Hydraulic • Hydraulic energy engineering
75.120	Hydraulic • Hydraulic fluids
93.160	Hydraulic • Hydraulic construction
71.080.10	Hydrocarbons • Aliphatic hydrocarbons
71.080.15	Hydrocarbons • Aromatic hydrocarbons
71.080.20	Hydrocarbons • Halogenated hydrocarbons
27.075	Hydrogen • Hydrogen technologies
71.100.20	Hydrogen • Including compressed air and hydrogen
13.080.40	Hydrological • Hydrological properties of soils
07.060	Hydrology • Geology. Meteorology. Hydrology
71.040.10	Hydrometers • Including hydrometers, alcoholometers, etc.
17.120.20	Hydrometric • Including hydrometric determinations
13.100	Hygiene • Occupational safety. Industrial hygiene
67.020	Hygiene • Including food hygiene and food safety
35.040	Hypermedia • Including coding of audio, picture, multimedia and hypermedia information, IT security techniques, encryption, bar coding, electronic signatures, etc.
67.100.40	Ice • Ice cream and ice confectionery
97.220.20	Ice • Including ice hockey, snowboard, and ski equipment
35.240.15	Identification • Identification cards and related devices
13.220.40	Ignitability • Ignitability and burning behaviour of materials and products
43.060.50	Ignition • Including ignition systems and starter motors
73.100.20	Illumination • Ventilation, air-conditioning and illumination equipment
37	Image • Image technology
01.040.37	Image • Image technology (Vocabularies)
37.080	Imaging • Document imaging applications
59.140	Imitation • Including fur and imitation leather
33.100.20	Immunity • Immunity
13.020.30	Impact • Environmental impact assessment
11.180.15	Impaired • Aids for deaf and hearing impaired people
11.040.40	Implants • Implants for surgery, prosthetics and orthotics
11.040.70	Implants • Including ophthalmic implants, glasses, contact lenses and their cleaning products
11.060.15	Implants • Dental implants
65.060	Implements • Agricultural machines, implements and equipment
29.140.20	Incandescent • Incandescent lamps
21.040.20	Inch • Inch screw threads
13.030.40	Incineration • Including street cleaning equipment, waste containers, incineration and compaction equipment, equipment for dumping of refuse, landfill sites, etc.
11.180.20	Incontinence • Aids for incontinence and ostomy
43.040.30	Indicating • Indicating and control devices
13.040.20	Indoor • Including indoor air
97.220.30	Indoor • Indoor sports equipment
13.100	Industrial • Occupational safety. Industrial hygiene
19.100	Industrial • Including testing equipment: industrial apparatus for X-ray and gamma radiography, penetrant flaw detectors, etc.
25.040	Industrial • Industrial automation systems
25.100	Industrial • Including industrial diamonds
25.180	Industrial • Industrial furnaces
53.060	Industrial • Industrial trucks
75.100	Industrial • Lubricants, industrial oils and related products
97.100	Industrial • Domestic, commercial and industrial heating appliances
03.080.10	Industrial • Industrial services
13.060.25	Industrial • Water for industrial use
25.040.01	Industrial • Industrial automation systems in general

25.040.30	Industrial • Industrial robots. Manipulators
25.040.40	Industrial • Industrial process measurement and control
25.040.99	Industrial • Other industrial automation systems
25.180.01	Industrial • Industrial furnaces in general
37.040.25	Industrial • Including dental, medical and industrial radiographic films
71.100.20	Industrial • Gases for industrial application
71.100.35	Industrial • Chemicals for industrial and domestic disinfection purposes
43.040.15	Informatics • Car informatics. On board computer systems
35	Information • Information technology. Office machines
01.140	Information • Information sciences. Publishing
35.020	Information • Information technology (IT) in general
35.040	Information • Character sets and information coding
35.060	Information • Languages used in information technology
35.240	Information • Applications of information technology
49.140	Information • Including space data and information transfer systems, and ground support equipment for launch site operations
97.020	Information • Including consumer information
01.040.35	Information • Information technology. Office machines (Vocabularies)
01.080.10	Information • Public information symbols
01.080.50	Information • Graphical symbols for use on information technology and telecommunications technical drawings and in relevant technical product documentation
01.100.27	Information • Technical drawings for telecommunications and information technology fields
01.140.20	Information • Information sciences
35.240.01	Information • Application of information technology in general
35.240.30	Information • IT applications in information, documentation and publishing
35.240.70	Information • Including digital geographic information
33.020	Infrastructure • Including infrastructure
11.040.20	Infusion • Transfusion, infusion and injection equipment
11.040.20	Injection • Transfusion, infusion and injection equipment
87.080	Inks • Inks. Printing inks
47.060	Inland • Inland navigation vessels
71.060	Inorganic • Inorganic chemicals
71.060.01	Inorganic • Inorganic chemicals in general
71.060.99	Inorganic • Other inorganic chemicals
97.180	Insect • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
65.100.10	Insecticides • Insecticides
65.020.30	Inspection • Including sanitary inspection
29.140.50	Installation • Lighting installation systems
17.220.20	Instrument • Including measuring instruments, instrument transformers
17.020	Instruments • Including measuring instruments in general, preferred numbers, standard measures, general aspects of reference materials, etc.
17.060	Instruments • Including measuring instruments
17.080	Instruments • Including measuring instruments
17.100	Instruments • Including measuring and weighing instruments
17.120	Instruments • Including measuring instruments and installations
17.140	Instruments • Including measuring instruments and testing equipment
17.160	Instruments • Including measuring instruments and installations
49.090	Instruments • On-board equipment and instruments
11.040.30	Instruments • Surgical instruments and materials
11.060.25	Instruments • Dental instruments
17.040.30	Instruments • Measuring instruments
17.180.30	Instruments • Optical measuring instruments
17.200.20	Instruments • Temperature-measuring instruments
17.220.20	Instruments • Including measuring instruments, instrument transformers
39.040.99	Instruments • Other time-measuring instruments
97.200.20	Instruments • Musical instruments
29.035	Insulating • Insulating materials
29.040	Insulating • Insulating fluids
29.035.01	Insulating • Insulating materials in general
29.035.10	Insulating • Paper and board insulating materials
29.035.20	Insulating • Plastics and rubber insulating materials
29.035.30	Insulating • Glass and ceramic insulating materials
29.035.99	Insulating • Other insulating materials
29.040.01	Insulating • Insulating fluids in general
29.040.10	Insulating • Insulating oils
29.040.20	Insulating • Insulating gases
29.040.99	Insulating • Other insulating fluids
91.100.60	Insulating • Thermal and sound insulating materials
27.220	Insulation • Heat recovery. Thermal insulation
29.080	Insulation • Insulation
17.140.01	Insulation • Including acoustic insulation
29.080.01	Insulation • Electrical insulation in general
29.080.30	Insulation • Insulation systems
29.080.99	Insulation • Other standards related to insulation
91.120.10	Insulation • Thermal insulation of buildings
91.120.20	Insulation • Acoustics in building. Sound insulation
29.080.10	Insulators • Insulators
03.060	Insurance • Finances. Banking. Monetary systems. Insurance
31.200	Integrated • Integrated circuits. Microelectronics
33.080	Integrated • Integrated Services Digital Network (ISDN)
33.040.20	Integrated • Including synchronization, cable systems, integrated cabling, pathways and multiplexing
33.040.35	Integrated • Including Public Switched Telephone Networks (PSTN), Private Telecommunication Networks (PTN) and Private Integrated Service Networks (PISN)
03.140	Intellectual • Patents. Intellectual property
33.180.20	Interconnecting • Fibre optic interconnecting devices
35.100	Interconnection • Open systems interconnection (OSI)

35.200	Interconnection • Interface and interconnection equipment
35.100.01	Interconnection • Open systems interconnection in general
35.200	Interface • Interface and interconnection equipment
33.100	Interference • Including radio interference
91.180	Interior • Interior finishing
91.160.10	Interior • Interior lighting
55.180.99	Intermediate • Including intermediate bulk containers
35.100.05	International • Including International Standardized Profiles
35.080	Internet • Including software development, documentation, internet applications and use
77.140	Iron • Iron and steel products
23.040.10	Iron • Iron and steel pipes
73.060.10	Iron • Iron ores
77.140.01	Iron • Iron and steel products in general
77.140.80	Iron • Iron and steel castings
77.140.85	Iron • Iron and steel forgings
77.140.99	Iron • Other iron and steel products
97.060	Ironing • Including washing-machines, dry-cleaners, driers, ironing and pressing appliances, etc.
77.080.10	Irons • Irons
65.060.35	Irrigation • Irrigation and drainage equipment
33.080	ISDN • Integrated Services Digital Network (ISDN)
35.020	IT • Information technology (IT) in general
35.040	IT • Including coding of audio, picture, multimedia and hypermedia information, IT security techniques, encryption, bar coding, electronic signatures, etc.
35.180	IT • IT terminal and other peripheral equipment
35.240.20	IT • IT applications in office work
35.240.30	IT • IT applications in information, documentation and publishing
35.240.40	IT • IT applications in banking
35.240.50	IT • IT applications in industry
35.240.60	IT • IT applications in transport and trade
35.240.70	IT • IT applications in science
35.240.80	IT • IT applications in health care technology
35.240.99	IT • IT applications in other fields
55.100	Jars • Bottles. Pots. Jars
39	Jewellery • Precision mechanics. Jewellery
39.060	Jewellery • Jewellery
01.040.39	Jewellery • Precision mechanics. Jewellery (Vocabularies)
53.020.20	Jib • Including mobile cranes, tower cranes, jib cranes, bridge cranes, etc.
21.080	Joints • Hinges, eyelets and other articulated joints
23.040.60	Joints • Flanges, couplings and joints
25.160.40	Joints • Welded joints and welds
67.160.20	Juices • Including juices, nectars, mineral waters, lemonades, root beer, cola drinks, etc.
83.040.20	Kaolin • Including carbon black, kaolin clay, etc.
75.160.20	Kerosene • Including gasoline, diesel, kerosene, etc.
67.080.20	Ketchup • Including tomato concentrates, ketchup, etc.
71.080.80	Ketones • Aldehydes and ketones
21.120.30	Keys • Keys and keyways, splines
21.120.30	Keyways • Keys and keyways, splines
97.040	Kitchen • Kitchen equipment
91.140.70	Kitchen • Including bidets, kitchen sinks, baths, waste chutes, etc.
97.040.01	Kitchen • Kitchen equipment in general
97.040.10	Kitchen • Kitchen furniture
97.040.50	Kitchen • Small kitchen appliances
97.040.99	Kitchen • Other kitchen equipment
11.160	Kits • Including kits, equipment, facilities and medical transport for first aid
59.120.40	Knitting • Knitting machines
61.020	Knitwear • Including underwear, nightwear, knitwear, military clothing, hosiery, etc. and their labelling and size coding schemes
13.300	Labelling • Including performance requirements for dangerous goods, their handling, storage, transportation, marking, labelling, etc.
55.200	Labelling • Including labelling, marking, branding, filling, sealing machines, etc.
61.020	Labelling • Including underwear, nightwear, knitwear, military clothing, hosiery, etc. and their labelling and size coding schemes
71.040.10	Laboratories • Chemical laboratories. Laboratory equipment
11.100	Laboratory • Laboratory medicine
03.120.20	Laboratory • Including laboratory accreditation and audit programmes and auditing
11.100.01	Laboratory • Laboratory medicine in general
11.100.99	Laboratory • Other standards related to laboratory medicine
71.040.10	Laboratory • Chemical laboratories. Laboratory equipment
71.040.20	Laboratory • Laboratory ware and related apparatus
03.040	Labour • Labour. Employment
59.080.30	Lace • Including nonwovens, felts, lace, etc.
97.145	Ladders • Ladders
83.140.20	Laminated • Laminated sheets
29.140.10	Lamp • Lamp caps and holders
29.140	Lamps • Lamps and related equipment
91.160	Lamps • Including oil and gas lamps
29.140.01	Lamps • Lamps in general
29.140.20	Lamps • Incandescent lamps
29.140.30	Lamps • Fluorescent lamps. Discharge lamps
29.140.99	Lamps • Other standards related to lamps
35.110	LAN • Including local area networks (LAN), metropolitan area networks (MAN), wide area networks (WAN), etc.
13.030.40	Landfill • Including street cleaning equipment, waste containers, incineration and compaction equipment, equipment for dumping of refuse, landfill sites, etc.
65.020.40	Landscaping • Landscaping and silviculture
35.240.30	Language • Including Standard Generalized Markup Language (SGML), automatic translation machines, etc.
35.060	Languages • Languages used in information technology
31.260	Laser • Optoelectronics. Laser equipment
33.160.40	Laser • Including video tape recorders, cameras, cassettes, laser disks, etc.
83.040.10	Latex • Latex and raw rubber

25.080.10	Lathes • Lathes
49.140	Launch • Including space data and information transfer systems, and ground support equipment for launch site operations
97.060	Laundry • Laundry appliances
03.160	Law • Law. Administration
65.060.70	Lawnmowers • Including lawnmowers, equipment for olive cultivation and olive production
35.100.10	Layer • Physical layer
35.100.20	Layer • Data link layer
35.100.30	Layer • Network layer
35.100.40	Layer • Transport layer
35.100.50	Layer • Session layer
35.100.60	Layer • Presentation layer
35.100.70	Layer • Application layer
71.020	Layout • Including plant layout and services, process design and control, processing operations, security measures, etc.
77.120.60	Lead • Lead, zinc, tin and their alloys
77.150.60	Lead • Lead, zinc and tin products
59	Leather • Textile and leather technology
59.140	Leather • Leather technology
01.040.59	Leather • Textile and leather technology (Vocabularies)
59.140.01	Leather • Leather technology in general
59.140.30	Leather • Leather and furs
59.140.35	Leather • Leather products
59.140.40	Leather • Machines and equipment for leather and fur production
59.140.99	Leather • Other standards related to leather technology
13.340.50	Leg • Leg and foot protection
33.030	Legal • Including supplementary services, service aspects and associated legal tracability aspects
03.100.01	Legal • Including legal aspects and risk management
91.010.10	Legal • Legal aspects
03.200	Leisure • Leisure. Tourism
67.160.20	Lemonades • Including juices, nectars, mineral waters, lemonades, root beer, cola drinks, etc.
11.040.70	Lenses • Including ophthalmic implants, glasses, contact lenses and their cleaning products
35.260	Letter • Including typewriters, dictation equipment, addressing machines, letter opening machines, letter folding machines, postal franking machines, their ribbons and other accessories, etc.
03.240	Letter-boxes • Including postal equipment, post-boxes and letter-boxes, etc.
17.140.50	Level • Including sound level meters
01.140.20	Librarianship • Including documentation, librarianship and archive systems
13.020.60	Life-cycles • Product life-cycles
13.340.70	Lifejackets • Lifejackets, buoyancy aids and flotation devices
47.080	Life-saving • Including small craft systems and components, and life-saving appliances
53.020	Lifting • Lifting equipment
11.180.10	Lifting • Including wheelchairs, walking sticks and lifting platforms
47.020.40	Lifting • Lifting and cargo handling equipment
53.020.01	Lifting • Lifting appliances in general
53.020.30	Lifting • Accessories for lifting equipment
53.020.99	Lifting • Other lifting equipment
91.140.90	Lifts • Lifts. Escalators
43.100	Light • Passenger cars. Caravans and light trailers
55.120	Light • Light gauge metal and plastics containers
17.180.20	Light • Colours and measurement of light
97.180	Lighters • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
91.160	Lighting • Lighting
29.140.50	Lighting • Lighting installation systems
43.040.20	Lighting • Lighting, signalling and warning devices
91.160.01	Lighting • Lighting in general
91.160.10	Lighting • Interior lighting
91.160.20	Lighting • Exterior building lighting
93.080.40	Lighting • Street lighting and related equipment
97.200.10	Lighting • Including lighting equipment
91.120.40	Lightning • Lightning protection
73.040	Lignites • Including lignites
91.100.10	Lime • Cement. Gypsum. Lime. Mortar
17.040.10	Limits • Limits and fits
17.040	Linear • Linear and angular measurements
17.040.01	Linear • Linear and angular measurements in general
17.040.99	Linear • Other standards related to linear and angular measurements
97.160	Linen • Home textiles. Linen
29.240.20	Lines • Power transmission and distribution lines
33.040.50	Lines • Lines, connections and circuits
35.100.20	Link • Data link layer
53.020.30	Link • Including lifting hooks, shackles, link chains, wire ropes, etc.
77.140.65	Link • Steel wire, wire ropes and link chains
75.160.30	Liquefied • Including liquefied petroleum gases
31.120	Liquid • Including liquid crystal displays
13.030.20	Liquid • Liquid wastes. Sludge
27.060.10	Liquid • Liquid and solid fuel burners
75.160.20	Liquid • Liquid fuels
97.100.40	Liquid • Liquid fuel heaters
55.100	Liquids • Small containers for liquids and their closures
13.260	Live • Protection against electric shock. Live working
65.040.10	Livestock • Livestock buildings, installations and equipment
43.040.60	Load • Including vehicle frame and structure, heating devices, air-conditioning systems for passenger/driver compartments, roof load carriers, etc.
53.100	Loaders • Including tractors, excavators, loaders, graders, etc.
53.080	Loading • Including loading devices, shelves, etc.
91.080	Loading • Including design, loading on and calculation of structures
43.080.10	Loading • Including tanker trucks and loading compartments

- 55.180.40 **Loads** • Including reusable packages and unit loads
35.110 **Local** • Including local area networks (LAN), metropolitan area networks (MAN), wide area networks (WAN), etc.
21.060.30 **Locking** • Washers, locking elements
49.030.50 **Locking** • Washers and other locking elements
91.190 **Locks** • Including locks, buzzers, bells, bolts, door and window hardware, etc.
79.020 **Logging** • Including logging and wood treatment
31.200 **Logical** • Including electronic chips, logical and analogue microstructures
03.100.10 **Logistics** • Purchasing. Procurement. Logistics
59.120.30 **Looms** • Looms. Weaving machines
93.080.30 **Loop** • Including road traffic warning and control systems, devices and installations (speed controls, traffic signal installations, vehicle loop detectors, pavement markers, manholes, etc.)
33.160.50 **Loudspeakers** • Including headphones, loudspeakers, microphones, etc.
75.100 **Lubricants** • Lubricants, industrial oils and related products
43.060.30 **Lubricating** • Cooling systems. Lubricating systems
21.260 **Lubrication** • Lubrication systems
29.140.40 **Luminaires** • Luminaires
21.180 **Machine** • Housings, enclosures, other machine parts
25.060 **Machine** • Machine tool systems
25.080 **Machine** • Machine tools
25.060.01 **Machine** • Machine tool systems in general
25.060.99 **Machine** • Other machine tool systems
25.080.01 **Machine** • Machine tools in general
25.080.99 **Machine** • Other machine tools
35 **Machines** • Information technology. Office machines
21.020 **Machines** • Characteristics and design of machines, apparatus, equipment
23.140 **Machines** • Compressors and pneumatic machines
35.260 **Machines** • Office machines
55.200 **Machines** • Including labelling, marking, branding, filling, sealing machines, etc.
55.230 **Machines** • Distribution and vending machines
61.080 **Machines** • Sewing machines and other equipment for the clothing industry
65.060 **Machines** • Agricultural machines, implements and equipment
97.080 **Machines** • Including vacuum cleaners, floor-cleaning machines, floor polishers, steam cleaners, pressure cleaners, hand operated cleaners, etc.
01.040.35 **Machines** • Information technology. Office machines (Vocabularies)
17.140.20 **Machines** • Noise emitted by machines and equipment
21.120.40 **Machines** • Balancing and balancing machines
25.040.20 **Machines** • Numerically controlled machines
25.080.20 **Machines** • Boring and milling machines
25.080.25 **Machines** • Planing machines
25.080.30 **Machines** • Broaching machines
25.080.40 **Machines** • Drilling machines
25.080.50 **Machines** • Grinding and polishing machines
25.080.60 **Machines** • Sawing machines
25.100.25 **Machines** • Tools for planing and broaching machines
25.120.40 **Machines** • Electrochemical machines
29.160.10 **Machines** • Components for rotating machines
35.240.30 **Machines** • Including Standard Generalized Markup Language (SGML), automatic translation machines, etc.
37.100.10 **Machines** • Including printing, copying and duplicating machines, bookbinding equipment, etc.
59.120.10 **Machines** • Spinning, twisting and texturing machines
59.120.20 **Machines** • Winding machines and equipment
59.120.30 **Machines** • Looms. Weaving machines
59.120.40 **Machines** • Knitting machines
59.140.40 **Machines** • Machines and equipment for leather and fur production
65.040.10 **Machines** • Including milking machines
65.060.01 **Machines** • Agricultural machines and equipment in general
65.060.99 **Machines** • Other agricultural machines and equipment
79.120.10 **Machines** • Woodworking machines
25.040.10 **Machining** • Machining centres
77.120.20 **Magnesium** • Magnesium and magnesium alloys
77.150.20 **Magnesium** • Magnesium products
17.220 **Magnetic** • Electricity. Magnetism. Electrical and magnetic measurements
29.030 **Magnetic** • Magnetic materials
17.220.20 **Magnetic** • Measurement of electrical and magnetic quantities
29.100.10 **Magnetic** • Magnetic components
33.160.30 **Magnetic** • Including tape recorders, records, magnetic tapes, cassettes, CDs, etc.
35.220.20 **Magnetic** • Magnetic storage devices in general
35.220.21 **Magnetic** • Magnetic disks
35.220.22 **Magnetic** • Magnetic tapes
35.220.23 **Magnetic** • Cassettes and cartridges for magnetic tapes
77.140.40 **Magnetic** • Steels with special magnetic properties
17.220 **Magnetism** • Electricity. Magnetism. Electrical and magnetic measurements
17.220.01 **Magnetism** • Electricity. Magnetism. General aspects
17.220.99 **Magnetism** • Other standards related to electricity and magnetism
35.220.30 **Magneto-optical** • Including CD and magneto-optical devices (MO)
21.020 **Maintainability** • Including reliability, dependability, maintainability, durability, etc.
03.120.01 **Maintainability** • Including general aspects related to reliability and maintainability
43.180 **Maintenance** • Diagnostic, maintenance and test equipment
45.120 **Maintenance** • Equipment for railway/cableway construction and maintenance
49.100 **Maintenance** • Ground service and maintenance equipment
03.080.10 **Maintenance** • Including maintenance, cleaning, etc.
93.080.10 **Maintenance** • Including road maintenance equipment and road construction equipment
65.150 **Mammals** • Including hunting of marine mammals and reptiles, collection and breeding of aquatic molluscs and other marine products, equipment and installations for fishing and fish breeding, etc.
35.110 **MAN** • Including local area networks (LAN), metropolitan area networks (MAN), wide area networks (WAN), etc.
03 **Management** • Services. Company organization, management and quality. Administration. Transport. Sociology
01.120 **Management** • Including rules for the preparation of standards catalogues and management of technical documents

03.100	Management • Company organization and management
11.020	Management • Including quality and environmental management in health care technology
01.040.03	Management • Services. Company organization, management and quality. Administration. Transport. Sociology. (Vocabularies)
03.100.01	Management • Company organization and management in general
03.100.30	Management • Management of human resources
03.100.40	Management • Including project management, value analysis, etc.
03.100.50	Management • Production. Production management
03.100.99	Management • Other standards related to company organization and management
03.120.10	Management • Quality management and quality assurance
13.020.10	Management • Environmental management
13.020.30	Management • Including environmental risk management
73.060.20	Manganese • Manganese ores
93.080.30	Manholes • Including road traffic warning and control systems, devices and installations (speed controls, traffic signal installations, vehicle loop detectors, pavement markers, manholes, etc.)
25.040.30	Manipulators • Industrial robots. Manipulators
59.060.20	Man-made • Man-made fibres
59.120.10	Man-made • Including machines and equipment for manufacturing man-made filaments and fibres and for preparing fibres for spinning
53.120	Manual • Equipment for manual handling
01.110	Manuals • Including rules for preparation of user guides, manuals, product specifications, etc.
25	Manufacturing • Manufacturing engineering
25.020	Manufacturing • Manufacturing forming processes
83.020	Manufacturing • Manufacturing processes in the rubber and plastics industries
01.040.25	Manufacturing • Manufacturing engineering (Vocabularies)
59.120.10	Manufacturing • Including machines and equipment for manufacturing man-made filaments and fibres and for preparing fibres for spinning
01.080.30	Maps • Graphical symbols for use on mechanical engineering and construction drawings, diagrams, plans, maps and in relevant technical product documentation
47	Marine • Shipbuilding and marine structures
47.020	Marine • Shipbuilding and marine structures in general
65.150	Marine • Including hunting of marine mammals and reptiles, collection and breeding of aquatic molluscs and other marine products, equipment and installations for fishing and fish breeding, etc.
01.040.47	Marine • Shipbuilding and marine structures (Vocabularies)
47.020.01	Marine • General standards related to shipbuilding and marine structures
47.020.20	Marine • Marine engines and propulsion systems
47.020.60	Marine • Electrical equipment of ships and of marine structures
47.020.90	Marine • Marine ventilation, air conditioning and heating systems
47.020.99	Marine • Other standards related to shipbuilding and marine structures
67.120.30	Marine • Including aquatic molluscs and other marine products
93.080.30	Markers • Including road traffic warning and control systems, devices and installations (speed controls, traffic signal installations, vehicle loop detectors, pavement markers, manholes, etc.)
03.100.20	Marketing • Trade. Commercial function. Marketing
13.300	Marking • Including performance requirements for dangerous goods, their handling, storage, transportation, marking, labelling, etc.
55.200	Marking • Including labelling, marking, branding, filling, sealing machines, etc.
35.240.30	Markup • Including Standard Generalized Markup Language (SGML), automatic translation machines, etc.
91.080.30	Masonry • Masonry
17.060	Mass • Measurement of volume, mass, density, viscosity
97.170	Massage • Including hair-driers, razors, shavers, toothbrushes, massage appliances, radiation skin treatment appliances, etc.
97.180	Matches • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
55.060	Material • Including holders, supports, etc. for externally wound or mounted material
53	Materials • Materials handling equipment
91	Materials • Construction materials and building
13.310	Materials • Including security services, security procedures, burglar alarm devices, burglary resisting materials and equipment, bullet resisting materials and equipment, anti-theft devices for vehicles, safes, strong rooms, etc.
17.020	Materials • Including measuring instruments in general, preferred numbers, standard measures, general aspects of reference materials, etc.
29.030	Materials • Magnetic materials
29.035	Materials • Insulating materials
29.045	Materials • Semiconducting materials
29.050	Materials • Superconductivity and conducting materials
37.020	Materials • Including microscopes, telescopes, binoculars, optical materials, optical components and optical systems
45.040	Materials • Materials and components for railway engineering
45.060	Materials • Including materials, components, electric and electronic equipment for railway rolling stock
49.025	Materials • Materials for aerospace construction
55.040	Materials • Packaging materials and accessories
55.140	Materials • Containers mainly for transportation of fluids, including also casks, pails, large tin cans for shipping materials, etc.
55.160	Materials • Containers for solid goods or objects and bulk materials
59.040	Materials • Textile auxiliary materials
59.100	Materials • Materials for the reinforcement of composites
67.250	Materials • Materials and articles in contact with foodstuffs
75.140	Materials • Waxes, bituminous materials and other petroleum products
77.160	Materials • Including sintered metal materials and hardmetals
83.040	Materials • Raw materials for rubber and plastics
83.100	Materials • Cellular materials
91.100	Materials • Construction materials
97.195	Materials • Including equipment and materials for creating items of art and handicrafts
01.040.53	Materials • Materials handling equipment (Vocabularies)
01.040.91	Materials • Construction materials and building (Vocabularies)
11.040.30	Materials • Surgical instruments and materials
11.040.55	Materials • Including medical monitoring equipment, medical thermometers and related materials
11.060.10	Materials • Dental materials
13.080.99	Materials • Including agricultural aspects related to soils and re-use of soil materials
13.220.40	Materials • Ignitability and burning behaviour of materials and products
13.220.50	Materials • Fire-resistance of building materials and elements
23.040.50	Materials • Pipes and fittings of other materials

27.120.30	Materials • Fissile materials and nuclear fuel technology
29.035.01	Materials • Insulating materials in general
29.035.10	Materials • Paper and board insulating materials
29.035.20	Materials • Plastics and rubber insulating materials
29.035.30	Materials • Glass and ceramic insulating materials
29.035.50	Materials • Mica based materials
29.035.99	Materials • Other insulating materials
37.100.20	Materials • Materials for graphic technology
47.020.05	Materials • Materials and components for shipbuilding
49.025.01	Materials • Materials for aerospace construction in general
49.025.99	Materials • Other materials
59.100.01	Materials • Materials for the reinforcement of composites in general
59.100.10	Materials • Textile glass materials
59.100.20	Materials • Carbon materials
59.100.30	Materials • Aramide materials
59.100.99	Materials • Other materials for the reinforcement of composites
59.140.10	Materials • Processes and auxiliary materials
59.140.35	Materials • Including trunks, suitcases, handbags, purses, wallets, dog-collars, etc. made of materials other than leather
71.040.30	Materials • Including reference materials
71.100.10	Materials • Materials for aluminium production
81.040.10	Materials • Raw materials and raw glass
81.060.10	Materials • Raw materials
83.040.01	Materials • Raw materials for rubber and plastics in general
83.040.30	Materials • Auxiliary materials and additives for plastics
83.080.10	Materials • Thermosetting materials
83.080.20	Materials • Thermoplastic materials
91.100.01	Materials • Construction materials in general
91.100.15	Materials • Mineral materials and products
91.100.50	Materials • Binders. Sealing materials
91.100.60	Materials • Thermal and sound insulating materials
91.100.99	Materials • Other construction materials
93.080.20	Materials • Road construction materials
07	Mathematics • Mathematics. Natural Sciences
07.020	Mathematics • Mathematics
01.040.07	Mathematics • Mathematics. Natural sciences (Vocabularies)
59.080.60	Mats • Including carpets, rugs, floor mats, etc.
43.040.80	Matters • Including airbags, safety belts, traffic accident issues and safety enhancement matters
97.140	Mattresses • Including upholstery, mattresses, office furniture, school furniture, etc.
17	Measurement • Metrology and measurement. Physical phenomena
17.020	Measurement • Metrology and measurement in general
17.060	Measurement • Measurement of volume, mass, density, viscosity
17.080	Measurement • Measurement of time, velocity, acceleration, angular velocity
17.100	Measurement • Measurement of force, weight and pressure
17.120	Measurement • Measurement of fluid flow
01.040.17	Measurement • Metrology and measurement. Physical phenomena (Vocabularies)
17.120.01	Measurement • Measurement of fluid flow in general
17.180.20	Measurement • Colours and measurement of light
17.220.20	Measurement • Measurement of electrical and magnetic quantities
25.040.40	Measurement • Industrial process measurement and control
17.040	Measurements • Linear and angular measurements
17.140	Measurements • Acoustics and acoustic measurements
17.160	Measurements • Vibrations, shock and vibration measurements
17.180	Measurements • Optics and optical measurements
17.200	Measurements • Thermodynamics and temperature measurements
17.220	Measurements • Electricity. Magnetism. Electrical and magnetic measurements
17.240	Measurements • Radiation measurements
17.040.01	Measurements • Linear and angular measurements in general
17.040.99	Measurements • Other standards related to linear and angular measurements
17.140.01	Measurements • Acoustic measurements and noise abatement in general
17.180.01	Measurements • Optics and optical measurements in general
17.180.99	Measurements • Other standards related to optics and optical measurements
75.180.30	Measurements • Volumetric equipment and measurements
17.020	Measures • Including measuring instruments in general, preferred numbers, standard measures, general aspects of reference materials, etc.
71.020	Measures • Including plant layout and services, process design and control, processing operations, security measures, etc.
67.120	Meat • Meat, meat products and other animal produce
67.120.10	Meat • Meat and meat products
21	Mechanical • Mechanical systems and components for general use
11.200	Mechanical • Birth control. Mechanical contraceptives
19.060	Mechanical • Mechanical testing
31.240	Mechanical • Mechanical structures for electronic equipment
01.040.21	Mechanical • Mechanical systems and components for general use (Vocabularies)
01.080.30	Mechanical • Graphical symbols for use on mechanical engineering and construction drawings, diagrams, plans, maps and in relevant technical product documentation
01.100.20	Mechanical • Mechanical engineering drawings
25.160.40	Mechanical • Including welding position and mechanical and non-destructive testing of welded joints
77.040.10	Mechanical • Mechanical testing of metals
39	Mechanics • Precision mechanics. Jewellery
39.020	Mechanics • Precision mechanics
01.040.39	Mechanics • Precision mechanics. Jewellery (Vocabularies)
21.240	Mechanisms • Rotary-reciprocating mechanisms and their parts
11.020	Medical • Medical sciences and health care facilities in general
11.040	Medical • Medical equipment
11.140	Medical • Including hospital beds, surgical tables, medical garments, medical gloves, containers for sharp disposal, etc.
11.160	Medical • Including kits, equipment, facilities and medical transport for first aid
07.100.10	Medical • Medical microbiology

11.040.01	Medical • Medical equipment in general
11.040.10	Medical • Including medical gas installations
11.040.55	Medical • Including medical monitoring equipment, medical thermometers and related materials
11.040.99	Medical • Other medical equipment
11.100.20	Medical • Biological evaluation of medical devices
11.120.10	Medical • Including medical prescriptions and medicinal herbs
37.040.25	Medical • Including dental, medical and industrial radiographic films
11.120.10	Medicaments • Medicaments
11.120.10	Medicinal • Including medical prescriptions and medicinal herbs
11.100	Medicine • Laboratory medicine
11.220	Medicine • Veterinary medicine
11.100.01	Medicine • Laboratory medicine in general
11.100.99	Medicine • Other standards related to laboratory medicine
65.080	Medium • Including soil conditioners and culture medium
33.070.20	Message • Including European Radio Message System (ERMES)
55.120	Metal • Light gauge metal and plastics containers
75.100	Metal • Including mineral oils, fluids for metal working and for temporary protection against corrosion
77.150	Metal • Including products of non-ferrous metal alloys
77.160	Metal • Including sintered metal materials and hardmetals
23.040.15	Metal • Non-ferrous metal pipes
23.040.40	Metal • Metal fittings
59.060.30	Metal • Mineral and metal fibres
91.080.10	Metal • Metal structures
25.220.40	Metallurgical • Metallic coatings
73.060	Metalliferous • Metalliferous minerals and their concentrates
73.060.01	Metalliferous • Metalliferous minerals in general
73.060.99	Metalliferous • Other metalliferous minerals
77.180	Metallurgical • Equipment for the metallurgical industry
77	Metallurgy • Metallurgy
77.160	Metallurgy • Powder metallurgy
01.040.77	Metallurgy • Metallurgy (Vocabularies)
39.060	Metals • Including precious metals, precious and semi-precious stones
77.020	Metals • Production of metals
77.040	Metals • Testing of metals
77.060	Metals • Corrosion of metals
77.080	Metals • Ferrous metals
77.120	Metals • Non-ferrous metals
77.150	Metals • Products of non-ferrous metals
25.160.20	Metals • Including electrodes, filler metals, gases, etc.
77.040.01	Metals • Testing of metals in general
77.040.10	Metals • Mechanical testing of metals
77.040.20	Metals • Non-destructive testing of metals
77.040.30	Metals • Chemical analysis of metals
77.040.99	Metals • Other methods of testing of metals
77.080.01	Metals • Ferrous metals in general
77.120.01	Metals • Non-ferrous metals in general
77.120.99	Metals • Other non-ferrous metals and their alloys
77.150.01	Metals • Products of non-ferrous metals in general
77.150.99	Metals • Other products of non-ferrous metals
07.060	Meteorology • Geology. Meteorology. Hydrology
17.140.50	Meters • Including sound level meters
91.140.40	Meters • Including gas meters in buildings
91.140.50	Meters • Including electric energy meters in buildings, emergency electrical supplies, etc.
91.140.60	Meters • Including water meters in buildings
21.040.10	Metric • Metric screw threads
17	Metrology • Metrology and measurement. Physical phenomena
17.020	Metrology • Metrology and measurement in general
01.040.17	Metrology • Metrology and measurement. Physical phenomena (Vocabularies)
35.110	Metropolitan • Including local area networks (LAN), metropolitan area networks (MAN), wide area networks (WAN), etc.
73.080	Mica • Including mica, fluorspar, etc.
29.035.50	Mica • Mica based materials
31.060.20	Mica • Ceramic and mica capacitors
07.100	Microbiology • Microbiology
07.100.01	Microbiology • Microbiology in general
07.100.10	Microbiology • Medical microbiology
07.100.20	Microbiology • Microbiology of water
07.100.30	Microbiology • Food microbiology
07.100.99	Microbiology • Other standards related to microbiology
31.200	Microelectronics • Integrated circuits. Microelectronics
37.080	Micrographic • Including micrographic, electronic and optical applications
33.160.50	Microphones • Including headphones, loudspeakers, microphones, etc.
35.160	Microprocessor • Microprocessor systems
37.020	Microscopes • Including microscopes, telescopes, binoculars, optical materials, optical components and optical systems
31.200	Microstructures • Including electronic chips, logical and analogue microstructures
39.020	Microsystems • Including microsystems
97.040.20	Microwave • Including microwave ovens and stove hoods
95	Military • Military engineering
03.160	Military • Including flags and associated symbols (emblems) of political and administrative entities, military flags, flags of organizations, etc.
61.020	Military • Including underwear, nightwear, knitwear, military clothing, hosiery, etc. and their labelling and size coding schemes
95.020	Military • Military engineering. Military affairs. Weapons
01.040.95	Military • Military engineering (Vocabularies)
67.100	Milk • Milk and milk products
67.100.01	Milk • Milk and milk products in general
67.100.10	Milk • Milk and processed milk products
67.100.99	Milk • Other milk products

65.040.10	Milking • Including milking machines
73.120	Milling • Including equipment for milling, sizing, separation, flotation, concentration, etc.
25.080.20	Milling • Boring and milling machines
25.100.20	Milling • Milling tools
73.100.30	Mine • Equipment for drilling and mine excavation
73.020	Mineral • Including exploration, opening-up, development, working of mineral deposits, drilling, construction of mines, mining operations, processing of minerals, etc.
75.100	Mineral • Including mineral oils, fluids for metal working and for temporary protection against corrosion
59.060.30	Mineral • Mineral and metal fibres
67.160.20	Mineral • Including juices, nectars, mineral waters, lemonades, root beer, cola drinks, etc.
91.100.15	Mineral • Mineral materials and products
73	Minerals • Mining and minerals
73.020	Minerals • Including exploration, opening-up, development, working of mineral deposits, drilling, construction of mines, mining operations, processing of minerals, etc.
73.060	Minerals • Metalliferous minerals and their concentrates
73.080	Minerals • Non-metalliferous minerals
73.120	Minerals • Equipment for processing of minerals
01.040.73	Minerals • Mining and minerals (Vocabularies)
73.060.01	Minerals • Metalliferous minerals in general
73.060.99	Minerals • Other metalliferous minerals
73.020	Mines • Including exploration, opening-up, development, working of mineral deposits, drilling, construction of mines, mining operations, processing of minerals, etc.
21.040.30	Miniature • Including miniature screw threads, pipe threads, etc.
73	Mining • Mining and minerals
47.020	Mining • Including of fshore structures, except offshore structures for petroleum and natural gas industries, and seabed mining
73.020	Mining • Mining and quarrying
73.100	Mining • Mining equipment
01.040.73	Mining • Mining and minerals (Vocabularies)
73.100.01	Mining • Mining equipment in general
73.100.30	Mining • Including equipment for seabed mining
73.100.99	Mining • Other mining equipment
43.040.65	Mirrors • Including cleaning, defrosting and demisting devices, mirrors, etc.
13.340.40	Mits • Including protective gloves, sleeves and mits
91.220	Mixers • Including scaffolding, mixers for concrete and mortar, etc.
59.060.01	Mixtures • Including mixtures of fibres
35.220.30	MO • Including CD and magneto-optical devices (MO)
35.180	Modems • Including modems
25.060.10	Modular • Modular units and other devices
91.010.30	Modular • Including tolerances, modular coordination, etc.
31.190	Modules • Including preassembled modules
67.180.10	Molasses • Including molasses, sweets, sugar confectionary, honey, etc.
65.150	Molluscs • Including hunting of marine mammals and reptiles, collection and breeding of aquatic molluscs and other marine products, equipment and installations for fishing and fish breeding, etc.
67.120.30	Molluscs • Including aquatic molluscs and other marine products
03.060	Monetary • Finances. Banking. Monetary systems. Insurance
11.040.55	Monitoring • Including medical monitoring equipment, medical thermometers and related materials
43.140	Mopeds • Motorcycles and mopeds
97.180	Mops • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
91.220	Mortar • Including scaffolding, mixers for concrete and mortar, etc.
91.100.10	Mortar • Cement. Gypsum. Lime. Mortar
37.060.10	Motion • Motion picture equipment
37.060.20	Motion • Motion picture films. Cartridges
43.140	Motorcycles • Motorcycles and mopeds
23.100.10	Motors • Pumps and motors
29.160.30	Motors • Motors
43.060.50	Motors • Including ignition systems and starter motors
25.120.30	Moulding • Moulding equipment
97.220.40	Mountaineering • Including equipment for mountaineering, football, tennis, swimming, diving, etc.
11.180.10	Moving • Aids and adaptation for moving
13.340.20	Muffs • Including helmets, eye protectors, hearing protectors, ear muffs, teeth protectors and hoods.
35.100.05	Multilayer • Multilayer applications
35.040	Multimedia • Including coding of audio, picture, multimedia and hypermedia information, IT security techniques, encryption, bar coding, electronic signatures, etc.
33.160.60	Multimedia • Multimedia systems and teleconferencing equipment
33.040.20	Multiplexing • Including synchronization, cable systems, integrated cabling, pathways and multiplexing
97.200.20	Musical • Musical instruments
21.060.50	Nails • Pins, nails
49.030.40	Nails • Pins, nails
47.060	Navigation • Inland navigation vessels
49.090	Navigation • Including navigation instruments and telecommunications equipment
43.040.15	Navigation • Including navigation systems, car radio, etc.
47.020.70	Navigation • Navigation and control equipment
67.160.20	Nectars • Including juices, nectars, mineral waters, lemonades, root beer, cola drinks, etc.
11.040.25	Needles • Syringes, needles and catheters
55.180.30	Nets • Air mode containers, pallets and nets
33.040	Network • Including network (system) aspects
33.080	Network • Integrated Services Digital Network (ISDN)
33.040.50	Network • Including access networks and network elements
35.100.30	Network • Network layer
35.110	Networking • Networking
29.240	Networks • Power transmission and distribution networks
35.110	Networks • Including local area networks (LAN), metropolitan area networks (MAN), wide area networks (WAN), etc.
29.240.01	Networks • Power transmission and distribution networks in general
29.240.99	Networks • Other equipment related to power transmission and distribution networks
33.040.35	Networks • Telephone networks

33.040.40	Networks • Data communication networks
33.040.50	Networks • Including access networks and network elements
77.120.40	Nickel • Nickel, chromium and their alloys
77.150.40	Nickel • Nickel and chromium products
61.020	Nightwear • Including underwear, nightwear, knitwear, military clothing, hosiery, etc. and their labelling and size coding schemes
25.140.30	Nippers • Including wrenches, screwdrivers, pliers, nippers, hammers, etc.
71.080.30	Nitrogen • Organic nitrogen compounds
13.140	Noise • Noise with respect to human beings
17.140.01	Noise • Acoustic measurements and noise abatement in general
17.140.20	Noise • Noise emitted by machines and equipment
17.140.30	Noise • Noise emitted by means of transport
83.140.30	Non • Plastics pipes and fittings for non fluid use
67.160.20	Non-alcoholic • Non-alcoholic beverages
77.140.45	Non-alloyed • Non-alloyed steels
19.100	Non-destructive • Non-destructive testing
25.160.40	Non-destructive • Including welding position and mechanical and non-destructive testing of welded joints
77.040.20	Non-destructive • Non-destructive testing of metals
77.120	Non-ferrous • Non-ferrous metals
77.150	Non-ferrous • Products of non-ferrous metals
23.040.15	Non-ferrous • Non-ferrous metal pipes
49.025.15	Non-ferrous • Non-ferrous alloys in general
77.120.01	Non-ferrous • Non-ferrous metals in general
77.120.99	Non-ferrous • Other non-ferrous metals and their alloys
77.150.01	Non-ferrous • Products of non-ferrous metals in general
77.150.99	Non-ferrous • Other products of non-ferrous metals
73.080	Non-metalliferous • Non-metalliferous minerals
97.150	Non-textile • Non-textile floor coverings
59.080.30	Nonwovens • Including nonwovens, felts, lace, etc.
27.120	Nuclear • Nuclear energy engineering
27.120.01	Nuclear • Nuclear energy in general
27.120.20	Nuclear • Nuclear power plants. Safety
27.120.30	Nuclear • Fissile materials and nuclear fuel technology
27.120.99	Nuclear • Other standards related to nuclear energy
17.020	Numbers • Including measuring instruments in general, preferred numbers, standard measures, general aspects of reference materials, etc.
25.040.20	Numerically • Numerically controlled machines
21.060.20	Nuts • Nuts
49.030.30	Nuts • Nuts
67.080.10	Nuts • Including nuts
55.160	Objects • Containers for solid goods or objects and bulk materials
13.100	Occupational • Occupational safety. Industrial hygiene
35.240.20	ODA • Including text processing systems, text communication, text presentation, Office Document Architecture (ODA), etc.
35	Office • Information technology. Office machines
35.260	Office • Office machines
97.140	Office • Including upholstery, mattresses, office furniture, school furniture, etc.
01.040.35	Office • Information technology. Office machines (Vocabularies)
35.240.20	Office • IT applications in office work
85.080.10	Office • Office paper
47.020	Offshore • Including offshore structures, except offshore structures for petroleum and natural gas industries, and seabed mining
75.180.10	Offshore • Including offshore structures
91.160	Oil • Including oil and gas lamps
67.200	Oils • Edible oils and fats. Oilseeds
75.100	Oils • Lubricants, industrial oils and related products
29.040.10	Oils • Insulating oils
67.200.10	Oils • Animal and vegetable fats and oils
71.100.60	Oils • Essential oils
67.200	Oilseeds • Edible oils and fats. Oilseeds
67.200.20	Oilseeds • Oilseeds
65.060.70	Olive • Including lawnmowers, equipment for olive cultivation and olive production
49.090	On-board • On-board equipment and instruments
35.100	Open • Open systems interconnection (OSI)
17.120.20	Open • Flow in open channels
35.100.01	Open • Open systems interconnection in general
35.260	Opening • Including typewriters, dictation equipment, addressing machines, letter opening machines, letter folding machines, postal franking machines, their ribbons and other accessories, etc.
73.020	Opening-up • Including exploration, opening-up, development, working of mineral deposits, drilling, construction of mines, mining operations, processing of minerals, etc.
97.080	Operated • Including vacuum cleaners, floor-cleaning machines, floor polishers, steam cleaners, pressure cleaners, hand operated cleaners, etc.
49.140	Operations • Space systems and operations
71.020	Operations • Including plant layout and services, process design and control, processing operations, security measures, etc.
73.020	Operations • Including exploration, opening-up, development, working of mineral deposits, drilling, construction of mines, mining operations, processing of minerals, etc.
11.040.70	Ophthalmic • Ophthalmic equipment
33.180	Optic • Fibre optic communications
33.180.01	Optic • Fibre optic systems in general
33.180.20	Optic • Fibre optic interconnecting devices
33.180.30	Optic • Optic amplifiers
33.180.99	Optic • Other fibre optic equipment
17.180	Optical • Optics and optical measurements
37.020	Optical • Optical equipment
37.080	Optical • Including micrographic, electronic and optical applications
17.180.01	Optical • Optics and optical measurements in general
17.180.30	Optical • Optical measuring instruments
17.180.99	Optical • Other standards related to optics and optical measurements
35.220.30	Optical • Optical storage devices

17.180	Optics • Optics and optical measurements
17.180.01	Optics • Optics and optical measurements in general
17.180.99	Optics • Other standards related to optics and optical measurements
31.260	Optoelectronics • Optoelectronics. Laser equipment
73.060.10	Ores • Iron ores
73.060.20	Ores • Manganese ores
73.060.30	Ores • Chromium ores
73.060.40	Ores • Aluminium ores
71.080	Organic • Organic chemicals
25.220.60	Organic • Organic coatings
71.080.01	Organic • Organic chemicals in general
71.080.30	Organic • Organic nitrogen compounds
71.080.40	Organic • Organic acids
71.080.99	Organic • Other organic chemicals
03	Organization • Services. Company organization, management and quality. Administration. Transport. Sociology
03.100	Organization • Company organization and management
01.040.03	Organization • Services. Company organization, management and quality. Administration. Transport. Sociology. (Vocabularies)
03.100.01	Organization • Company organization and management in general
03.100.99	Organization • Other standards related to company organization and management
03.160	Organizations • Including flags and associated symbols (emblems) of political and administrative entities, military flags, flags of organizations, etc.
11.040.40	Orthotics • Implants for surgery, prosthetics and orthotics
35.100	OSI • Open systems interconnection (OSI)
11.180.20	Ostomy • Aids for incontinence and ostomy
29.260.10	Outdoor • Electrical installations for outdoor use
97.220.40	Outdoor • Outdoor and water sports equipment
97.040.20	Ovens • Cooking ranges, working tables, ovens and similar appliances
29.120.50	Overcurrent • Fuses and other overcurrent protection devices
71.060.20	Oxides • Oxides
11.040.40	Pacemakers • Including pacemakers
55.180.40	Packages • Complete, filled transport packages
55	Packaging • Packaging and distribution of goods
55.020	Packaging • Packaging and distribution of goods in general
55.040	Packaging • Packaging materials and accessories
55.200	Packaging • Packaging machinery
01.040.55	Packaging • Packaging and distribution of goods (Vocabularies)
11.080.30	Packaging • Sterilized packaging
33.040.40	Packet • Including Packet Switched Public Data Networks (PSPDN) and Ethernet
11.040.20	Packs • Including blood packs
35.220.21	Packs • Including flexible disks, diskettes, disk packs, disk cartridges, etc.
33.050.20	Paging • Paging equipment
33.070.20	Paging • Paging systems
55.140	Pails • Containers mainly for transportation of fluids, including also casks, pails, large tin cans for shipping materials, etc.
87	Paint • Paint and colour industries
87.020	Paint • Paint coating processes
87.040	Paint • Including coating powders, paint coatings and protective paint systems
87.060	Paint • Paint ingredients
87.100	Paint • Paint coating equipment
01.040.87	Paint • Paint and colour industries (Vocabularies)
87.060.01	Paint • Paint ingredients in general
87.060.99	Paint • Other paint ingredients
25.220.10	Painting • Including surface preparation for painting, cleaning, scouring, blasting, etc.
87.040	Paints • Paints and varnishes
55.180.20	Pallets • General purpose pallets
55.180.30	Pallets • Air mode containers, pallets and nets
79.060	Panels • Wood-based panels
79.060.01	Panels • Wood-based panels in general
79.060.99	Panels • Other wood-based panels
85	Paper • Paper technology
55.040	Paper • Including wrappers, paper, films, foils, cords, sealing devices, cushioning, etc.
85.020	Paper • Paper production processes
85.060	Paper • Paper and board
85.080	Paper • Paper products
85.100	Paper • Equipment for the paper industry
97.180	Paper • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
01.040.85	Paper • Paper technology (Vocabularies)
29.035.10	Paper • Paper and board insulating materials
31.060.30	Paper • Paper and plastics capacitors
35.220.10	Paper • Paper cards and tapes
37.040.20	Paper • Photographic paper, films and plates. Cartridges
85.080.01	Paper • Paper products in general
85.080.10	Paper • Office paper
85.080.20	Paper • Tissue paper
85.080.99	Paper • Other paper products
79.080	Parquet • Including parquet, wood paving, handles, etc.
11.180.30	Partially • Aids for blind or partially sighted people
19.120	Particle • Particle size analysis. Sieving
79.060.20	Particle • Fibre and particle boards
91.060.10	Partitions • Walls. Partitions. Façades
43.100	Passenger • Passenger cars. Caravans and light trailers
49.095	Passenger • Passenger and cabin equipment
43.040.60	Passenger • Including vehicle frame and structure, heating devices, air-conditioning systems for passenger/driver compartments, roof load carriers, etc.
03.140	Patents • Patents. Intellectual property
33.040.20	Pathways • Including synchronization, cable systems, integrated cabling, pathways and multiplexing

93.080.30	Pavement • Including road traffic warning and control systems, devices and installations (speed controls, traffic signal installations, vehicle loop detectors, pavement markers, manholes, etc.)
93.080.20	Pavements • Including asphalts, road pavements, etc.
79.080	Paving • Including parquet, wood paving, handles, etc.
35.160	PCs • Including PCs, calculators, etc.
75.160.10	Peat • Including coal products, coke, peat, wood, derivatives of coal pyrolysis, etc.
13.080	Pedology • Soil quality. Pedology
13.080.01	Pedology • Soil quality and pedology in general
59.140.20	Pelts • Raw skins, hides and pelts
97.180	Pencils • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
19.100	Penetrant • Including testing equipment: industrial apparatus for X-ray and gamma radiography, penetrant flaw detectors, etc.
97.180	Pens • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
11.180	People • Including aids for elderly people
11.180.15	People • Aids for deaf and hearing impaired people
11.180.30	People • Aids for blind or partially sighted people
11.180.99	People • Other standards related to aids for disabled and handicapped people
35.180	Peripheral • IT terminal and other peripheral equipment
71.060.20	Peroxides • Including dioxides, peroxides, etc.
03.060	Personal • Including personal financial planning
11.180	Persons • Aids for disabled or handicapped persons
11.180.01	Persons • Aids for disabled and handicapped persons in general
65.100	Pesticides • Pesticides and other agrochemicals
65.100.01	Pesticides • Pesticides and other agrochemicals in general
65.100.99	Pesticides • Other pesticides and agrochemicals
75.200	Petrol • Including petroleum and natural gas storage devices, distribution systems, pipelines, petrol stations, dispensing devices, etc.
75	Petroleum • Petroleum and related technologies
47.020	Petroleum • Including offshore structures, except offshore structures for petroleum and natural gas industries, and seabed mining
75.020	Petroleum • Extraction and processing of petroleum and natural gas
75.040	Petroleum • Crude petroleum
75.080	Petroleum • Petroleum products in general
75.140	Petroleum • Waxes, bituminous materials and other petroleum products
75.180	Petroleum • Equipment for petroleum and natural gas industries
75.200	Petroleum • Petroleum products and natural gas handling equipment
01.040.75	Petroleum • Petroleum and related technologies (Vocabularies)
75.160.30	Petroleum • Including liquefied petroleum gases
75.180.01	Petroleum • Equipment for petroleum and natural gas industries in general
75.180.99	Petroleum • Other equipment for petroleum and natural gas industries
11.120.99	Pharmaceutical • Including equipment for pharmaceutical industry
11.120	Pharmaceutics • Pharmaceutics
11.120.01	Pharmaceutics • Pharmaceutics in general
11.120.99	Pharmaceutics • Other standards related to pharmaceutics
71.080.90	Phenols • Phenols
17	Phenomena • Metrology and measurement. Physical phenomena
01.040.17	Phenomena • Metrology and measurement. Physical phenomena (Vocabularies)
31.260	Photoelectric • Including photoelectric tubes and cells
37.040.10	Photographic • Photographic equipment. Projectors
37.040.20	Photographic • Photographic paper, films and plates. Cartridges
37.040.30	Photographic • Photographic chemicals
37.040	Photography • Photography
37.040.01	Photography • Photography in general
37.040.99	Photography • Other standards related to photography
27.160	Photovoltaic • Including photovoltaic energy systems
07.030	Physics • Physics. Chemistry
53.120	Picks • Including shovels, spades, crowbars, picks, etc.
35.040	Picture • Including coding of audio, picture, multimedia and hypermedia information, IT security techniques, encryption, bar coding, electronic signatures, etc.
37.060.10	Picture • Motion picture equipment
37.060.20	Picture • Motion picture films. Cartridges
31.140	Piezoelectric • Piezoelectric devices
83.040.30	Pigments • Including fillers, extenders, hardeners, pigments, plasticizers, etc.
87.060.10	Pigments • Pigments and extenders
21.060.50	Pins • Pins, nails
49.030.40	Pins • Pins, nails
21.040.30	Pipe • Including miniature screw threads, pipe threads, etc.
23.040.80	Pipe • Seals for pipe and hose assemblies
23.040	Pipeline • Pipeline components and pipelines
23.040.01	Pipeline • Pipeline components and pipelines in general
23.040.99	Pipeline • Other pipeline components
23.040	Pipelines • Pipeline components and pipelines
75.200	Pipelines • Including petroleum and natural gas storage devices, distribution systems, pipelines, petrol stations, dispensing devices, etc.
23.040.01	Pipelines • Pipeline components and pipelines in general
23.040.10	Pipes • Iron and steel pipes
23.040.15	Pipes • Non-ferrous metal pipes
23.040.20	Pipes • Plastics pipes
23.040.50	Pipes • Pipes and fittings of other materials
77.140.75	Pipes • Steel pipes and tubes for specific use
83.140.30	Pipes • Plastics pipes and fittings for non fluid use
91.060.40	Pipes • Including flues and flue pipes
23.100.40	Piping • Piping and couplings
47.020.30	Piping • Piping systems
33.040.35	PISN • Including Public Switched Telephone Networks (PSTN), Private Telecommunication Networks (PTN) and Private Integrated Service Networks (PISN)
21.240	Piston-rings • Including pistons, piston-rings, crankshafts, etc. for general engineering

- 21.240 **Pistons** • Including pistons, piston-rings, crankshafts, etc. for general engineering
- 21.100.10 **Plain** • Plain bearings
- 25.080.25 **Planing** • Planing machines
- 25.100.25 **Planing** • Tools for planing and broaching machines
- 03.060 **Planning** • Including personal financial planning
- 91.020 **Planning** • Physical planning. Town planning
- 01.080.30 **Plans** • Graphical symbols for use on mechanical engineering and construction drawings, diagrams, plans, maps and in relevant technical product documentation
- 71.020 **Plant** • Including plant layout and services, process design and control, processing operations, security measures, etc.
- 65.020.20 **Plant** • Plant growing
- 65.060.40 **Plant** • Plant care equipment
- 65.060.30 **Planting** • Sowing and planting equipment
- 27.100 **Plants** • Including thermal power plants
- 67.260 **Plants** • Plants and equipment for the food industry
- 27.120.20 **Plants** • Nuclear power plants. Safety
- 25.160 **Plasma** • Including gas welding, electric welding, plasma welding, electron beam welding, plasma cutting, etc.
- 83 **Plastic** • Rubber and plastic industries
- 83.040.30 **Plasticizers** • Including fillers, extenders, hardeners, pigments, plasticizers, etc.
- 55.120 **Plastics** • Light gauge metal and plastics containers
- 83.020 **Plastics** • Manufacturing processes in the rubber and plastics industries
- 83.040 **Plastics** • Raw materials for rubber and plastics
- 83.080 **Plastics** • Plastics
- 83.120 **Plastics** • Reinforced plastics
- 83.140 **Plastics** • Rubber and plastics products
- 83.200 **Plastics** • Equipment for the rubber and plastics industries
- 01.040.83 **Plastics** • Rubber and plastics industries (Vocabularies)
- 23.040.20 **Plastics** • Plastics pipes
- 23.040.45 **Plastics** • Plastics fittings
- 29.035.20 **Plastics** • Plastics and rubber insulating materials
- 31.060.30 **Plastics** • Paper and plastics capacitors
- 49.025.40 **Plastics** • Rubber and plastics
- 83.040.01 **Plastics** • Raw materials for rubber and plastics in general
- 83.040.30 **Plastics** • Auxiliary materials and additives for plastics
- 83.080.01 **Plastics** • Plastics in general
- 83.140.01 **Plastics** • Rubber and plastics products in general
- 83.140.30 **Plastics** • Plastics pipes and fittings for non fluid use
- 83.140.99 **Plastics** • Other rubber and plastics products
- 77.140.50 **Plate** • Including plate, sheet and strip
- 37.040.20 **Plates** • Photographic paper, films and plates. Cartridges
- 83.140.10 **Plates** • Including plates
- 53.060 **Platforms** • Including fork-lift trucks, sliding platforms, etc.
- 11.180.10 **Platforms** • Including wheelchairs, walking sticks and lifting platforms
- 53.020.99 **Platforms** • Including elevating work platforms
- 97.200.40 **Playgrounds** • Playgrounds
- 25.140.30 **Pliers** • Including wrenches, screwdrivers, pliers, nippers, hammers, etc.
- 23.060.20 **Plug** • Ball and plug valves
- 31.220.10 **Plug-and-socket** • Plug-and-socket devices. Connectors
- 29.120.30 **Plugs** • Plugs, socket-outlets, couplers
- 79.060.10 **Plywood** • Plywood
- 23.140 **Pneumatic** • Compressors and pneumatic machines
- 25.140.10 **Pneumatic** • Pneumatic tools
- 53.040.30 **Pneumatic** • Pneumatic transport and its components
- 97.080 **Polishers** • Including vacuum cleaners, floor-cleaning machines, floor polishers, steam cleaners, pressure cleaners, hand operated cleaners, etc.
- 25.080.50 **Polishing** • Grinding and polishing machines
- 03.160 **Political** • Including flags and associated symbols (emblems) of political and administrative entities, military flags, flags of organizations, etc.
- 13.060 **Pollution** • Including toxicity, biodegradability, protection against pollution, related installations and equipment
- 13.020.40 **Pollution** • Pollution, pollution control and conservation
- 13.080.01 **Pollution** • Including pollution, erosion, degradation, etc.
- 13.060.25 **Pools** • Including water for commercial use: for swimming pools, fish breeding, etc.
- 19.120 **Porosimetry** • Including test sieves and porosimetry
- 93.140 **Ports** • Construction of waterways, ports and dykes
- 25.160.40 **Position** • Including welding position and mechanical and non-destructive testing of welded joints
- 33.070.40 **Positioning** • Including Global Positioning System (GPS)
- 03.240 **Postal** • Postal services
- 35.260 **Postal** • Including typewriters, dictation equipment, addressing machines, letter opening machines, letter folding machines, postal franking machines, their ribbons and other accessories, etc.
- 03.240 **Post-boxes** • Including postal equipment, post-boxes and letter-boxes, etc.
- 31.040.20 **Potentiometers** • Potentiometers, variable resistors
- 55.100 **Pots** • Bottles. Pots. Jars
- 67.120.20 **Poultry** • Poultry and eggs
- 77.160 **Powder** • Powder metallurgy
- 87.040 **Powders** • Including coating powders, paint coatings and protective paint systems
- 23.100 **Power** • Fluid power systems
- 27.100 **Power** • Power stations in general
- 29.200 **Power** • Rectifiers. Converters. Stabilized power supply
- 29.240 **Power** • Power transmission and distribution networks
- 23.100.01 **Power** • Fluid power systems in general
- 23.100.99 **Power** • Other fluid power system components
- 27.120.20 **Power** • Nuclear power plants. Safety
- 29.240.01 **Power** • Power transmission and distribution networks in general
- 29.240.20 **Power** • Power transmission and distribution lines
- 29.240.30 **Power** • Control equipment for electric power systems
- 29.240.99 **Power** • Other equipment related to power transmission and distribution networks
- 31.060.70 **Power** • Power capacitors

33.040.60	Powerline • Powerline telecommunications
43.040.50	Power-steering • Including clutches, gearboxes, power-steering systems, cardan shafts, differentials, wheels, rims, etc.
31.190	Preassembled • Including preassembled modules
39.060	Precious • Including precious metals, precious and semi-precious stones
39	Precision • Precision mechanics. Jewellery
39.020	Precision • Precision mechanics
01.040.39	Precision • Precision mechanics. Jewellery (Vocabularies)
17.020	Preferred • Including measuring instruments in general, preferred numbers, standard measures, general aspects of reference materials, etc.
67.230	Prepackaged • Prepackaged and prepared foods
01.110	Preparation • Including rules for preparation of user guides, manuals, product specifications, etc.
01.120	Preparation • Including rules for the preparation of standards catalogues and management of technical documents
25.220.10	Preparation • Surface preparation
65.060.25	Preparation • Equipment for storage, preparation and distribution of fertilizers
67.230	Prepared • Prepackaged and prepared foods
59.120.10	Preparing • Including machines and equipment for manufacturing man-made filaments and fibres and for preparing fibres for spinning
11.120.10	Prescriptions • Including medical prescriptions and medicinal herbs
35.100.60	Presentation • Presentation layer
35.240.20	Presentation • Including text processing systems, text communication, text presentation, Office Document Architecture (ODA), etc.
67.220.20	Preservation • Including salt, vinegar, food preservation additives, etc.
25.120.10	Presses • Forging equipment. Presses. Shears
97.060	Pressing • Including washing-machines, dry-cleaners, driers, ironing and pressing appliances, etc.
13.240	Pressure • Protection against excessive pressure
17.100	Pressure • Measurement of force, weight and pressure
97.080	Pressure • Including vacuum cleaners, floor-cleaning machines, floor polishers, steam cleaners, pressure cleaners, hand operated cleaners, etc.
23.020.30	Pressure • Gas pressure vessels, gas cylinders
23.060.40	Pressure • Pressure regulators
27.060.30	Pressure • Including steam pressure vessels
43.060.20	Pressure • Pressure charging and air/exhaust gas ducting systems
77.140.30	Pressure • Steels for pressure purposes
23.060.40	Pressure-reducers • Including pressure-reducers
13.030.99	Prevention • Including waste prevention
29.220.10	Primary • Primary cells and batteries
31.180	Printed • Printed circuits and boards
87.080	Printing • Inks. Printing inks
37.100.10	Printing • Including printing, copying and duplicating machines, bookbinding equipment, etc.
33.040.35	Private • Including Public Switched Telephone Networks (PSTN), Private Telecommunication Networks (PTN) and Private Integrated Service Networks (PISN)
13.310	Procedures • Including security services, security procedures, burglar alarm devices, burglary resisting materials and equipment, bullet resisting materials and equipment, anti-theft devices for vehicles, safes, strong rooms, etc.
19.020	Procedures • Test conditions and procedures in general
71.020	Process • Including plant layout and services, process design and control, processing operations, security measures, etc.
25.040.40	Process • Industrial process measurement and control
25.020	Processes • Manufacturing forming processes
25.220	Processes • Including processes and equipment for surface treatment and coating
49.040	Processes • Coatings and related processes used in aerospace industry
59.020	Processes • Processes of the textile industry
67.020	Processes • Processes in the food industry
79.020	Processes • Wood technology processes
81.020	Processes • Processes in the glass and ceramics industries
83.020	Processes • Manufacturing processes in the rubber and plastics industries
85.020	Processes • Paper production processes
87.020	Processes • Paint coating processes
25.160.10	Processes • Welding processes
59.140.10	Processes • Processes and auxiliary materials
83.160.10	Processes • Including cycle tyres, and tyre retreading and repair processes
71.020	Processing • Including plant layout and services, process design and control, processing operations, security measures, etc.
73.020	Processing • Including exploration, opening-up, development, working of mineral deposits, drilling, construction of mines, mining operations, processing of minerals, etc.
73.120	Processing • Equipment for processing of minerals
75.020	Processing • Extraction and processing of petroleum and natural gas
35.240.20	Processing • Including text processing systems, text communication, text presentation, Office Document Architecture (ODA), etc.
65.040.20	Processing • Buildings and installations for processing and storage of agricultural produce
75.180.20	Processing • Processing equipment
03.100.10	Procurement • Purchasing. Procurement. Logistics
71.020	Production • Production in the chemical industry
77.020	Production • Production of metals
85.020	Production • Paper production processes
03.100.50	Production • Production. Production management
59.140.40	Production • Machines and equipment for leather and fur production
65.060.70	Production • Including lawnmowers, equipment for olive cultivation and olive production
71.100.10	Production • Materials for aluminium production
35.100.05	Profiles • Including International Standardized Profiles
77.140.70	Profiles • Steel profiles
03.120.20	Programmes • Including laboratory accreditation and audit programmes and auditing
03.100.40	Project • Including project management, value analysis, etc.
37.040.10	Projectors • Photographic equipment. Projectors
13.020.70	Projects • Environmental projects
37.100.01	Proof • Including proof corrections
03.140	Property • Patents. Intellectual property
49.050	Propulsion • Aerospace engines and propulsion systems
47.020.20	Propulsion • Marine engines and propulsion systems
11.040.40	Prosthetics • Implants for surgery, prosthetics and orthotics
13	Protection • Environment. Health protection. Safety

13.020	Protection • Environmental protection
13.060	Protection • Including toxicity, biodegradability, protection against pollution, related installations and equipment
13.220	Protection • Protection against fire
13.230	Protection • Explosion protection
13.240	Protection • Protection against excessive pressure
13.260	Protection • Protection against electric shock. Live working
13.280	Protection • Radiation protection
13.300	Protection • Protection against dangerous goods
13.310	Protection • Protection against crime
75.100	Protection • Including mineral oils, fluids for metal working and for temporary protection against corrosion
91.120	Protection • Protection of and in buildings
01.040.13	Protection • Environment. Health protection. Safety (Vocabularies)
13.020.01	Protection • Environment and environmental protection in general
13.020.99	Protection • Other standards related to environmental protection
13.220.01	Protection • Protection against fire in general
13.220.20	Protection • Fire protection
13.220.99	Protection • Other standards related to protection against fire
13.340.40	Protection • Hand and arm protection
13.340.50	Protection • Leg and foot protection
13.340.60	Protection • Protection against falling and slipping
29.120.50	Protection • Fuses and other overcurrent protection devices
43.040.80	Protection • Crash protection and restraint systems
91.080.40	Protection • Including the repair and protection of concrete products and structures
91.120.01	Protection • Protection of and in buildings in general
91.120.25	Protection • Seismic and vibration protection
91.120.40	Protection • Lightning protection
91.120.99	Protection • Other standards related to protection of and in buildings
13.340	Protective • Protective equipment
87.040	Protective • Including coating powders, paint coatings and protective paint systems
13.340.01	Protective • Protective equipment in general
13.340.10	Protective • Protective clothing
13.340.20	Protective • Head protective equipment
13.340.30	Protective • Respiratory protective devices
13.340.40	Protective • Including protective gloves, sleeves and mits
13.340.99	Protective • Other protective equipment
13.340.20	Protectors • Including helmets, eye-protectors, hearing protectors, ear muffs, teeth protectors and hoods.
33.040.40	PSPDN • Including Packet Switched Public Data Networks (PSPDN) and Ethernet
33.040.35	PSTN • Including Public Switched Telephone Networks (PSTN), Private Telecommunication Networks (PTN) and Private Integrated Service Networks (PISN)
33.040.35	PTN • Including Public Switched Telephone Networks (PSTN), Private Telecommunication Networks (PTN) and Private Integrated Service Networks (PISN)
03.080.20	Publicity • Including publicity, advertising, etc.
01.140	Publishing • Information sciences. Publishing
01.140.40	Publishing • Publishing
35.240.30	Publishing • IT applications in information, documentation and publishing
85.040	Pulps • Pulps
67.060	Pulses • Cereals, pulses and derived products
23.080	Pumps • Pumps
23.160	Pumps • Including vacuum pumps
27.080	Pumps • Heat pumps
23.100.10	Pumps • Pumps and motors
03.100.10	Purchasing • Purchasing. Procurement. Logistics
71.100.80	Purification • Chemicals for purification of water
59.140.35	Purses • Including trunks, suitcases, handbags, purses, wallets, dog-collars, etc. made of materials other than leather
75.160.10	Pyrolysis • Including coal products, coke, peat, wood, derivatives of coal pyrolysis, etc.
71.100.30	Pyrotechnics • Explosives. Pyrotechnics and fireworks
03.100.30	Qualifications • Including staff training, staff responsibilities, staff qualifications and certification
25.160.01	Qualifications • Including welders' qualifications
03	Quality • Services. Company organization, management and quality. Administration. Transport. Sociology
03.120	Quality • Quality
11.020	Quality • Including quality and environmental management in health care technology
13.040	Quality • Air quality
13.060	Quality • Water quality
13.080	Quality • Soil quality. Pedology
01.040.03	Quality • Services. Company organization, management and quality. Administration. Transport. Sociology. (Vocabularies)
03.120.01	Quality • Quality in general
03.120.10	Quality • Quality management and quality assurance
03.120.99	Quality • Other standards related to quality
11.080.01	Quality • Including sterilization methods, air quality of surgery rooms, etc.
13.040.01	Quality • Air quality in general
13.040.99	Quality • Other standards related to air quality
13.060.01	Quality • Water quality in general
13.060.99	Quality • Other standards related to water quality
13.080.01	Quality • Soil quality and pedology in general
13.080.99	Quality • Other standards related to soil quality
01.060	Quantities • Quantities and units
17.220.20	Quantities • Measurement of electrical and magnetic quantities
73.020	Quarrying • Mining and quarrying
67.080	Quick-frozen • Including canned, dried and quick-frozen fruits and vegetables
13.280	Radiation • Radiation protection
17.240	Radiation • Radiation measurements
97.170	Radiation • Including hair-driers, razors, shavers, toothbrushes, massage appliances, radiation skin treatment appliances, etc.
33.100	Radio • Including radio interference
33.170	Radio • Television and radio broadcasting
33.060.30	Radio • Radio relay and fixed satellite communications systems
33.070.10	Radio • Terrestrial Trunked Radio (TETRA)

33.070.20	Radio • Including European Radio Message System (ERMES)
33.160.20	Radio • Radio receivers
43.040.15	Radio • Including navigation systems, car radio, etc.
13.030.30	Radioactive • Including radioactive wastes, hospital wastes, carcasses, and other hazardous wastes
33.060	Radiocommunications • Radiocommunications
33.060.01	Radiocommunications • Radiocommunications in general
33.060.99	Radiocommunications • Other equipment for radiocommunications
13.280	Radio-frequency • Including protection against radio-frequency radiation
11.040.50	Radiographic • Radiographic equipment
37.040.25	Radiographic • Radiographic films
19.100	Radiography • Including testing equipment: industrial apparatus for X-ray and gamma radiography, penetrant flaw detectors, etc.
93.100	Rail • Including the construction of tramways, funicular railways, cableways, rail traffic control equipment and installations, etc.
03.220.30	Rail • Transport by rail
45.080	Rails • Rails and railway components
45	Railway • Railway engineering
29.280	Railway • Including railway electric fixed installations
45.020	Railway • Railway engineering in general
45.040	Railway • Materials and components for railway engineering
45.060	Railway • Railway rolling stock
45.080	Railway • Rails and railway components
45.120	Railway • Equipment for railway/cableway construction and maintenance
01.040.45	Railway • Railway engineering (Vocabularies)
17.140.30	Railway • Including road noise, railway noise, harbour noise and airport noise
45.060.01	Railway • Railway rolling stock in general
93.100	Railways • Construction of railways
91.060.30	Ramps • Including screeds, ramps, etc.
97.040.20	Ranges • Cooking ranges, working tables, ovens and similar appliances
83.040	Raw • Raw materials for rubber and plastics
27.120.30	Raw • Including raw materials
59.140.20	Raw • Raw skins, hides and pelts
81.040.10	Raw • Raw materials and raw glass
81.060.10	Raw • Raw materials
83.040.01	Raw • Raw materials for rubber and plastics in general
83.040.10	Raw • Latex and raw rubber
97.170	Razors • Including hair-driers, razors, shavers, toothbrushes, massage appliances, radiation skin treatment appliances, etc.
71.120.10	Reaction • Reaction vessels and their components
27.120.10	Reactor • Reactor engineering
29.180	Reactors • Transformers. Reactors
71.040.30	Reagents • Chemical reagents
25.100.30	Reamers • Drills, countersinks, reamers
11.040.10	Reanimation • Anaesthetic, respiratory and reanimation equipment
33.160.20	Receivers • Radio receivers
33.160.25	Receivers • Television receivers
33.060.20	Receiving • Receiving and transmitting equipment
33.160.30	Recorders • Including tape recorders, records, magnetic tapes, cassettes, CDs, etc.
33.160.40	Recorders • Including video tape recorders, cameras, cassettes, laser disks, etc.
33.160.30	Records • Including tape recorders, records, magnetic tapes, cassettes, CDs, etc.
27.220	Recovery • Heat recovery. Thermal insulation
29.200	Rectifiers • Rectifiers. Converters. Stabilized power supply
43.020	Recycling • Including testing and recycling of road vehicles
85.020	Recycling • Including paper recycling
13.030.50	Recycling • Recycling
59.120.20	Reeling • Including machines and equipment for reeling, balling, warping, sizing, beaming, etc. of yarns
17.020	Reference • Including measuring instruments in general, preferred numbers, standard measures, general aspects of reference materials, etc.
71.040.30	Reference • Including reference materials
81.080	Refractories • Refractories
71.100.45	Refrigerants • Refrigerants and antifreezes
97.130.20	Refrigerated • Including refrigerated display cabinets, cold rooms, etc.
27.200	Refrigerating • Refrigerating technology
97.040.30	Refrigerating • Domestic refrigerating appliances
97.130.20	Refrigerating • Commercial refrigerating appliances
13.030.40	Refuse • Including street cleaning equipment, waste containers, incineration and compaction equipment, equipment for dumping of refuse, landfill sites, etc.
23.060.40	Regulators • Pressure regulators
83.120	Reinforced • Reinforced plastics
59.100	Reinforcement • Materials for the reinforcement of composites
59.100.01	Reinforcement • Materials for the reinforcement of composites in general
59.100.99	Reinforcement • Other materials for the reinforcement of composites
77.140.15	Reinforcement • Steels for reinforcement of concrete
33.060.30	Relay • Radio relay and fixed satellite communications systems
29.120.70	Relays • Relays
21.020	Reliability • Including reliability, dependability, maintainability, durability, etc.
03.120.01	Reliability • Including general aspects related to reliability and maintainability
03.080.30	Removals • Including hotels, restaurants, washing, cleaning, removals, funerals, etc.
83.160.10	Repair • Including cycle tyres, and tyre retreading and repair processes
91.080.40	Repair • Including the repair and protection of concrete products and structures
43.180	Repairing • Including repairing facilities
37.100.10	Reproduction • Reproduction equipment
65.150	Reptiles • Including hunting of marine mammals and reptiles, collection and breeding of aquatic molluscs and other marine products, equipment and installations for fishing and fish breeding, etc.
03.100.40	Research • Research and development
91.040.30	Residential • Residential buildings
31.040	Resistors • Resistors
31.040.01	Resistors • Resistors in general
31.040.10	Resistors • Fixed resistors

- 31.040.20 **Resistors** • Potentiometers, variable resistors
31.040.99 **Resistors** • Other resistors
03.100.30 **Resources** • Management of human resources
13.060.10 **Resources** • Water of natural resources
11.040.10 **Respiratory** • Anaesthetic, respiratory and reanimation equipment
13.340.30 **Respiratory** • Respiratory protective devices
03.100.30 **Responsibilities** • Including staff training, staff responsibilities, staff qualifications and certification
03.080.30 **Restaurants** • Including hotels, restaurants, washing, cleaning, removals, funerals, etc.
43.040.80 **Restraint** • Crash protection and restraint systems
83.160.10 **Retreading** • Including cycle tyres, and tyre retreading and repair processes
55.180.40 **Reusable** • Including reusable packages and unit loads
13.080.99 **Re-use** • Including agricultural aspects related to soils and re-use of soil materials
33.120.30 **RF** • RF connectors
35.260 **Ribbons** • Including typewriters, dictation equipment, addressing machines, letter opening machines, letter folding machines, postal franking machines, their ribbons and other accessories, etc.
97.200.40 **Rides** • Including amusement rides and devices
43.040.50 **Rims** • Including clutches, gearboxes, power-steering systems, cardan shafts, differentials, wheels, rims, etc.
21.060.60 **Rings** • Rings, bushes, sleeves, collars
03.100.01 **Risk** • Including legal aspects and risk management
13.020.30 **Risk** • Including environmental risk management
93.140 **River** • Including river embankments, water transport control equipment and installations, etc.
21.060.40 **Rivets** • Rivets
49.030.60 **Rivets** • Rivets
43 **Road** • Road vehicles engineering
43.020 **Road** • Road vehicles in general
43.040 **Road** • Road vehicle systems
43.060 **Road** • Internal combustion engines for road vehicles
43.120 **Road** • Electric road vehicles
93.080 **Road** • Road engineering
01.040.43 **Road** • Road vehicle engineering (Vocabularies)
03.220.20 **Road** • Road transport
17.140.30 **Road** • Including road noise, railway noise, harbour noise and airport noise
43.040.01 **Road** • Road vehicle systems in general
43.040.99 **Road** • Other road vehicle systems
43.060.01 **Road** • Internal combustion engines for road vehicles in general
83.160.10 **Road** • Road vehicle tyres
93.080.01 **Road** • Road engineering in general
93.080.10 **Road** • Road construction
93.080.20 **Road** • Road construction materials
93.080.30 **Road** • Road equipment and installations
93.080.99 **Road** • Other standards related to road engineering
25.040.30 **Robots** • Industrial robots. Manipulators
29.060.10 **Rods** • Including electric rods, busbars, etc.
77.140.60 **Rods** • Steel bars and rods
45.060 **Rolling** • Railway rolling stock
21.100.20 **Rolling** • Rolling bearings
25.120.20 **Rolling** • Rolling, extruding and drawing equipment
45.060.01 **Rolling** • Railway rolling stock in general
43.040.60 **Roof** • Including vehicle frame and structure, heating devices, air-conditioning systems for passenger/driver compartments, roof load carriers, etc.
91.100.25 **Roofing** • Including roofing tiles, bricks, etc.
91.060.20 **Roofs** • Roofs
97.100 **Room** • Including thermal storage room heating appliances
13.310 **Rooms** • Including security services, security procedures, burglar alarm devices, burglary resisting materials and equipment, bullet resisting materials and equipment, anti-theft devices for vehicles, safes, strong rooms, etc.
11.080.01 **Rooms** • Including sterilization methods, air quality of surgery rooms, etc.
97.130.20 **Rooms** • Including refrigerated display cabinets, cold rooms, etc.
67.160.20 **Root** • Including juices, nectars, mineral waters, lemonades, root beer, cola drinks, etc.
21.220.20 **Rope** • Cable or rope drives and their components
13.340.60 **Ropes** • Including safety ropes, harnesses and fall arrestors
53.020.30 **Ropes** • Including lifting hooks, shackles, link chains, wire ropes, etc.
59.080.50 **Ropes** • Ropes
77.140.65 **Ropes** • Steel wire, wire ropes and link chains
45.100 **Ropeway** • Including ropeway equipment
93.110 **Ropeway** • Construction of ropeway
21.240 **Rotary-reciprocating** • Rotary-reciprocating mechanisms and their parts
29.160 **Rotating** • Rotating machinery
29.160.01 **Rotating** • Rotating machinery in general
29.160.10 **Rotating** • Components for rotating machines
29.160.99 **Rotating** • Other standards related to rotating machinery
83 **Rubber** • Rubber and plastic industries
83.020 **Rubber** • Manufacturing processes in the rubber and plastics industries
83.040 **Rubber** • Raw materials for rubber and plastics
83.060 **Rubber** • Rubber
83.140 **Rubber** • Rubber and plastics products
83.200 **Rubber** • Equipment for the rubber and plastics industries
01.040.83 **Rubber** • Rubber and plastics industries (Vocabularies)
29.035.20 **Rubber** • Plastics and rubber insulating materials
49.025.40 **Rubber** • Rubber and plastics
83.040.01 **Rubber** • Raw materials for rubber and plastics in general
83.040.10 **Rubber** • Latex and raw rubber
83.040.20 **Rubber** • Rubber compounding ingredients
83.140.01 **Rubber** • Rubber and plastics products in general
83.140.99 **Rubber** • Other rubber and plastics products
59.080.60 **Rugs** • Including carpets, rugs, floor mats, etc.
97.220.10 **Running-tracks** • Including swimming-pools, spas, solaria, sports fields, running-tracks, spectator facilities for sports, etc.

55.080	Sachets • Including sachets, envelopes
55.080	Sacks • Sacks. Bags
13.310	Safes • Including security services, security procedures, burglar alarm devices, burglary resisting materials and equipment, bullet resisting materials and equipment, anti-theft devices for vehicles, safes, strong rooms, etc.
13	Safety • Environment. Health protection. Safety
13.100	Safety • Occupational safety. Industrial hygiene
13.110	Safety • Safety of machinery
13.120	Safety • Domestic safety
13.240	Safety • Including safety valves, bursting disc devices, etc.
29.020	Safety • Including voltages, general electrical terminology, electrical documentation, electrical tables, safety, fire hazard testing, etc.
67.020	Safety • Including food hygiene and food safety
97.190	Safety • Including child safety requirements for other household equipment
01.040.13	Safety • Environment. Health protection. Safety (Vocabularies)
13.220.01	Safety • Including fire safety
13.340.50	Safety • Including safety boots and shoes
13.340.60	Safety • Including safety ropes, harnesses and fall arrestors
27.120.20	Safety • Nuclear power plants. Safety
43.040.80	Safety • Including airbags, safety belts, traffic accident issues and safety enhancement matters
91.160.10	Safety • Including workplace lighting, emergency and safety lighting
97.200.50	Safety • Including safety of toys
67.220.20	Salt • Including salt, vinegar, food preservation additives, etc.
71.060.50	Salts • Salts
91.100.15	Sands • Including earth, sands, clay, slates, stones, etc.
65.020.30	Sanitary • Including sanitary inspection
91.140.70	Sanitary • Sanitary installations
33.060.30	Satellite • Radio relay and fixed satellite communications systems
33.070.40	Satellite • Satellite
25.080.60	Sawing • Sawing machines
79.040	Sawlogs • Wood, sawlogs and sawn timber
79.040	Sawn • Wood, sawlogs and sawn timber
25.100.40	Saws • Saws
33.200	SCADA • Including Supervising, Control and Data Acquisition System (SCADA)
91.220	Scaffolding • Including scaffolding, mixers for concrete and mortar, etc.
61.040	Scarves • Including ties, gloves, scarves, handkerchiefs, belts, braces, buttons, zip-fasteners, umbrellas, etc.
61.020	Schemes • Including underwear, nightwear, knitwear, military clothing, hosiery, etc. and their labelling and size coding schemes
97.140	School • Including upholstery, mattresses, office furniture, school furniture, etc.
35.240.70	Science • IT applications in science
07	Sciences • Mathematics. Natural Sciences
01.140	Sciences • Information sciences. Publishing
11.020	Sciences • Medical sciences and health care facilities in general
01.040.07	Sciences • Mathematics. Natural sciences (Vocabularies)
01.140.20	Sciences • Information sciences
97.180	Scissors • Including scissors, aquarium equipment, articles for domestic animals, battery chargers, mops, insect electrocutors, lighters, matches, paper clips, pens, pencils, etc.
25.220.10	Scouring • Including surface preparation for painting, cleaning, scouring, blasting, etc.
91.060.30	Screeds • Including screeds, ramps, etc.
21.040	Screw • Screw threads
21.040.01	Screw • Screw threads in general
21.040.10	Screw • Metric screw threads
21.040.20	Screw • Inch screw threads
21.040.30	Screw • Special screw threads
49.030.10	Screw • Screw threads
25.140.30	Screwdrivers • Including wrenches, screwdrivers, pliers, nippers, hammers, etc.
21.060.10	Screws • Bolts, screws, studs
49.030.20	Screws • Bolts, screws, studs
47.020	Seabed • Including offshore structures, except offshore structures for petroleum and natural gas industries, and seabed mining
73.100.30	Seabed • Including equipment for seabed mining
47.040	Seagoing • Seagoing vessels
55.040	Sealing • Including wrappers, paper, films, foils, cords, sealing devices, cushioning, etc.
55.200	Sealing • Including labelling, marking, branding, filling, sealing machines, etc.
91.100.50	Sealing • Binders. Sealing materials
21.140	Seals • Seals, glands
23.040.80	Seals • Seals for pipe and hose assemblies
23.100.60	Seals • Filters, seals and contamination of fluids
83.140.50	Seals • Seals
29.220.20	Secondary • Acid secondary cells and batteries
29.220.30	Secondary • Alkaline secondary cells and batteries
77.140.70	Sections • Including sections
77.140.75	Sections • Including hollow steel bars and sections for construction
13.310	Security • Including security services, security procedures, burglar alarm devices, burglary resisting materials and equipment, bullet resisting materials and equipment, anti-theft devices for vehicles, safes, strong rooms, etc.
35.040	Security • Including coding of audio, picture, multimedia and hypermedia information, IT security techniques, encryption, bar coding, electronic signatures, etc.
71.020	Security • Including plant layout and services, process design and control, processing operations, security measures, etc.
65.020.20	Seeds • Including horticulture, floriculture, seeds, plant diseases
91.120.25	Seismic • Seismic and vibration protection
29.045	Semiconducting • Semiconducting materials
29.200	Semiconductor • Including semiconductor converters
31.080	Semiconductor • Semiconductor devices
31.080.01	Semiconductor • Semiconductor devices in general
31.080.99	Semiconductor • Other semiconductor devices
79.080	Semi-manufactures • Semi-manufactures of timber
39.060	Semi-precious • Including precious metals, precious and semi-precious stones
77.140.50	Semi-products • Flat steel products and semi-products
67.240	Sensory • Sensory analysis
73.120	Separation • Including equipment for milling, sizing, separation, flotation, concentration, etc.

33.030	Service • Including supplementary services, service aspects and associated legal tracability aspects
49.100	Service • Ground service and maintenance equipment
33.040.35	Service • Including Public Switched Telephone Networks (PSTN), Private Telecommunication Networks (PTN) and Private Integrated Service Networks (PISN)
03	Services • Services. Company organization, management and quality. Administration. Transport. Sociology
03.080	Services • Services
03.240	Services • Postal services
13.310	Services • Including security services, security procedures, burglar alarm devices, burglary resisting materials and equipment, bullet resisting materials and equipment, anti-theft devices for vehicles, safes, strong rooms, etc.
33.030	Services • Telecommunication services. Applications
33.070	Services • Mobile services
33.080	Services • Integrated Services Digital Network (ISDN)
71.020	Services • Including plant layout and services, process design and control, processing operations, security measures, etc.
01.040.03	Services • Services. Company organization, management and quality. Administration. Transport. Sociology. (Vocabularies)
03.080.01	Services • Services in general
03.080.10	Services • Industrial services
03.080.20	Services • Services for companies
03.080.30	Services • Services for consumers
03.080.99	Services • Other services
03.220.20	Services • Including road transport services
03.220.30	Services • Including rail transport services
03.220.40	Services • Including water transport services
03.220.50	Services • Including air transport services
33.070.01	Services • Mobile services in general
33.070.99	Services • Other mobile services
35.100.50	Session • Session layer
35.040	Sets • Character sets and information coding
29.160.40	Sets • Generating sets
93.030	Sewage • External sewage systems
13.060.30	Sewage • Sewage water
61.080	Sewing • Sewing machines and other equipment for the clothing industry
35.240.30	SGML • Including Standard Generalized Markup Language (SGML), automatic translation machines, etc.
53.020.30	Shackles • Including lifting hooks, shackles, link chains, wire ropes, etc.
21.120	Shafts • Shafts and couplings
21.120.01	Shafts • Shafts and couplings in general
21.120.10	Shafts • Shafts
21.120.99	Shafts • Other standards related to shafts and couplings
43.040.50	Shafts • Including clutches, gearboxes, power-steering systems, cardan shafts, differentials, wheels, rims, etc.
91.060.40	Shafts • Chimneys, shafts, ducts
11.140	Sharp • Including hospital beds, surgical tables, medical garments, medical gloves, containers for sharp disposal, etc.
97.170	Shavers • Including hair-driers, razors, shavers, toothbrushes, massage appliances, radiation skin treatment appliances, etc.
25.120.10	Shears • Forging equipment. Presses. Shears
91.090	Sheds • Including fences, gates, arches, sheds, garages, etc.
77.140.50	Sheet • Including plate, sheet and strip
83.140.10	Sheets • Films and sheets
83.140.20	Sheets • Laminated sheets
53.080	Shelves • Including loading devices, shelves, etc.
97.130.10	Shelving • Shelving
47	Shipbuilding • Shipbuilding and marine structures
47.020	Shipbuilding • Shipbuilding and marine structures in general
01.040.47	Shipbuilding • Shipbuilding and marine structures (Vocabularies)
47.020.01	Shipbuilding • General standards related to shipbuilding and marine structures
47.020.05	Shipbuilding • Materials and components for shipbuilding
47.020.99	Shipbuilding • Other standards related to shipbuilding and marine structures
55.140	Shipping • Containers mainly for transportation of fluids, including also casks, pails, large tin cans for shipping materials, etc.
47.020.60	Ships • Electrical equipment of ships and of marine structures
13.160	Shock • Vibration and shock with respect to human beings
13.260	Shock • Protection against electric shock. Live working
17.160	Shock • Vibrations, shock and vibration measurements
61.060	Shoelaces • Including shoelaces
13.340.50	Shoes • Including safety boots and shoes
97.130	Shop • Shop fittings
97.130.01	Shop • Shop fittings in general
97.130.99	Shop • Other shop fittings
53.120	Shovels • Including shovels, spades, crowbars, picks, etc.
91.060.50	Shutters • Including doorsets, their components, blinds, shutters
19.120	Sieves • Including test sieves and porosimetry
19.120	Sieving • Particle size analysis. Sieving
11.180.30	Sighted • Aids for blind or partially sighted people
93.080.30	Signal • Including road traffic warning and control systems, devices and installations (speed controls, traffic signal installations, vehicle loop detectors, pavement markers, manholes, etc.)
33.040.30	Signalling • Switching and signalling systems
43.040.20	Signalling • Lighting, signalling and warning devices
35.040	Signatures • Including coding of audio, picture, multimedia and hypermedia information, IT security techniques, encryption, bar coding, electronic signatures, etc.
71.100.55	Silicones • Silicones
65.020.40	Silviculture • Landscaping and silviculture
91.140.70	Sinks • Including bidets, kitchen sinks, baths, waste chutes, etc.
77.160	Sintered • Including sintered metal materials and hardmetals
49.140	Site • Including space data and information transfer systems, and ground support equipment for launch site operations
91.200	Sites • Including measuring methods, construction sites, demolition of structures, etc.
13.030.40	Sites • Including street cleaning equipment, waste containers, incineration and compaction equipment, equipment for dumping of refuse, landfill sites, etc.
19.120	Size • Particle size analysis. Sieving
61.020	Size • Including underwear, nightwear, knitwear, military clothing, hosiery, etc. and their labelling and size coding schemes
73.120	Sizing • Including equipment for milling, sizing, separation, flotation, concentration, etc.

59.120.20	Sizing • Including machines and equipment for reeling, balling, warping, sizing, beaming, etc. of yarns
97.220.20	Ski • Including ice hockey, snowboard, and ski equipment
97.170	Skin • Including hair-driers, razors, shavers, toothbrushes, massage appliances, radiation skin treatment appliances, etc.
59.140.20	Skins • Raw skins, hides and pelts
91.100.15	Slates • Including earth, sands, clay, slates, stones, etc.
65.040.20	Slaughterhouses • Including slaughterhouses and related equipment
13.340.40	Sleeves • Including protective gloves, sleeves and mitts
21.060.60	Sleeves • Rings, bushes, sleeves, collars
53.060	Sliding • Including fork-lift trucks, sliding platforms, etc.
13.340.60	Slipping • Protection against falling and slipping
13.030.20	Sludge • Liquid wastes. Sludge
97.220.20	Snowboard • Including ice hockey, snowboard, and ski equipment
03	Sociology • Services. Company organization, management and quality. Administration. Transport. Sociology
03.020	Sociology • Sociology. Demography
01.040.03	Sociology • Services. Company organization, management and quality. Administration. Transport. Sociology. (Vocabularies)
29.120.30	Socket-outlets • Plugs, socket -outlets, couplers
35.080	Software • Software
13.080	Soil • Soil quality. Pedology
65.080	Soil • Including soil conditioners and culture medium
13.080.01	Soil • Soil quality and pedology in general
13.080.99	Soil • Other standards related to soil quality
13.080.05	Soils • Examination of soils in general
13.080.10	Soils • Chemical characteristics of soils
13.080.20	Soils • Physical properties of soils
13.080.30	Soils • Biological properties of soils
13.080.40	Soils • Hydrological properties of soils
13.080.99	Soils • Including agricultural aspects related to soils and re-use of soil materials
65.060.20	Soil-working • Soil-working equipment
27.160	Solar • Solar energy engineering
97.220.10	Solaria • Including swimming-pools, spas, solaria, sports fields, running-tracks, spectator facilities for sports, etc.
25.160	Soldering • Welding, brazing and soldering
25.160.01	Soldering • Welding, brazing and soldering in general
25.160.50	Soldering • Brazing and soldering
55.160	Solid • Containers for solid goods or objects and bulk materials
13.030.10	Solid • Solid wastes
27.060.10	Solid • Liquid and solid fuel burners
75.160.10	Solid • Solid fuels
97.100.30	Solid • Solid fuel heaters
87.060.30	Solvents • Solvents
67.100.40	Sorbets • Including sorbets
17.140.50	Sound • Including sound level meters
91.100.60	Sound • Thermal and sound insulating materials
91.120.20	Sound • Acoustics in building. Sound insulation
13.040.40	Source • Stationary source emissions
27.190	Sources • Biological sources and alternative sources of energy
97.100.99	Sources • Heaters using other sources of energy
65.060.30	Sowing • Sowing and planting equipment
49	Space • Aircraft and space vehicle engineering
49.020	Space • Aircraft and space vehicles in general
49.140	Space • Space systems and operations
01.040.49	Space • Aircraft and space vehicle engineering (Vocabularies)
47.020.80	Spaces • Accommodation spaces
47.020.85	Spaces • Cargo spaces
53.120	Spades • Including shovels, spades, crowbars, picks, etc.
97.220.10	Spas • Including swimming-pools, spas, solaria, sports fields, running-tracks, spectator facilities for sports, etc.
97.220.10	Spectator • Including swimming-pools, spas, solaria, sports fields, running-tracks, spectator facilities for sports, etc.
71.040.50	Spectrophotometric • Including spectrophotometric and chromatographic analysis
17.180.30	Spectroscopes • Including spectrometers, geodetic instruments, etc.
93.080.30	Speed • Including road traffic warning and control systems, devices and installations (speed controls, traffic signal installations, vehicle loop detectors, pavement markers, manholes, etc.)
67.220	Spices • Spices and condiments. Food additives
67.220.10	Spices • Spices and condiments
59.120.10	Spinning • Spinning, twisting and texturing machines
67.160.10	Spirits • Including beer, wine, spirits, etc.
21.120.30	Splines • Keys and keyways, splines
55.060	Spools • Spools. Bobbins
97	Sports • Domestic and commercial equipment. Entertainment. Sports
97.220	Sports • Sports equipment and facilities
01.040.97	Sports • Domestic and commercial equipment. Entertainment. Sports (Vocabularies)
97.220.01	Sports • Sports equipment and facilities in general
97.220.10	Sports • Sports facilities
97.220.20	Sports • Winter sports equipment
97.220.30	Sports • Indoor sports equipment
97.220.40	Sports • Outdoor and water sports equipment
97.220.99	Sports • Other sports equipment and facilities
25.220.20	Spraying • Including anodization, conversion coating, thermal spraying, etc.
77.140.25	Spring • Spring steels
21.160	Springs • Springs
03.100.30	Staff • Including staff training, staff responsibilities, staff qualifications and certification
97.200.10	Stage • Theatre, stage and studio equipment
77.140.20	Stainless • Stainless steels
91.060.30	Stairs • Ceilings. Floors. Stairs
01	Standardization • Generalities. Terminology. Standardization. Documentation
01.120	Standardization • Standardization. General rules
01.040.01	Standardization • Generalities. Terminology. Standardization. Documentation (Vocabularies)
35.100.05	Standardized • Including International Standardized Profiles

21.060.70	Staples • Clamps and staples
67.180	Starch • Sugar. Sugar products. Starch
67.180.20	Starch • Starch and derived products
43.060.50	Starter • Including ignition systems and starter motors
13.040.40	Stationary • Stationary source emissions
23.020.10	Stationary • Stationary containers and tanks
85.080	Stationery • Including paper based stationery
27.100	Stations • Power stations in general
75.200	Stations • Including petroleum and natural gas storage devices, distribution systems, pipelines, petrol stations, dispensing devices, etc.
03.120.30	Statistical • Application of statistical methods
27.040	Steam • Gas and steam turbines. Steam engines
97.080	Steam • Including vacuum cleaners, floor-cleaning machines, floor polishers, steam cleaners, pressure cleaners, hand operated cleaners, etc.
27.060.30	Steam • Including steam pressure vessels
77.140	Steel • Iron and steel products
23.040.10	Steel • Iron and steel pipes
77.140.01	Steel • Iron and steel products in general
77.140.50	Steel • Flat steel products and semi-products
77.140.60	Steel • Steel bars and rods
77.140.65	Steel • Steel wire, wire ropes and link chains
77.140.70	Steel • Steel profiles
77.140.75	Steel • Steel pipes and tubes for specific use
77.140.80	Steel • Iron and steel castings
77.140.85	Steel • Iron and steel forgings
77.140.99	Steel • Other iron and steel products
49.025.10	Steels • Steels
77.080.20	Steels • Steels
77.140.10	Steels • Heat-treatable steels
77.140.15	Steels • Steels for reinforcement of concrete
77.140.20	Steels • Stainless steels
77.140.25	Steels • Spring steels
77.140.30	Steels • Steels for pressure purposes
77.140.35	Steels • Tool steels
77.140.40	Steels • Steels with special magnetic properties
77.140.45	Steels • Non-alloyed steels
11.080	Sterilization • Sterilization and disinfection
11.080.01	Sterilization • Sterilization and disinfection in general
11.080.99	Sterilization • Other standards related to sterilization and disinfection
11.080.30	Sterilized • Sterilized packaging
11.080.10	Sterilizing • Sterilizing equipment
11.180.10	Sticks • Including wheelchairs, walking sticks and lifting platforms
45.060	Stock • Railway rolling stock
45.060.01	Stock • Railway rolling stock in general
45.060.10	Stock • Tractive stock
45.060.20	Stock • Trailing stock
39.060	Stones • Including precious metals, precious and semi-precious stones
91.100.15	Stones • Including earth, sands, clay, slates, stones, etc.
13.300	Storage • Including performance requirements for dangerous goods, their handling, storage, transportation, marking, labelling, etc.
23.020	Storage • Fluid storage devices
35.220	Storage • Data storage devices
53.080	Storage • Storage equipment
75.200	Storage • Including petroleum and natural gas storage devices, distribution systems, pipelines, petrol stations, dispensing devices, etc.
97.100	Storage • Including thermal storage room heating appliances
23.020.01	Storage • Fluid storage devices in general
23.020.99	Storage • Other fluid storage devices
35.220.01	Storage • Data storage devices in general
35.220.20	Storage • Magnetic storage devices in general
35.220.30	Storage • Optical storage devices
35.220.99	Storage • Other data storage devices
65.040.20	Storage • Buildings and installations for processing and storage of agricultural produce
65.060.25	Storage • Equipment for storage, preparation and distribution of fertilizers
55.220	Storing • Storing. Warehousing
97.040.20	Stove • Including microwave ovens and stove hoods
59.080.50	Straps • Including strings, straps, bands
13.030.40	Street • Including street cleaning equipment, waste containers, incineration and compaction equipment, equipment for dumping of refuse, landfill sites, etc.
93.080.40	Street • Street lighting and related equipment
59.080.50	Strings • Including strings, straps, bands
77.140.50	Strip • Including plate, sheet and strip
49.045	Structure • Structure and structure elements
43.040.60	Structure • Including vehicle frame and structure, heating devices, air-conditioning systems for passenger/driver compartments, roof load carriers, etc.
47.020.10	Structure • Hulls and their structure elements
47	Structures • Shipbuilding and marine structures
31.240	Structures • Mechanical structures for electronic equipment
47.020	Structures • Shipbuilding and marine structures in general
65.040	Structures • Farm buildings, structures and installations
91.080	Structures • Structures of buildings
91.090	Structures • External structures
91.200	Structures • Including measuring methods, construction sites, demolition of structures, etc.
01.040.47	Structures • Shipbuilding and marine structures (Vocabularies)
47.020.01	Structures • General standards related to shipbuilding and marine structures
47.020.60	Structures • Electrical equipment of ships and of marine structures
47.020.99	Structures • Other standards related to shipbuilding and marine structures

- 75.180.10 **Structures** • Including offshore structures
91.080.01 **Structures** • Structures of buildings in general
91.080.10 **Structures** • Metal structures
91.080.20 **Structures** • Timber structures
91.080.40 **Structures** • Concrete structures
91.080.99 **Structures** • Other structures
97.200.10 **Studio** • Theatre, stage and studio equipment
21.060.10 **Studs** • Bolts, screws, studs
49.030.20 **Studs** • Bolts, screws, studs
65.120 **Stuffs** • Animal feeding stuffs
07.100.30 **Stuffs** • Including microbiology of animal feeding stuffs
13.060.50 **Substances** • Examination of water for chemical substances
29.240.10 **Substations** • Substations. Surge arresters
67.140.20 **Substitutes** • Coffee and coffee substitutes
67.180 **Sugar** • Sugar. Sugar products. Starch
67.180.10 **Sugar** • Sugar and sugar products
59.140.35 **Suitcases** • Including trunks, suitcases, handbags, purses, wallets, dog-collars, etc. made of materials other than leather
29.050 **Superconductivity** • Superconductivity and conducting materials
97.130.30 **Supermarket** • Trolleys for supermarket purposes
33.200 **Supervising** • Including Supervising, Control and Data Acquisition System (SCADA)
91.140.50 **Supplies** • Including electric energy meters in buildings, emergency electrical supplies, etc.
29.200 **Supply** • Rectifiers. Converters. Stabilized power supply
29.140.50 **Supply** • Including supply track systems
91.140.40 **Supply** • Gas supply systems
91.140.50 **Supply** • Electricity supply systems
91.140.60 **Supply** • Water supply systems
49.140 **Support** • Including space data and information transfer systems, and ground support equipment for launch site operations
55.060 **Supports** • Including holders, supports, etc. for externally wound or mounted material
25.220 **Surface** • Surface treatment and coating
25.220.01 **Surface** • Surface treatment and coating in general
25.220.10 **Surface** • Surface preparation
25.220.20 **Surface** • Surface treatment
71.040.40 **Surface** • Including analysis of gases and surface chemical analysis
71.100.40 **Surface** • Surface active agents
17.040.20 **Surfaces** • Properties of surfaces
29.240.10 **Surge** • Substations. Surge arresters
11.040.40 **Surgery** • Implants for surgery, prosthetics and orthotics
11.080.01 **Surgery** • Including sterilization methods, air quality of surgery rooms, etc.
11.140 **Surgical** • Including hospital beds, surgical tables, medical garments, medical gloves, containers for sharp disposal, etc.
11.040.30 **Surgical** • Surgical instruments and materials
43.040.50 **Suspensions** • Transmissions, suspensions
13.020.20 **Sustainable** • Including sustainable development
11.040.30 **Sutures** • Including surgical dressings, sutures, etc.
67.180.10 **Sweets** • Including molasses, sweets, sugar confectionary, honey, etc.
13.060.25 **Swimming** • Including water for commercial use: for swimming pools, fish breeding, etc.
97.220.40 **Swimming** • Including equipment for mountaineering, football, tennis, swimming, diving, etc.
97.220.10 **Swimming-pools** • Including swimming-pools, spas, solaria, sports fields, running-tracks, spectator facilities for sports, etc.
33.040.35 **Switched** • Including Public Switched Telephone Networks (PSTN), Private Telecommunication Networks (PTN) and Private Integrated Service Networks (PISN)
33.040.40 **Switched** • Including Packet Switched Public Data Networks (PSPDN) and Ethernet
29.120.40 **Switches** • Switches
31.220.20 **Switches** • Switches
29.130 **Switchgear** • Switchgear and controlgear
29.130.01 **Switchgear** • Switchgear and controlgear in general
29.130.10 **Switchgear** • High voltage switchgear and controlgear
29.130.20 **Switchgear** • Low voltage switchgear and controlgear
29.130.99 **Switchgear** • Other switchgear and controlgear
33.040.30 **Switching** • Switching and signalling systems
01.075 **Symbols** • Character symbols
01.080 **Symbols** • Graphical symbols
03.160 **Symbols** • Including flags and associated symbols (emblems) of political and administrative entities, military flags, flags of organizations, etc.
01.080.01 **Symbols** • Graphical symbols in general
01.080.10 **Symbols** • Public information symbols
01.080.20 **Symbols** • Graphical symbols for use on specific equipment
01.080.30 **Symbols** • Graphical symbols for use on mechanical engineering and construction drawings, diagrams, plans, maps and in relevant technical product documentation
01.080.40 **Symbols** • Graphical symbols for use on electrical and electronics engineering drawings, diagrams, charts and in relevant technical product documentation
01.080.50 **Symbols** • Graphical symbols for use on information technology and telecommunications technical drawings and in relevant technical product documentation
01.080.99 **Symbols** • Other graphical symbols
33.120.20 **Symmetrical** • Wires and symmetrical cables
33.040.20 **Synchronization** • Including synchronization, cable systems, integrated cabling, pathways and multiplexing
11.040.25 **Syringes** • Syringes, needles and catheters
67.180.20 **Syrups** • Including glucose syrups, etc.
33.040 **System** • Including network (system) aspects
33.200 **System** • Including Supervising, Control and Data Acquisition System (SCADA)
23.100.99 **System** • Other fluid power system components
33.070.20 **System** • Including European Radio Message System (ERMES)
33.070.40 **System** • Including Global Positioning System (GPS)
33.070.50 **System** • Global System for Mobile Communication (GSM)
97.040.60 **Table** • Including table cutlery and table ware
11.140 **Tables** • Including hospital beds, surgical tables, medical garments, medical gloves, containers for sharp disposal, etc.
29.020 **Tables** • Including voltages, general electrical terminology, electrical documentation, electrical tables, safety, fire hazard testing, etc.
01.100.25 **Tables** • Including electrical tables, diagrams and charts

97.040.20	Tables • Cooking ranges, working tables, ovens and similar appliances
45.060.20	Tank • Including tank wagons
43.080.10	Tanker • Including tanker trucks and loading compartments
47.020.85	Tankers • Including tanks and tankers
23.020.10	Tanks • Stationary containers and tanks
47.020.85	Tanks • Including tanks and tankers
31.060.40	Tantalum • Tantalum electrolytic capacitors
33.160.30	Tape • Including tape recorders, records, magnetic tapes, cassettes, CDs, etc.
33.160.40	Tape • Including video tape recorders, cameras, cassettes, laser disks, etc.
83.180	Tapes • Including adhesive tapes
29.035.20	Tapes • Including adhesive tapes
33.160.30	Tapes • Including tape recorders, records, magnetic tapes, cassettes, CDs, etc.
35.220.10	Tapes • Paper cards and tapes
35.220.22	Tapes • Magnetic tapes
35.220.23	Tapes • Cassettes and cartridges for magnetic tapes
25.100.50	Taps • Taps and threading dies
67.140	Tea • Tea. Coffee. Cocoa
67.140.10	Tea • Tea
67.140.10	Teas • Including herb teas
01.100	Technical • Technical drawings
01.110	Technical • Technical product documentation
01.120	Technical • Including rules for the preparation of standards catalogues and management of technical documents
01.080.30	Technical • Graphical symbols for use on mechanical engineering and construction drawings, diagrams, plans, maps and in relevant technical product documentation
01.080.40	Technical • Graphical symbols for use on electrical and electronics engineering drawings, diagrams, charts and in relevant technical product documentation
01.080.50	Technical • Graphical symbols for use on information technology and telecommunications technical drawings and in relevant technical product documentation
01.100.01	Technical • Technical drawings in general
01.100.27	Technical • Technical drawings for telecommunications and information technology fields
01.100.99	Technical • Other standards related to technical drawings
91.010.30	Technical • Technical aspects
13.340.20	Teeth • Including helmets, eye-protectors, hearing protectors, ear muffs, teeth protectors and hoods.
33.030	Telecommunication • Telecommunication services. Applications
33.040	Telecommunication • Telecommunication systems
33.050	Telecommunication • Telecommunication terminal equipment
33.040.01	Telecommunication • Telecommunication systems in general
33.040.30	Telecommunication • Including telecommunication call charging and billing aspects
33.040.35	Telecommunication • Including Public Switched Telephone Networks (PSTN), Private Telecommunication Networks (PTN) and Private Integrated Service Networks (PISN)
33.040.99	Telecommunication • Other equipment for telecommunication systems
33.050.01	Telecommunication • Telecommunication terminal equipment in general
33.050.99	Telecommunication • Other telecommunication terminal equipment
33	Telecommunications • Telecommunications. Audio and video engineering
31.220	Telecommunications • Electromechanical components for electronic and telecommunications equipment
33.020	Telecommunications • Telecommunications in general
33.120	Telecommunications • Components and accessories for telecommunications equipment
33.140	Telecommunications • Special measuring equipment for use in telecommunications
49.090	Telecommunications • Including navigation instruments and telecommunications equipment
01.040.33	Telecommunications • Telecommunications. Audio and video engineering (Vocabularies)
01.080.50	Telecommunications • Graphical symbols for use on information technology and telecommunications technical drawings and in relevant technical product documentation
01.100.27	Telecommunications • Technical drawings for telecommunications and information technology fields
33.040.60	Telecommunications • Powerline telecommunications
33.070.30	Telecommunications • Digital Enhanced Cordless Telecommunications (DECT)
35.240.15	Telecommunications • Including application of cards for banking, trade, telecommunications, transport, etc.
33.160.60	Teleconferencing • Multimedia systems and teleconferencing equipment
33.200	Telecontrol • Telecontrol. Telemetering
33.050.30	Telefax • Equipment for telex, teletext, telefax
33.200	Telemetering • Telecontrol. Telemetering
33.040.35	Telephone • Telephone networks
33.050.10	Telephone • Telephone equipment
37.020	Telescopes • Including microscopes, telescopes, binoculars, optical materials, optical components and optical systems
33.050.30	Teletext • Equipment for telex, teletext, telefax
33.170	Television • Television and radio broadcasting
33.160.25	Television • Television receivers
33.050.30	Telex • Equipment for telex, teletext, telefax
17.200	Temperature • Thermodynamics and temperature measurements
17.200.20	Temperature-measuring • Temperature-measuring instruments
97.220.40	Tennis • Including equipment for mountaineering, football, tennis, swimming, diving, etc.
33.050	Terminal • Telecommunication terminal equipment
35.180	Terminal • IT terminal and other peripheral equipment
33.050.01	Terminal • Telecommunication terminal equipment in general
33.050.99	Terminal • Other telecommunication terminal equipment
01.020	Terminography • Including terminography
01	Terminology • Generalities. Terminology. Standardization. Documentation
01.020	Terminology • Terminology (principles and coordination)
29.020	Terminology • Including voltages, general electrical terminology, electrical documentation, electrical tables, safety, fire hazard testing, etc.
01.040.01	Terminology • Generalities. Terminology. Standardization. Documentation (Vocabularies)
91.100.25	Terracotta • Terracotta building products
33.070.10	Terrestrial • Terrestrial Trunked Radio (TETRA)
19	Testing • Testing
17.140	Testing • Including measuring instruments and testing equipment
19.040	Testing • Environmental testing
19.060	Testing • Mechanical testing

19.080	Testing • Electrical and electronic testing
19.100	Testing • Non-destructive testing
29.020	Testing • Including voltages, general electrical terminology, electrical documentation, electrical tables, safety, fire hazard testing, etc.
43.020	Testing • Including testing and recycling of road vehicles
77.040	Testing • Testing of metals
01.040.19	Testing • Testing (Vocabularies)
25.160.40	Testing • Including welding position and mechanical and non-destructive testing of welded joints
77.040.01	Testing • Testing of metals in general
77.040.10	Testing • Mechanical testing of metals
77.040.20	Testing • Non-destructive testing of metals
77.040.99	Testing • Other methods of testing of metals
33.070.10	TETRA • Terrestrial Trunked Radio (TETRA)
35.240.20	Text • Including text processing systems, text communication, text presentation, Office Document Architecture (ODA), etc.
59	Textile • Textile and leather technology
59.020	Textile • Processes of the textile industry
59.040	Textile • Textile auxiliary materials
59.060	Textile • Textile fibres
59.080	Textile • Products of the textile industry
59.120	Textile • Textile machinery
01.040.59	Textile • Textile and leather technology (Vocabularies)
49.025.60	Textile • Including textile glass and coated fabrics
59.060.01	Textile • Textile fibres in general
59.060.99	Textile • Other textile fibres
59.080.30	Textile • Textile fabrics
59.080.60	Textile • Textile floor coverings
59.080.99	Textile • Other products of the textile industry
59.100.10	Textile • Textile glass materials
59.120.01	Textile • Textile machinery in general
59.120.99	Textile • Other textile machinery
97.160	Textiles • Home textiles. Linen
49.025.60	Textiles • Textiles
59.080.01	Textiles • Textiles in general
59.120.10	Texturing • Spinning, twisting and texturing machines
97.200.10	Theatre • Theatre, stage and studio equipment
11.040.50	Therapy • Including radiographic diagnostic and therapy equipment
11.040.60	Therapy • Therapy equipment
27.100	Thermal • Including thermal power plants
27.220	Thermal • Heat recovery. Thermal insulation
97.100	Thermal • Including thermal storage room heating appliances
25.160.10	Thermal • Including thermal cutting and cladding
25.160.30	Thermal • Including thermal cutting equipment
25.220.20	Thermal • Including anodization, conversion coating, thermal spraying, etc.
91.100.60	Thermal • Thermal and sound insulating materials
91.120.10	Thermal • Thermal insulation of buildings
31.040.30	Thermistors • Thermistors
17.200	Thermodynamics • Thermodynamics and temperature measurements
17.200.01	Thermodynamics • Thermodynamics in general
17.200.99	Thermodynamics • Other standards related to thermodynamics
11.040.55	Thermometers • Including medical monitoring equipment, medical thermometers and related materials
83.080.20	Thermoplastic • Thermoplastic materials
83.080.10	Thermosetting • Thermosetting materials
17.200.20	Thermostats • Including thermostats
25.100.50	Threading • Taps and threading dies
21.040	Threads • Screw threads
21.040.01	Threads • Screw threads in general
21.040.10	Threads • Metric screw threads
21.040.20	Threads • Inch screw threads
21.040.30	Threads • Special screw threads
49.030.10	Threads • Screw threads
59.080.20	Threads • Including plied yarns, textured yarns, threads
31.080.20	Thyristors • Thyristors
55.230	Tickets • Including distribution of tickets, food, beverages, tobacco products, etc.
61.040	Ties • Including ties, gloves, scarves, handkerchiefs, belts, braces, buttons, zip-fasteners, umbrellas, etc.
91.100.23	Tiles • Ceramic tiles
91.100.25	Tiles • Including roofing tiles, bricks, etc.
79.040	Timber • Wood, sawlogs and sawn timber
79.080	Timber • Semi-manufactures of timber
91.080.20	Timber • Timber structures
17.080	Time • Measurement of time, velocity, acceleration, angular velocity
39.040.99	Time-measuring • Other time-measuring instruments
55.140	Tin • Containers mainly for transportation of fluids, including also casks, pails, large tin cans for shipping materials, etc.
77.120.60	Tin • Lead, zinc, tin and their alloys
77.150.60	Tin • Lead, zinc and tin products
55.120	Tins • Cans. Tins. Tubes
85.080.20	Tissue • Tissue paper
49.025.30	Titanium • Titanium
77.120.50	Titanium • Titanium and titanium alloys
77.150.50	Titanium • Titanium products
55.230	Tobacco • Including distribution of tickets, food, beverages, tobacco products, etc.
65.160	Tobacco • Tobacco, tobacco products and related equipment
71.100.70	Toiletries • Cosmetics. Toiletries
91.010.30	Tolerances • Including tolerances, modular coordination, etc.
67.080.20	Tomato • Including tomato concentrates, ketchup, etc.
35.240.80	Tomography • Including computer tomography
25.060	Tool • Machine tool systems
25.060.01	Tool • Machine tool systems in general

25.060.99	Tool • Other machine tool systems
77.140.35	Tool • Tool steels
13.260	Tools • Including tools for working with voltages
25.080	Tools • Machine tools
25.100	Tools • Cutting tools
25.140	Tools • Hand-held tools
25.080.01	Tools • Machine tools in general
25.080.99	Tools • Other machine tools
25.100.01	Tools • Cutting tools in general
25.100.10	Tools • Turning tools
25.100.20	Tools • Milling tools
25.100.25	Tools • Tools for planing and broaching machines
25.100.99	Tools • Other cutting tools
25.140.01	Tools • Hand-held tools in general
25.140.10	Tools • Pneumatic tools
25.140.20	Tools • Electric tools
25.140.30	Tools • Hand-operated tools
25.140.99	Tools • Other hand-held tools
79.120.20	Tools • Woodworking tools
25.060.20	Tool-workpiece • Dividing and tool-workpiece holding devices
97.170	Toothbrushes • Including hair-driers, razors, shavers, toothbrushes, massage appliances, radiation skin treatment appliances, etc.
03.200	Tourism • Leisure. Tourism
53.020.20	Tower • Including mobile cranes, tower cranes, jib cranes, bridge cranes, etc.
43.040.70	Towing • Including towing attachments and fifth wheel assemblies
91.020	Town • Physical planning. Town planning
13.060	Toxicity • Including toxicity, biodegradability, protection against pollution, related installations and equipment
97.200.50	Toys • Toys
33.030	Tracability • Including supplementary services, service aspects and associated legal tracability aspects
45.080	Track • Including track components
29.140.50	Track • Including supply track systems
29.280	Traction • Electric traction equipment
45.060.10	Tractive • Tractive stock
53.100	Tractors • Including tractors, excavators, loaders, graders, etc.
65.060.10	Tractors • Agricultural tractors and trailed vehicles
03.100.20	Trade • Trade. Commercial function. Marketing
35.240.15	Trade • Including application of cards for banking, trade, telecommunications, transport, etc.
35.240.60	Trade • IT applications in transport and trade
93.100	Traffic • Including the construction of tramways, funicular railways, cableways, rail traffic control equipment and installations, etc.
43.040.80	Traffic • Including airbags, safety belts, traffic accident issues and safety enhancement matters
93.080.30	Traffic • Including road traffic warning and control systems, devices and installations (speed controls, traffic signal installations, vehicle loop detectors, pavement markers, manholes, etc.)
65.060.10	Trailed • Agricultural tractors and trailed vehicles
43.100	Trailers • Passenger cars. Caravans and light trailers
43.080.10	Trailers • Trucks and trailers
45.060.20	Trailing • Trailing stock
97.220.30	Trainers • Including equipment for gymnastics, volleyball, basketball, handball, home sports trainers, etc.
03.100.30	Training • Including staff training, staff responsibilities, staff qualifications and certification
93.100	Tramways • Including the construction of tramways, funicular railways cableways, rail traffic control equipment and installations, etc.
27	Transfer • Energy and heat transfer engineering
27.010	Transfer • Energy and heat transfer engineering in general
49.140	Transfer • Including space data and information transfer systems, and ground support equipment for launch site operations
01.040.27	Transfer • Energy and heat transfer engineering (Vocabularies)
29.180	Transformers • Transformers. Reactors
17.220.20	Transformers • Including measuring instruments, instrument transformers
11.040.20	Transfusion • Transfusion, infusion and injection equipment
31.080.30	Transistors • Transistors
35.240.30	Translation • Including Standard Generalized Markup Language (SGML), automatic translation machines, etc.
01.140.10	Transliteration • Writing and transliteration
29.240	Transmission • Power transmission and distribution networks
29.240.01	Transmission • Power transmission and distribution networks in general
29.240.20	Transmission • Power transmission and distribution lines
29.240.99	Transmission • Other equipment related to power transmission and distribution networks
33.040.20	Transmission • Transmission systems
21.220	Transmissions • Flexible drives and transmissions
21.220.01	Transmissions • Flexible drives and transmissions in general
21.220.99	Transmissions • Other flexible drives and transmissions
43.040.50	Transmissions • Transmissions, suspensions
33.060.20	Transmitting • Receiving and transmitting equipment
03	Transport • Services. Company organization, management and quality. Administration. Transport. Sociology
03.220	Transport • Transport
11.160	Transport • Including kits, equipment, facilities and medical transport for first aid
93.120	Transport • Including air transport control equipment and installations
93.140	Transport • Including river embankments, water transport control equipment and installations, etc.
01.040.03	Transport • Services. Company organization, management and quality. Administration. Transport. Sociology. (Vocabularies)
03.220.01	Transport • Transport in general
03.220.20	Transport • Road transport
03.220.30	Transport • Transport by rail
03.220.40	Transport • Transport by water
03.220.50	Transport • Air transport
03.220.99	Transport • Other forms of transport
13.040.50	Transport • Transport exhaust emissions
17.140.30	Transport • Noise emitted by means of transport
35.100.40	Transport • Transport layer
35.240.15	Transport • Including application of cards for banking, trade, telecommunications, transport, etc.
35.240.60	Transport • IT applications in transport and trade
53.040.30	Transport • Pneumatic transport and its components

55.180.40	Transport • Complete, filled transport packages
13.300	Transportation • Including performance requirements for dangerous goods, their handling, storage, transportation, marking, labelling, etc.
55.140	Transportation • Containers mainly for transportation of fluids, including also casks, pails, large tin cans for shipping materials, etc.
25.200	Treatment • Heat treatment
25.220	Treatment • Surface treatment and coating
79.020	Treatment • Including logging and wood treatment
97.170	Treatment • Including hair-driers, razors, shavers, toothbrushes, massage appliances, radiation skin treatment appliances, etc.
13.030.40	Treatment • Installations and equipment for waste disposal and treatment
13.060.30	Treatment • Including sewage water disposal and treatment
25.220.01	Treatment • Surface treatment and coating in general
25.220.20	Treatment • Surface treatment
25.220.99	Treatments • Other treatments and coatings
97.130.30	Trolleys • Trolleys for supermarket purposes
53.060	Trucks • Industrial trucks
43.080.10	Trucks • Trucks and trailers
33.070.10	Trunked • Terrestrial Trunked Radio (TETRA)
59.140.35	Trunks • Including trunks, suitcases, handbags, purses, wallets, dog-collars, etc. made of materials other than leather
31.100	Tubes • Electronic tubes
31.260	Tubes • Including photoelectric tubes and cells
55.120	Tubes • Cans. Tins. Tubes
83.160	Tubes • Including tubes and valves
77.140.75	Tubes • Steel pipes and tubes for specific use
73.100.10	Tubing • Tunnelling and tubing equipment
93.060	Tunnel • Tunnel construction
73.100.10	Tunnelling • Tunnelling and tubing equipment
27.180	Turbine • Wind turbine energy systems
27.040	Turbines • Gas and steam turbines. Steam engines
27.140	Turbines • Including hydraulic turbines
25.100.10	Turning • Turning tools
59.120.10	Twisting • Spinning, twisting and texturing machines
35.260	Typewriters • Including typewriters, dictation equipment, addressing machines, letter opening machines, letter folding machines, postal franking machines, their ribbons and other accessories, etc.
83.160.10	Tyre • Including cycle tyres, and tyre retreading and repair processes
83.160	Tyres • Tyres
83.160.01	Tyres • Tyres in general
83.160.10	Tyres • Road vehicle tyres
83.160.20	Tyres • Aircraft tyres
83.160.30	Tyres • Tyres for agricultural machinery
83.160.99	Tyres • Other tyres
61.040	Umbrellas • Including ties, gloves, scarves, handkerchiefs, belts, braces, buttons, zip-fasteners, umbrellas, etc.
93.020	Underground • Earthworks. Excavations. Foundation construction. Underground works
61.020	Underwear • Including underwear, nightwear, knitwear, military clothing, hosiery, etc. and their labelling and size coding schemes
55.180.40	Unit • Including reusable packages and unit loads
01.060	Units • Quantities and units
25.060.10	Units • Modular units and other devices
97.040.50	Units • Including food waste disposal units
97.140	Upholstery • Including upholstery, mattresses, office furniture, school furniture, etc.
11.100.30	Urine • Analysis of blood and urine
01.110	User • Including rules for preparation of user guides, manuals, product specifications, etc.
23.160	Vacuum • Vacuum technology
97.080	Vacuum • Including vacuum cleaners, floor-cleaning machines, floor polishers, steam cleaners, pressure cleaners, hand operated cleaners, etc.
03.100.40	Value • Including project management, value analysis, etc.
13.240	Valves • Including safety valves, bursting disc devices, etc.
23.060	Valves • Valves
83.160	Valves • Including tubes and valves
23.060.01	Valves • Valves in general
23.060.10	Valves • Globe valves
23.060.20	Valves • Ball and plug valves
23.060.30	Valves • Gate valves
23.060.50	Valves • Check valves
23.060.99	Valves • Other valves
23.100.50	Valves • Including valves
29.035.60	Varnished • Varnished fabrics
87.040	Varnishes • Paints and varnishes
67.200.10	Vegetable • Animal and vegetable fats and oils
67.080	Vegetables • Fruits. Vegetables
67.080.01	Vegetables • Fruits, vegetables and derived products in general
67.080.20	Vegetables • Vegetables and derived products
49	Vehicle • Aircraft and space vehicle engineering
43.040	Vehicle • Road vehicle systems
01.040.43	Vehicle • Road vehicle engineering (Vocabularies)
01.040.49	Vehicle • Aircraft and space vehicle engineering (Vocabularies)
43.040.01	Vehicle • Road vehicle systems in general
43.040.60	Vehicle • Including vehicle frame and structure, heating devices, air-conditioning systems for passenger/driver compartments, roof load carriers, etc.
43.040.99	Vehicle • Other road vehicle systems
83.160.10	Vehicle • Road vehicle tyres
93.080.30	Vehicle • Including road traffic warning and control systems, devices and installations (speed controls, traffic signal installations, vehicle loop detectors, pavement markers, manholes, etc.)
43	Vehicles • Road vehicles engineering
13.310	Vehicles • Including security services, security procedures, burglar alarm devices, burglary resisting materials and equipment, bullet resisting materials and equipment, anti-theft devices for vehicles, safes, strong rooms, etc.
43.020	Vehicles • Road vehicles in general
43.060	Vehicles • Internal combustion engines for road vehicles

43.080	Vehicles • Commercial vehicles
43.120	Vehicles • Electric road vehicles
43.160	Vehicles • Special purpose vehicles
49.020	Vehicles • Aircraft and space vehicles in general
13.220.10	Vehicles • Including equipment and vehicles
23.020.20	Vehicles • Vessels and containers mounted on vehicles
43.060.01	Vehicles • Internal combustion engines for road vehicles in general
43.080.01	Vehicles • Commercial vehicles in general
43.080.99	Vehicles • Other commercial vehicles
65.060.10	Vehicles • Agricultural tractors and trailed vehicles
17.080	Velocity • Measurement of time, velocity, acceleration, angular velocity
55.230	Vending • Distribution and vending machines
47.020.90	Ventilation • Marine ventilation, air conditioning and heating systems
73.100.20	Ventilation • Ventilation, air-conditioning and illumination equipment
91.140.30	Ventilation • Ventilation and air-conditioning systems
23.120	Ventilators • Ventilators. Fans. Air-conditioners
47.040	Vessels • Seagoing vessels
47.060	Vessels • Inland navigation vessels
23.020.20	Vessels • Vessels and containers mounted on vehicles
23.020.30	Vessels • Gas pressure vessels, gas cylinders
23.020.40	Vessels • Cryogenic vessels
27.060.30	Vessels • Including steam pressure vessels
71.120.10	Vessels • Reaction vessels and their components
11.220	Veterinary • Veterinary medicine
13.160	Vibration • Vibration and shock with respect to human beings
17.160	Vibration • Vibrations, shock and vibration measurements
91.120.25	Vibration • Seismic and vibration protection
17.160	Vibrations • Vibrations, shock and vibration measurements
33	Video • Telecommunications. Audio and video engineering
33.160	Video • Audio, video and audiovisual engineering
01.040.33	Video • Telecommunications. Audio and video engineering (Vocabularies)
33.160.01	Video • Audio, video and audiovisual systems in general
33.160.40	Video • Video systems
33.160.99	Video • Other audio, video and audiovisual equipment
67.220.20	Vinegar • Including salt, vinegar, food preservation additives, etc.
17.060	Viscosity • Measurement of volume, mass, density, viscosity
65.060.60	Viticultural • Viticultural and wine-making equipment
11.100.10	Vitro • In vitro diagnostic test systems
01.040	Vocabularies • Vocabularies
01.040.01	Vocabularies • Generalities. Terminology. Standardization. Documentation (Vocabularies)
01.040.03	Vocabularies • Services. Company organization, management and quality. Administration. Transport. Sociology. (Vocabularies)
01.040.07	Vocabularies • Mathematics. Natural sciences (Vocabularies)
01.040.11	Vocabularies • Health care technology (Vocabularies)
01.040.13	Vocabularies • Environment. Health protection. Safety (Vocabularies)
01.040.17	Vocabularies • Metrology and measurement. Physical phenomena (Vocabularies)
01.040.19	Vocabularies • Testing (Vocabularies)
01.040.21	Vocabularies • Mechanical systems and components for general use (Vocabularies)
01.040.23	Vocabularies • Fluid systems and components for general use (Vocabularies)
01.040.25	Vocabularies • Manufacturing engineering (Vocabularies)
01.040.27	Vocabularies • Energy and heat transfer engineering (Vocabularies)
01.040.29	Vocabularies • Electrical engineering (Vocabularies)
01.040.31	Vocabularies • Electronics (Vocabularies)
01.040.33	Vocabularies • Telecommunications. Audio and video engineering (Vocabularies)
01.040.35	Vocabularies • Information technology. Office machines (Vocabularies)
01.040.37	Vocabularies • Image technology (Vocabularies)
01.040.39	Vocabularies • Precision mechanics. Jewellery (Vocabularies)
01.040.43	Vocabularies • Road vehicle engineering (Vocabularies)
01.040.45	Vocabularies • Railway engineering (Vocabularies)
01.040.47	Vocabularies • Shipbuilding and marine structures (Vocabularies)
01.040.49	Vocabularies • Aircraft and space vehicle engineering (Vocabularies)
01.040.53	Vocabularies • Materials handling equipment (Vocabularies)
01.040.55	Vocabularies • Packaging and distribution of goods (Vocabularies)
01.040.59	Vocabularies • Textile and leather technology (Vocabularies)
01.040.61	Vocabularies • Clothing industry (Vocabularies)
01.040.65	Vocabularies • Agriculture (Vocabularies)
01.040.67	Vocabularies • Food technology (Vocabularies)
01.040.71	Vocabularies • Chemical technology (Vocabularies)
01.040.73	Vocabularies • Mining and minerals (Vocabularies)
01.040.75	Vocabularies • Petroleum and related technologies (Vocabularies)
01.040.77	Vocabularies • Metallurgy (Vocabularies)
01.040.79	Vocabularies • Wood technology (Vocabularies)
01.040.81	Vocabularies • Glass and ceramics industries (Vocabularies)
01.040.83	Vocabularies • Rubber and plastics industries (Vocabularies)
01.040.85	Vocabularies • Paper technology (Vocabularies)
01.040.87	Vocabularies • Paint and colour industries (Vocabularies)
01.040.91	Vocabularies • Construction materials and building (Vocabularies)
01.040.93	Vocabularies • Civil engineering (Vocabularies)
01.040.95	Vocabularies • Military engineering (Vocabularies)
01.040.97	Vocabularies • Domestic and commercial equipment. Entertainment. Sports (Vocabularies)
97.220.30	Volleyball • Including equipment for gymnastics, volleyball, basketball, handball, home sports trainers, etc.
29.130.10	Voltage • High voltage switchgear and controlgear
29.130.20	Voltage • Low voltage switchgear and controlgear
13.260	Voltages • Including tools for working with voltages
29.020	Voltages • Including voltages, general electrical terminology, electrical documentation, electrical tables, safety, fire hazard testing, etc.
17.060	Volume • Measurement of volume, mass, density, viscosity

75.180.30	Volumetric • Volumetric equipment and measurements
45.060.20	Wagons • Including tank wagons
11.180.10	Walking • Including wheelchairs, walking sticks and lifting platforms
59.140.35	Wallets • Including trunks, suitcases, handbags, purses, wallets, dog-collars, etc. made of materials other than leather
91.060.10	Walls • Walls. Partitions. Façades
35.110	WAN • Including local area networks (LAN), metropolitan area networks (MAN), wide area networks (WAN), etc.
71.040.20	Ware • Laboratory ware and related apparatus
97.040.60	Ware • Including table cutlery and table ware
55.220	Warehousing • Storing. Warehousing
13.320	Warning • Alarm and warning systems
43.040.20	Warning • Lighting, signalling and warning devices
93.080.30	Warning • Including road traffic warning and control systems, devices and installations (speed controls, traffic signal installations, vehicle loop detectors, pavement markers, manholes, etc.)
59.120.20	Warping • Including machines and equipment for reeling, balling, warping, sizing, beaming, etc. of yarns
21.060.30	Washers • Washers, locking elements
49.030.50	Washers • Washers and other locking elements
03.080.30	Washing • Including hotels, restaurants, washing, cleaning, removals, funerals, etc.
97.060	Washing-machines • Including washing-machines, dry-cleaners, driers, ironing and pressing appliances, etc.
43.160	Waste • Including waste collection vehicles and components and systems for special purpose vehicles
13.030.40	Waste • Installations and equipment for waste disposal and treatment
13.030.99	Waste • Including waste prevention
91.140.70	Waste • Including bidets, kitchen sinks, baths, waste chutes, etc.
97.040.50	Waste • Including food waste disposal units
13.030	Wastes • Wastes
13.030.01	Wastes • Wastes in general
13.030.10	Wastes • Solid wastes
13.030.20	Wastes • Liquid wastes. Sludge
13.030.30	Wastes • Special wastes
13.030.99	Wastes • Other standards related to wastes
39.040.10	Watches • Watches
13.060	Water • Water quality
67.250	Water • Including catering containers, and materials and articles in contact with drinking water
93.025	Water • External water conveyance systems
93.140	Water • Including river embankments, water transport control equipment and installations, etc.
03.220.40	Water • Transport by water
07.100.20	Water • Microbiology of water
13.060.01	Water • Water quality in general
13.060.10	Water • Water of natural resources
13.060.20	Water • Drinking water
13.060.25	Water • Water for industrial use
13.060.30	Water • Sewage water
13.060.45	Water • Examination of water in general
13.060.50	Water • Examination of water for chemical substances
13.060.60	Water • Examination of physical properties of water
13.060.70	Water • Examination of biological properties of water
13.060.99	Water • Other standards related to water quality
71.100.80	Water • Chemicals for purification of water
91.140.60	Water • Water supply systems
91.140.65	Water • Water heating equipment
97.220.40	Water • Outdoor and water sports equipment
97.030	Water-bed • Including water-bed heaters and electric blankets
91.120.30	Waterproofing • Waterproofing
67.160.20	Waters • Including juices, nectars, mineral waters, lemonades, root beer, cola drinks, etc.
93.140	Waterways • Construction of waterways, ports and dykes
33.120.10	Waveguides • Coaxial cables. Waveguides
75.140	Waxes • Waxes, bituminous materials and other petroleum products
95.020	Weapons • Military engineering. Military affairs. Weapons
59.120.30	Weaving • Looms. Weaving machines
17.100	Weighing • Including measuring and weighing instruments
17.100	Weight • Measurement of force, weight and pressure
25.160.40	Welded • Welded joints and welds
25.160.01	Welders • Including welders' qualifications
25.160	Welding • Welding, brazing and soldering
25.160.01	Welding • Welding, brazing and soldering in general
25.160.10	Welding • Welding processes
25.160.20	Welding • Welding consumables
25.160.30	Welding • Welding equipment
25.160.40	Welding • Including welding position and mechanical and non-destructive testing of welded joints
25.160.40	Welds • Welded joints and welds
43.040.70	Wheel • Including towing attachments and fifth wheel assemblies
11.180.10	Wheelchairs • Including wheelchairs, walking sticks and lifting platforms
43.040.50	Wheels • Including clutches, gearboxes, power-steering systems, cardan shafts, differentials, wheels, rims, etc.
53.040.20	Wheels • Including conveyor belts, chains, chain wheels, etc.
67.100.30	Whey • Including cottage cheese, whey cheese
21.040.20	Whitworth • Including Whitworth screw threads
27.180	Wind • Wind turbine energy systems
59.120.20	Winding • Winding machines and equipment
91.190	Window • Including locks, buzzers, bells, bolts, door and window hardware, etc.
91.060.50	Windows • Doors and windows
67.160.10	Wine • Including beer, wine, spirits, etc.
65.060.60	Wine-making • Viticultural and wine-making equipment
97.220.20	Winter • Winter sports equipment
43.040.65	Wiper • Glazing and wiper systems
53.020.30	Wire • Including lifting hooks, shackles, link chains, wire ropes, etc.
77.140.65	Wire • Steel wire, wire ropes and link chains
29.060	Wires • Electrical wires and cables

29.060.01	Wires • Electrical wires and cables in general
29.060.10	Wires • Wires
33.120.20	Wires • Wires and symmetrical cables
79	Wood • Wood technology
79.020	Wood • Wood technology processes
79.040	Wood • Wood, sawlogs and sawn timber
79.080	Wood • Including parquet, wood paving, handles, etc.
01.040.79	Wood • Wood technology (Vocabularies)
75.160.10	Wood • Including coal products, coke, peat, wood, derivatives of coal pyrolysis, etc.
79.060	Wood-based • Wood-based panels
79.060.01	Wood-based • Wood-based panels in general
79.060.99	Wood-based • Other wood-based panels
71.100.50	Wood-protecting • Wood-protecting chemicals
79.120	Woodworking • Woodworking equipment
79.120.01	Woodworking • Woodworking equipment in general
79.120.10	Woodworking • Woodworking machines
79.120.20	Woodworking • Woodworking tools
79.120.99	Woodworking • Other woodworking equipment
35.240.20	Work • IT applications in office work
53.020.99	Work • Including elevating work platforms
13.040.30	Workplace • Workplace atmospheres
91.160.10	Workplace • Including workplace lighting, emergency and safety lighting
93.020	Works • Earthworks. Excavations. Foundation construction. Underground works
55.040	Wrappers • Including wrappers, paper, films, foils, cords, sealing devices, cushioning, etc.
25.140.30	Wrenches • Including wrenches, screwdrivers, pliers, nippers, hammers, etc.
01.140.10	Writing • Writing and transliteration
19.100	X-ray • Including testing equipment: industrial apparatus for X-ray and gamma radiography, penetrant flaw detectors, etc.
59.080.20	Yarns • Yarns
59.120.20	Yarns • Including machines and equipment for reeling, balling, warping, sizing, beaming, etc. of yarns
77.120.60	Zinc • Lead, zinc, tin and their alloys
77.150.60	Zinc • Lead, zinc and tin products
61.040	Zip-fasteners • Including ties, gloves, scarves, handkerchiefs, belts, braces, buttons, zip-fasteners, umbrellas, etc.
07.080	Zoology • Biology. Botany. Zoology
